VENUE HOSTING

The venue hosting is for the space and its amenities: exclusive use of the venue for three hours, with tables, chairs, high-tops, lounge seating, candles, setup, breakdown, on-site management, and cleaning. The venue is closed to the public during your event unless otherwise agreed. Pricing starts at:

10 to 19 guests	**150**
20 to 39 guests	**250**
40 to 69 guests	**500**
70 to 99 guests	**750**
100 to 120 guests	**1,000**

A deposit equal to that amount reserves your date, and all payments are non-refundable. Hosting and beverage packages cover a three hour event, and events running longer are subject to additional charges. Groups larger than 120 are quoted at booking.

CATERING & STAFFING

Catering is built around your menu and guest count. The catering service charge helps cover the kitchen, bar, and event staff, along with the operational costs of your event. Bar and service attendants are added on top, by the hour. Additional gratuity is optional and never expected.
