2026 PHOTO DAY

SATURDAY 14TH / SUNDAY 15TH
NOVEMBER @ THE STUDIO

We are very excited to be having our photo day to allow all our students to get professional photos, both individual and with their group, in their concert costumes. All students will take a group photo and an individual photo per costume they have for the concert and then parents have the option for which they would like to purchase at a later date. All students will receive 1 x group photo as part of their concert pack. All other photos can be purchased via a link and password that will be emailed later.

To ensure the photo day can run smoothly and everyone gets amazing photos taken we will need to follow a strict timetable. This allows enough time per age group to get their photos done. Please ensure you arrive on time to avoid missing out on your designated time slot. No photos will be taken outside of this schedule.

For our preschoolers, minis, 5/u, 6/u, 8/u & 10/u students ONLY, *one parent* will be allowed to assist their child with getting changed ect. If your child only has one dance/costume, so doesn't need any help getting changed, they are to be dropped off and picked up after their time slot. We will have lots of teachers & helpers there on the day to assist all students.

All juniors & teens and older troupe students will be able to dress themselves on the day so all parents are to drop off at the front door and pick up at the end of their time slot.

No parents will be allowed inside Studio 1 - where the photos are being taken - as it can be a distraction to the students and the photographer. If your child becomes upset a teacher will go and get you from the designated changing area if needed to be with your child.

We will also be having a BBQ all weekend for our families to purachse while they are waiting.

START TIMES & FINISH TIMES: (this is the time the photos will be taken, not your arrival time)
Please can all students arrive **at least 15minutes** prior to their first photo time slot. They must be dressed in their first costume with hair and makeup done. Please double check photo time slots below for your child's class and please do not be late.
