HIGH SCHOOL ATHLETIC PROGRAM 2026-2027

Message from the AD, Teaching Life Skills through Athletics

At AHS we offer a wide variety of extra-curricular athletic activities. Our purpose in providing so many opportunities is to give all of our students a chance to participate in some capacity. We believe that the sports arena is an extension of the classroom that adds an important element to a holistic education. Our coaches and staff are committed to developing the whole person. While they are involved in our programs, we will help our student-athletes learn valuable lessons that can be applied throughout their lives. We will strive to be part of the team of family members, educators, and community that assist our young people to achieve their dreams as healthy, happy, productive adults. We will work hard, play hard, and have fun as we come together to reach our full potential.

We thank the citizens of Ashland for their unparalleled belief in our programs and your support is felt throughout school and community!

Jason D. Goings, M.Ed.
Athletic Director/Assistant Principal • Ashland High School

From the Principal

Welcome to Community Stadium and the start of the 2026-27 sports season!

The Ashland City School athletic program is steeped in tradition. Many of you share with our athletes the experience of competing on these fields and courts. This makes competing something extra special for our young Arrows. Thank you for all of the support you provide partnering in our mission of helping all students build the skills they need to be successful contributing members of our community. GO ARROWS!! A SPECIAL ARROW SALUTE TO . . .

Landen Cooke

Landen Cooke is the son of Tanya and Carey Cooke. Landen was an important contributor for the Arrows last year. He had a very productive 2025 season on the field and has been one of our most dedicated and hardest workers in the weight room this offseason. He also put in extra time working on position specific drills. Landen's hard work and dedication over the years has led to him being one of our team leaders. Landen also has participated in track and basketball during the school year. He likes to be outdoors and he enjoys spending time with his friends. Landen's future plans include attending Caterpillar School to study Diesel Technician and eventually start his own business in the trucking industry. The Arrows will need Landen to continue his production on the field for them to successfully end the 2026 season.

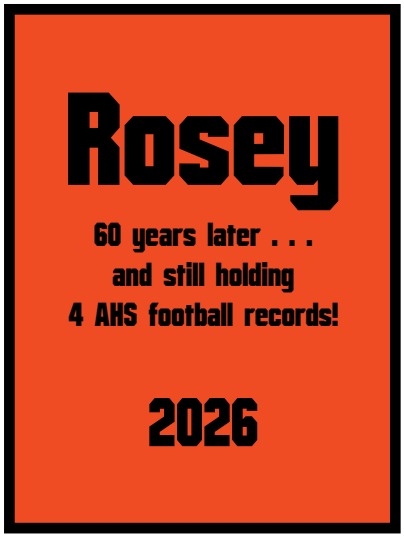
Originally, this large plaque memorializing Rosey's amazing accomplishment was placed to the right of the scoreboard in Community Stadium. In July of 2020, the AHS Class of ´66 moved it to Rosey's Memorial Hall in the Keith Wygant Memorial Field House.



As of the end of the 2025 football season, his four records were still standing—after sixty years. That called for a new smaller plaque to be added to the hall.
