RECOMMENDED APPLICATIONS

The Novellus Homestead Collection is ideal for residential and light commercial interior spaces, including living rooms, bedrooms, dining areas, hallways, and open floor plans. Its timeless design and durable construction bring natural warmth and elegance to any room.

CARE & MAINTENANCE

Keep your hardwood floors looking beautiful for years to come with simple care. Regularly sweep or vacuum with a soft brush to remove dirt and debris. Clean with a hardwood floor cleaner and a lightly damp mop as needed. Avoid excessive water, harsh chemicals, and abrasive tools to protect the natural beauty and finish of your floors.
