# 2026 VOTER GUIDE – GENERAL ELECTION

**Keep this voter Guide for all of your voting information!!**

**Whether you follow** in the footsteps of your parents when it comes to choosing a political party, the issues they prioritized with which we choose to align ourselves, or we are influenced by our peers, books written by political authorities, and yes, the media. Ultimately, we make our own decisions. Life forms us.

**You may belong** to a political party, but may lean toward support of the opposite party.

**Whatever your political affiliation,** here is a list of some philosophical differences and how the Democrats and Republicans view them. So, which are you?

**In Anne Arundel County,**

## 25,000 Republicans DID NOT VOTE

**in the 2024 election**

**Every Republican needs to vote** in the upcoming election because our candidates sometimes need from a handful, to a couple of thousand votes to win, especially in our local campaigns.
