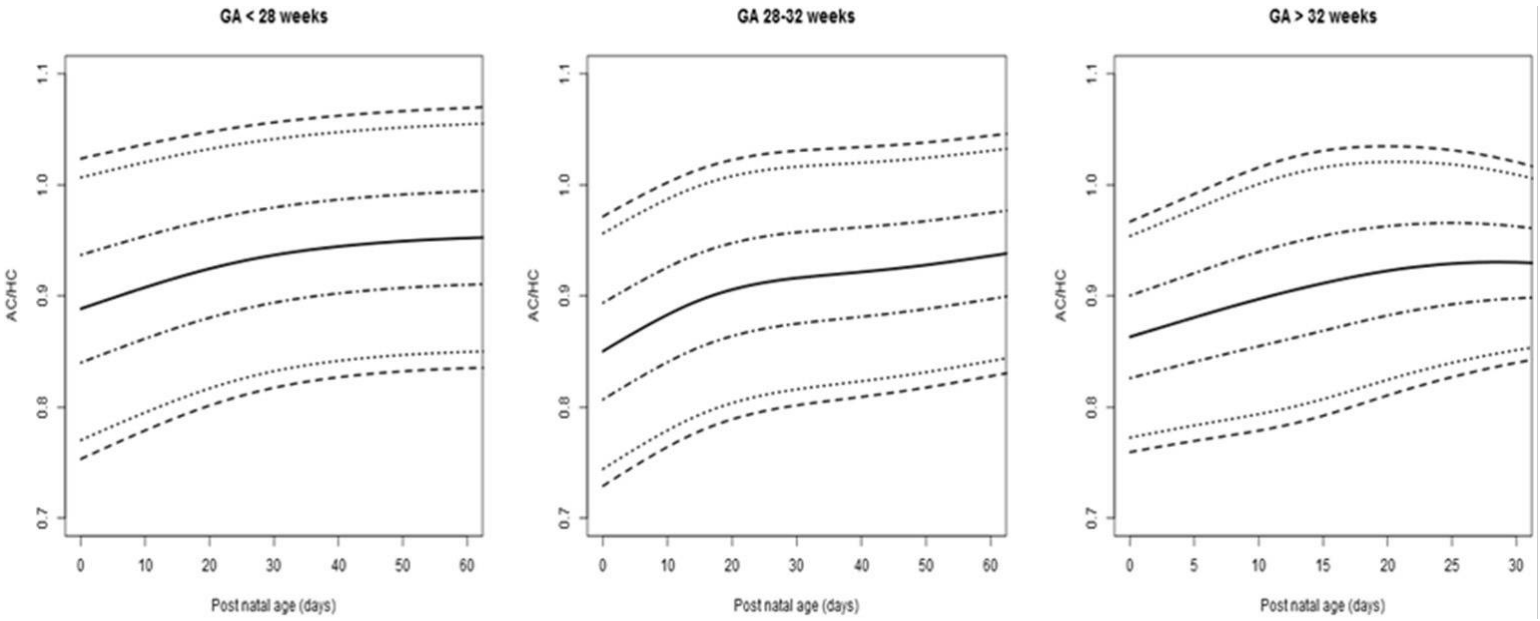
**MRN:**

NeoPT, LLC



Graph is from Setruk H, et al. Reference Values for Abdominal Circumference in Premature Infants. Front Pediatr. 2020 Feb 13;8:37. doi: 10.3389/fped.2020.00037

**DOB:** **Birth Weight:** **GA on CPAP:** **# days on CPAP:** **GA first oral feed:**

**GA @ Birth:** **Admission Support:** **GA treatment started:** **GA off CPAP:** **GA full oral feeds:**

| Date | AC/HC | Ratio | % | Respiratory Support | Diet | Notes: |
|---|---|---|---|---|---|---|
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |
| | | | | | | |

**AC** = Abdominal Circumference

**HC** = Head Circumference

**Ratio** is the result of dividing AC/HC

**%** is found from ploting on the graph
