Please bring

- ★ Water
- ★ Tennis shoes
- ★ Sunscreen
- ★ Swimsuit for after the meeting (optional)

Call for Committee Chairs

Are you interested becoming a leader? W.S.S.C.A.R. is looking for State Committee Chairs for the committees below. The Chair signs up for a specific committee and then helps to:

⇒ promote opportunities to local societies about how to do programs and projects related to that committee,

⇒ celebrate the work that societies and individuals are doing to carry out the programs and projects related to that committee, and

⇒ keep track of what local societies and leadership do related to that committee.

Descriptions about the committees are in the 2026-2027 National Program Packet, available on the N.S.C.A.R. website. The committees we want to focus on this year include:

- ★ **America 250**
- ★ **American Heroes**
- ★ **American History**
- ★ **Community Impact**
- ★ **Conservation**
- ★ **Indigenous History**
- ★ **Communications**
- ★ **Leadership**
