LIONS: Liberty, Intelligence, Our Nation's Safety

The Lions Prayer:

Where Lions meet, be present, Lord

To weld our hearts of one accord;

To do Thy will, Lord, make us strong,

To aid the weak and right the wrong.

The Lions Song:

Hail, Hail, the Lions are here!
Can't you hear them roaring?
Can't you hear them roaring?
Hail, Hail, the Lions are here!
Can't you hear them roaring now!!
(Roar!)

About Lions Clubs:

Lions are more than 1.4 million strong with 48,000 clubs...men and women...young and old. You will find us in more than 200 countries and geographic areas from the hinterlands of Australia and Brazil to thriving urban centers like New York City and Milan. We speak dozens of languages and vary in nature and customs.

We share common spirit. Since our beginning in 1917, we have been united in a single cause: helping those less fortunate. We are tackling the tough problems. Like blindness and drug abuse as well as diabetes awareness – and finding help and training for the deaf, disabled, underprivileged and the elderly. In fact, whatever the community needs to make life better...we're there to help.

With a new generation of enlightened members, Lions clubs are working smarter and faster with greater commitment than ever before.

We're the Lions...
"We Serve!"
