MARE BREEDING CONDITION: Mare Owner represents and warrants that the mare is in

sound breeding condition and free from infection and disease. Any mare certified by the attending veterinarian not to be, in their opinion, in sound breeding condition, shall not be bred. Upon that determination, **Mare Owner** may substitute another mare within that breeding season for breeding to Stallion, subject to all the terms and conditions of this breeding contract. If the **Mare Owner** fails to rebreed the mare the subsequent breeding season, then any and all fees become forfeited, the right to rebreed is cancelled and the **Stallion Owner** is released from all further obligation of this contract unless otherwise agreed in writing .

know ahead of time and prior to collection), mares age, semen motility upon receipt, any other biological factors which may impede or be affected by these conditions.

EXECUTION: When Mare Owner signs and returns one copy of this contract to the Stallion Owner, along with the PAID booking fee it will be a binding contract on both parties, subject to the terms and conditions under Arizona Law.
