Ada County USBC Open Championship Tournament Rules

Bowling Center: All tournament competitions will be held at Westy's Garden Lanes in Garden City, Idaho.

1. **Eligibility:** The Ada County USBC Association Tournament is open to USBC members in good standing who hold a current 2026–2027 Ada County USBC membership card at the time of competition. A bowler who is not an Ada County USBC member must purchase a local membership card for $10 and complete the required membership application. Bowlers must present their USBC membership card to a tournament official when checking in for their first scheduled event.

2. Entry fees will not be refunded if a team or individual is found to have failed to comply with USBC eligibility requirements.

3. Multiple Participation: Entrants may participate more than once; however, each bowler may receive only one cash prize. If a bowler places more than once, the bowler will receive only the highest applicable payout.

4. Handicap: Handicaps for each event will be calculated at 90% of the difference between the bowler's entering average and 240.

5. Prize Fund: The prize fund will be distributed at a minimum ratio of one prize for every 10 entries.

6. Entering Average: Bowlers must use their highest certified league average based on 21 or more games from the 2025–2026 season. If no qualifying 2025–2026 average is available, the bowler must use their highest current certified average based on 21 or more games as of 12:01 a.m. on January 1, 2027.

    - If a bowler does not have a qualifying 21-game average by January 1, 2027, but completes at least 21 games by the tournament entry deadline, the Tournament Director may approve the use of that average. If none of these conditions apply, the bowler must compete at scratch. Entrants must bowl with the same hand used to establish the entering average submitted for the tournament.

7. Average Verification: Each bowler is responsible for verifying the accuracy of their submitted average. Corrections must be made before the completion of the first game of the series. If the submitted average is lower than the correct average, the bowler's score will be disqualified. If the submitted average is higher than the correct average, prize winnings will be based on the submitted average. See USBC Rule 319a.

8. Rerated Averages: Any bowler whose average has been rerated must use the rerated average and report all required information in accordance with USBC Rule 319c. An entrant's average may also be subject to rerating if either of the following occurred during the 12 months immediately preceding the tournament:

    - If the bowler qualified for a prize of $300 or more in any tournament event, the bowler must report all applicable prizes, actual scores, and finishing positions in accordance with USBC tournament rules. See USBC Rule 319d for details.

    - If the bowler's tournament average exceeded their league average by the amount specified in USBC Rule 319e, the bowler must submit the required information to the Tournament Director for adjustment under the Rule 319e rerating formula. See the current USBC rulebook for details.

    Failure to comply with these requirements may result in disqualification and possible suspension of USBC membership.

9. Tournament Director's Authority to Rerate: The Tournament Director reserves the right to rerate any entrant before competition for reasons other than those stated above. If an entrant refuses to accept the rerated average, the entrant's entry fee will be refunded. An entrant may appeal a rerating to USBC within 15 days of the date bowled or before prizes are paid, whichever occurs first.

10. Practice: Entrants may not practice on their assigned tournament lanes before competition begins.

11. Check-In: Bowlers must report to the tournament office at least 30 minutes before their scheduled bowling time and present their USBC membership card. By signing the entry application, the entrant agrees to comply with all rules and regulations governing the Ada County USBC Association Tournament.

12. Dress Code: Each bowler is responsible for complying with the Ada County USBC dress code. Permitted attire includes:

    - Collared shirts

    - Long pants or slacks

    - Dress shorts that are not torn, tattered, or ragged

    - T-shirts displaying a sponsor's name or logo

    - PBA-style or bowling-ball-manufacturer mock shirts

Tank tops, short shorts, and torn, tattered, or otherwise inappropriate attire are prohibited. Failure to comply with the dress code may result in disqualification.
