

Year Two (2026)

Welcome To Year TWO

Ray in the Morning Local Conversations

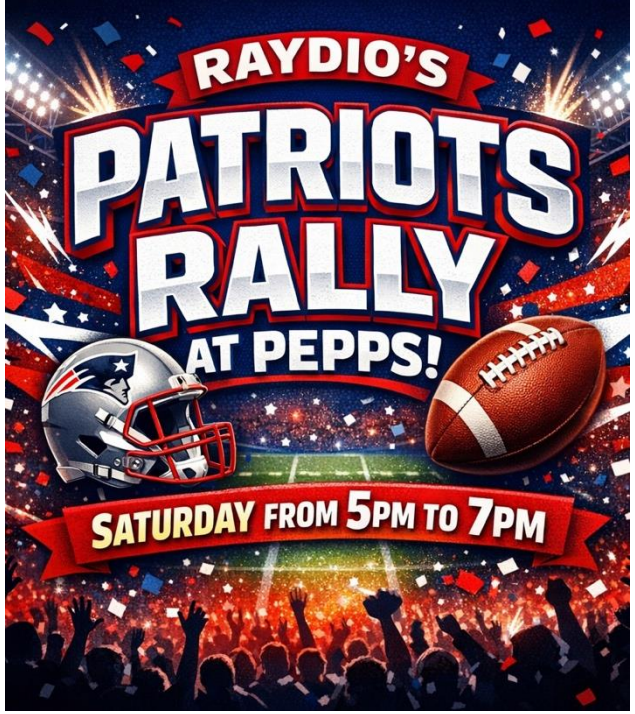
Ray in the Morning continues to be a strong connection point for the local community, bringing conversations with local guests into the studio weekday mornings from 6am to 9am. From weekly and monthly contributors to one-time special guests, Raydio keeps listeners connected to local businesses, organizations, events, and the people making a difference in the community.

Raydio’s Unlikely Valentine Contest

Raydio’s Unlikely Valentine celebrated the people who make life better in unexpected ways. Listeners nominated a coworker, neighbor, teacher, friend, local business, or everyday hero by sharing their story on air. One winner was selected to receive a local prize pack from PiNZ, Valley Pub, and Sweet Inspirations.

Super Bowl of Snacks Contest

Raydio's Super Bowl of Snacks was a two-week community contest where listeners voted for their favorite game day snacks to crown the ultimate champion. The grand prize included catering for 12 people for a Super Bowl party from Oliva's Market, Catering & Gourmet Gifts, plus a 43-inch "extra" TV to complete the ultimate game day setup.



Raydio's Patriots Pepp Rally

Raydio's Patriots Pep Rally at Pepperoncini's brought fans together before the Super Bowl for music, prizes, and plenty of team spirit. Raydio played rally music, gave away prizes, and helped get everyone fired up and ready for game day with a fun community kickoff.

Raydio's Rub You The Right Way

Raydio's Rub You The Right Way became a flavorful local favorite, created in partnership with Berry Hill Farm. This signature spice blend with a Caribbean flair was perfect for grilling and everyday cooking, with a portion of every sale supporting the Upton Food Pantry, making it a great way to season food and give back to the community.

Shop Small With Sam - PODCAST

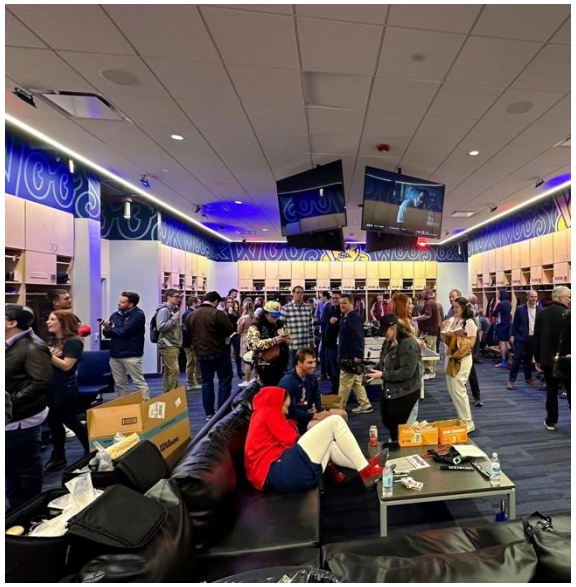
2026 welcomed the launch of Shop Small With Sam, a new Sunday morning show on Raydio dedicated to supporting local businesses, makers, and community entrepreneurs. The show highlights small shops, local vendors, and the people behind them, helping connect listeners with the businesses that make the community unique.

Fuel Up Friday

Fuel Up Friday is going strong as one of Raydio's favorite weekly community features. Every Friday, Raydio surprises a local workplace with coffee and muffins from Honey Dew Donuts on Prospect Street. Fueling the staff and spotlighting the hardworking people who keep the community moving.

