## Measuring

MEASURING and HEIGHT CARD INFORMATION: **Paula Ratoza is not a VMO.**
Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge **of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, then ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog ***before*** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. **Exhibitors should have jump height cards to present if requested.**

*** Dogs will be measured between classes ***
***AKC Covid Measuring Rules May Apply***

## Show Conditions and Timers

|---|---|---|
| Exhibitors may choose to enter their dog in a higher height division than required by AKC, but not in a height division lower than that mandated by AKC. | These jump heights must be used in all Preferred classes: | Owners are responsible for entering their dog in the proper height divisions. | 20" | 16" | 22" & under at withers |

## **Concerning Covid-19 and our Trial**

We are all ultimately concerned with your health & safety!

Ohio Governor Mike DeWine effective June 2, 2021 has lifted the mask mandate in Ohio for fully vaccinated individuals following new guidance from the Centers for Disease Control and Prevention. While unvaccinated residents are still being told to wear a mask, proof of vaccination is not required for going without a mask in Ohio.

However, due to the changing nature of Covid-19, the club(s) will follow whatever CDC and Ohio mandates/guidelines are in effect for the days of the trial. Please keep informed regarding these and watch for the secretary letter or emails for updates.

## Darkness to Light's Abuse Hotline

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone *or need help, please* ***call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.***

*2. With all the paperwork we handle, mistakes are inevitable. We send out both Preliminary Confirmations and Final Confirmations.* ***PLEASE read these and double check that all the information is correct.*** *Having to change Gate boards, scribe sheets & computer records the day of the trial is difficult.*

*3. Email Confirmations will be sent out to those listing a legible email address on the entry form. If you have not received an email, please inquire about your entry.*

*4. For Novice Exhibitors – please read the section on the move-up form or under Move-ups about when you need to change from Novice A to Novice B & read the section under classes to determine whether you should enter Novice A or Novice B level classes. You can find all Agility Trial Rules at https://images.akc.org/pdf/rulebooks/REAGIL.pdf*

*5. When filling out the entry form, there is a box to check if your dog does need a measurement. Often it is missed. Whether or not it is checked on the actual entry, it is the exhibitor's responsibility to get your dog measured at the trial if needed.*

*6. All dogs must be on leash except when in the ring, designated warm-up area or in their crate/X-pen.*

*7. All the trial information such as the running order, worker schedule, etc. can be found on our website, www.yabtc.com Click the "Trials and Run-Thrus" tab and the trial files will be listed on the righthand side under the appropriate trial dates.*

No entry fees will be refunded if the trial cannot open or be completed by reason of riot, civil disturbances, fire, an act of nature, public emergency, act of a public enemy, or any other causes beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a judge, or barred from competition by action of the Trial Committee. YABTC will refund all trial fees for bitches in season. YABTC will refund trial fees less $4.50 per run for dogs injured or ill, or for handlers injured or ill. In each case, the person making the claim must produce a veterinarian's or medical doctor's note on office letterhead dated before the trials begin or within one week after the trials finish to receive the refund. ## Class Changes Effective January 1, 2020

**Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend-Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and /or during a trial weekend. For example, the same dog may now be entered in Regular Fast and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20 -inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

**Fix and Go On (FNG)**

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the run.

**Entering For Exhibition Only (FEO)**

FEO allows exhibitors to work with their dogs in a trial environment. FEO is offered in ALL classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

- Dogs may be entered in any level of desired class (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.

- Food/treats are not allowed in the ring

- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time.

## INSTRUCTIONS

Handlers may opt to enter in a higher **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by *a* Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
