Flight Feathers Ballet

SUMMER CAMPS & INTENSIVES 2026

These intensives are an opportunity for upper-level students to continue building and advancing their pointe/ballet technique over the summer. Offerings include daily technique and strengthening classes, working on classical variations, opportunities to learn from diverse guest instructors, and informative sessions to help elevate your dancers' health and wellness. These intensives help keep up the progress and momentum your dancer has been building over the year. We also are offering intensives with focuses on other dance styles!