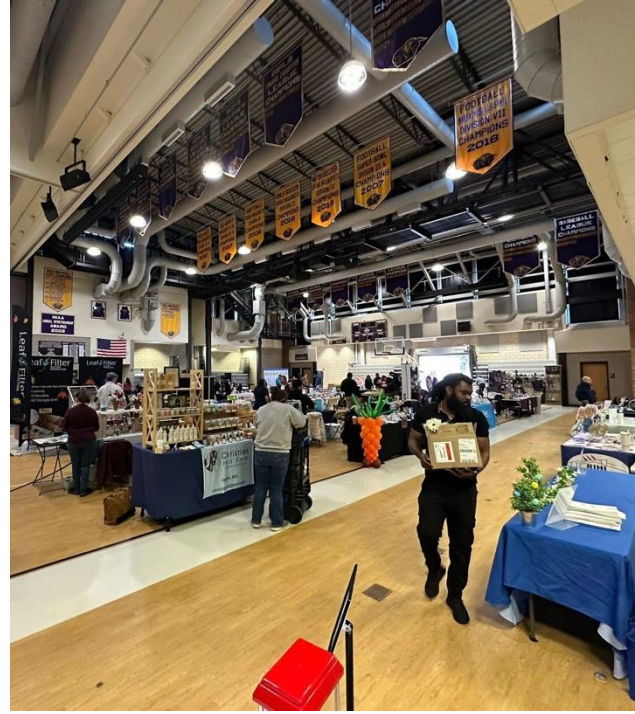
Raydio's St. Patrick's Day Treasure Hunt at Bernat Antiques was a fantastic experience!

On the Sunday before St. Patrick's Day, treasure hunters explored the hidden gems inside Bernat Antiques in Uxbridge, MA, searching for small pots of gold marked with "RAYDIO." Those who struck gold walked away with a $50 gift certificate to Bernat Antiques. It was a weekend full of fun, luck, and plenty of treasure!



WooSox Media Day at Polar Park

Raydio had the chance to attend WooSox Media Day at Polar Park, spending the day with players, media, and the team behind the scenes. It was a great opportunity to chat with players, gather content for listeners, and enjoy some ballpark hospitality, including lunch at the park.



Tri-County Regional Chamber Family Fest & Home Show

Raydio was proud to be part of the Tri-County Regional Chamber Family Fest & Home Show, bringing fun, games, and prizes to the event. It was a great day spent connecting with the community, meeting families, and hanging out with some of our favorite local businesses and partners.

Milford Humane Society Chocolate Festival

When the Milford Humane Society was looking for a little extra spark for their annual Chocolate Festival, Raydio stepped up to provide the entertainment. Raydio brought the energy, fun and community spirit to the event and was proud to support a great local cause while adding to one of the sweetest events of the year.

Marathon Monday at the Start Line

Once again, Raydio was at the start line on Marathon Monday alongside the John Warren Lodge, helping support the Hopkinton Masonic Benevolent Fund. This year, Raydio brought local sponsors to the event to help raise money for the fund, creating great visibility for local businesses while supporting an organization that helps local seniors and children in need. Back in the studio, we treated listeners to a full morning of commercial-free music that included shout outs to local runners.

Scenes From A Local Restaurant Podcast

Scenes From A Local Restaurant, airing Wednesday nights at 8pm on Raydio, continued to grow in 2026 by taking the show on the road. Raydio and Rich Cyr stepped it up and brought the conversations directly from the restaurant tables, recording on location. This highlighted local eateries, and giving listeners a true taste of the community.

SCAVENGER HUNT!
Juls

Love on the Rocks Boozy Bingo Nights

Love on the Rocks, Raydio's relationship show airing Friday nights at 10pm, brought the fun off the mic and into the community with a series of themed Boozy Bingo Nights throughout 2026. Each event gave fans a midweek night out filled with laughs, drinks, prizes, and plenty of entertaining chaos.

Tri-County Regional Chamber Involvement

In 2026, Ray was appointed to the Tri-County Regional Chamber, strengthening Raydio's connection to the local business community. As part of that involvement, Raydio helps promote chamber members, attends ribbon cuttings, and provides coverage that highlights new businesses, local growth, and community success stories.

Community Event Sponsorships & Raffle Baskets

Raydio proudly supports local community events through sponsorships and raffle basket donations that help bring people together. From the Hopedale Fairy Walk to Cub Scout pancake breakfasts and countless local fundraisers. Raydio stays involved by showing up, supporting the cause, and helping create memorable community moments.

Mother's Little Helper Mother's Day Contest

Raydio's Mother's Little Helper Mother's Day Contest added a little humor and a lot of fun to Mother's Day. Listeners submitted their funniest reasons why Mom "needs" wine for a chance to win a special prize for two at a California Uncorked wine class at Total Wine & More, giving local moms a well-deserved toast.

