#ShadeOutDM member support group on facebook and the ShadeOutDM website is where people come to get guidance and find products to help them be able to take the very best care of their pup as possible.

RACE Sponsors are automatically listed on the on our virtual support platforms. While some Sponsorships do offer a "non-compete clause", we want to have every helpful product to be able to be available to a pup in need so at this time, requests will need to be submitted & requested individually.

Shade Out DM Foundation, Inc. appreciates having a good relationship with companies that have a passion for helping pups and strive to develop products that assist in providing better quality care for the handicapped pup.
