Peninsula Committee Peninsula Hospital (PCCH) is an all-volunteer, non-profit organization that raises money for Children's Hospital Los Angeles (CHLA). Founded in 1957 when a group of women from the South Bay were asked to help generate funds for a new recovery unit at CHLA, PCCH has grown to more than 175 South Bay families who volunteer all year long with the shared goal of helping the kids who need it most. The committee sponsors the Portuguese Bend National Horse Show in early September, as well as the Seahorse Classic Golf Tournament in the spring. Over the past 68 years, PCCH has donated over 22 million dollars to CHLA. All funds raised will be in support of the Associates Chair in Pulmonology and Sleep Medicine and the Associates Chair in Ophthamology at Children's Hospital Los Angeles.

CHLA is dedicated to creating hope and building healthier futures for children. Founded in 1901, CHLA is one of the nation's leading pediatric academic medical centers and is acknowledged worldwide for its leadership in pediatric and adolescent health. The hospital relies on the generosity of the community to support its groundbreaking pediatric research and the complex care it provides for critically ill and injured children.
