The Pairings

First round pairings are drawn at the state meeting in February. Times of second and third games approximate. They will begin as soon as possible after the completion of the preceding game. The schedule will be followed on dates specified unless postponed because of weather or other reasons. The tournament director will schedule the games in the order of their postponement. Every team plays every round. If three teams remain after game 12 & 13 a drawing will be held to see which teams play and which team draws a bye.