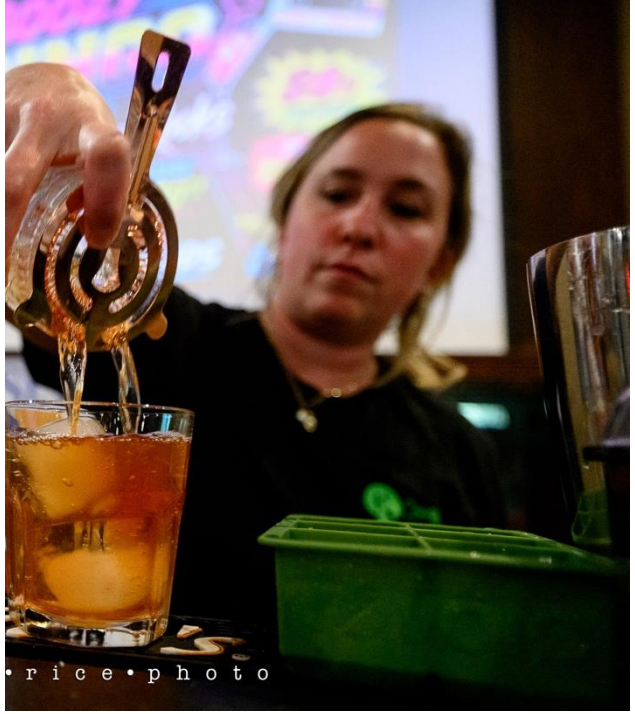
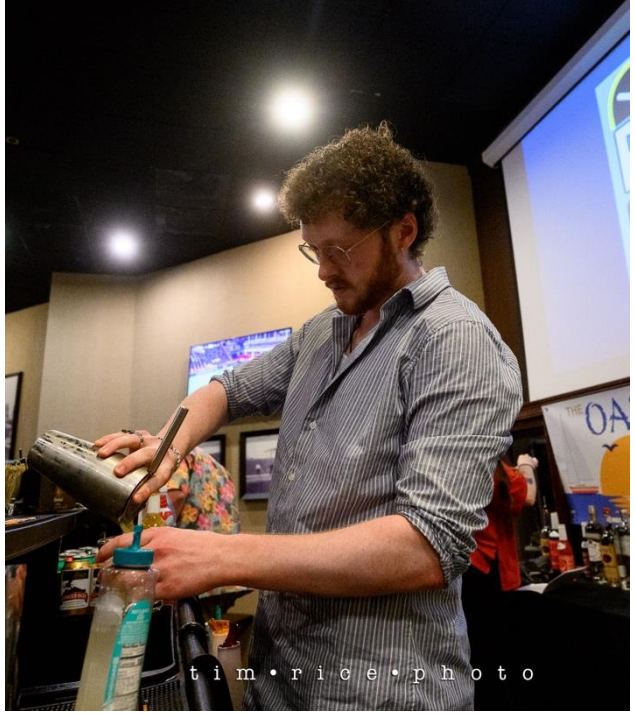
Raydio Teams Up With 140Arts Collaborative

Raydio recently teamed up with 140Arts Collaborative to help promote their new album club. Once a month, members from the club choose an album to feature then gather to discuss. Much like a book club for the ears.

This is just one example of how Raydio connects and works with local community initiatives.





Raydio's 2026 Battle of the Bartenders brought a packed house to Legends Sports Bar & Grille in Milford for a fun night of cocktails, competition, and community support. Five local bartenders competed in a series of entertaining challenges while helping raise money for 5-year-old Elina, who is awaiting a heart transplant at Boston Children's Hospital. Iris Bentley of Cornell's Irish Pub took home the championship title, but the biggest victory was the incredible $4,440 raised for Elina and other children supported through Radiate Positivity Initiative.

RAYDIO CARES

When Kelsie and her family had big issues with StubHub, her Dad reached out to Raydio for help. We put the word out and helped get her to the Ariana Grande concert, proving that you can't beat the power of local radio and community.

Check out the car her Dad build for the ride to the show! This was the surprise reveal party at Sweet Inspirations in Milford!

We don't just sound local. We live local.

Raydio was proud to be part of the Milford Youth Football & Cheer Annual Golf Tournament at Shining Rock Golf Club, supporting an organization dedicated to local youth athletics. The day was made even more special when Ray was honored with a ***Community Award*** *in recognition of his ongoing commitment to the local community. Another great opportunity for Raydio to connect with neighbors, celebrate community spirit, and support a wonderful cause!*

Raydio was proud to sponsor and attend the Holliston Community Action Fund fundraiser at Rushford & Sons, supporting an organization dedicated to helping local individuals and families in need. It was a wonderful opportunity to bring the community together, raise awareness for an important cause, and show once again that Raydio is committed to making a positive difference in the communities we serve.

Working with Raydio has been
enjoyable and impactful from day one.
We are incredibly grateful for our
partnership with them. Their support
and involvement in our community
have helped us connect with families,
residents, and local organizations in
such a meaningful way. Ray is
always there to support us!
We look forward to continuing
to work together.
