SPECIAL NOTE: Please measure and mark both ends of your spot as accurately as possible no later than May 11th. This helps us understand where you want your dust suppression placed as well as reminding the blade operator of your spot. If your spot is not marked when we come to apply your dust suppression we will center your application on your house. Please keep your flags visible until October 1st.

The County reserves the right to blade the treated area between May 11th and October 1st if it is necessary for public safety. BLADING WITH PROPER MOISTURE DOES NOT DETRACT FROM THE DUST SUPPRESSION'S ABILITY TO SUPPRESS DUST. Your road will be bladed after October 1st in preparation for winter.

Jerico Services, Inc. does not guarantee the performance of the product due to factors such as weather, surface preparation or heavy traffic patterns. We value your business and look forward to serving you with the best dust suppression you can purchase.

I have read the terms of this permit and I am in agreement with them.
