BRINGING "FUN" to "FUNctional"!

TREATMENT THROUGH ACCESS

Bring FUN to FUNctional through mobility, positioning, communication, and other access activities in an enriched natural setting.

Expand meaningful mobility opportunities to explore and interact — build on successful accomplishments personally and as a group.

Education, including expert advice and recommendations tailored to specific needs for those with complexities.

Technology Day 2026

MONDAY JUNE 15th OPEN TO CLINICIANS & FAMILIES!

MONDAY JUNE 15th 8am-5pm,
annual EQUIPMENT EXPO.

Various knowledgeable manufacturers and representatives are on-site to share expertise and provide opportunities for product exploration.

Clinical professionals are available to assist with individual product demonstrations and evaluations throughout the day—a variety of equipment and components will be available throughout the week.

OPEN TO CLINICIANS, CAREGIVERS, FAMILIES, and FRIENDS, etc… !

Experience the benefits of technology in a beautiful environment with family and friends..
