WV Statewide Independent Living Council's Annual Freedom Car Show

October 3, 2026
Slack Plaza

2026 FREEDOM CAR, TRUCK & BIKE SHOW

At the Freedom Car Show, you'll discover a remarkable collection of vehicles that have been thoughtfully designed and adapted to meet the diverse needs of individuals with disabilities. From modified controls and specialized seating to state-of-the-art assistive technologies, each car on display embodies the spirit of empowerment and independence. But this exhibition is more than just a display of vehicles. It's a celebration of the remarkable ingenuity and creativity of engineers, designers, and innovators who have dedicated themselves to making the joy of driving accessible to all and we want everyone there. All car, truck and bike enthusiasts' are welcome! If it's unique or unusual we want to see it.

ALL PROCEEDS SUPPORT THE WV INDEPENDENCE NETWORK

The WV Independence Network (WIN) is a network of partners (Centers for Independent Living) that provide services, resources, and advocacy to maximize the independence of individuals with disabilities.

All proceeds generated from the Freedom Car Show will go directly to the Community Living Services Program (CLSP) managed by WIN. CLSP is a statewide program that purchases assistive devices, durable medical equipment, home modifications, wheelchair ramps and vehicle modifications for economically eligible individuals with disabilities. CLSP services help West Virginians with disabilities remain in or return to their homes and communities by enabling them to function more independently, making WV a better place to live, work, and play for people with disabilities.

The Freedom Car Show Sponsorship/Donation Package is included for your review and consideration. Your tax-deductible sponsorship/donation will help bring independence to people with disabilities by providing the necessary equipment needed for accessible transportation and housing. Together, let's celebrate the freedom and independence that comes from finding the perfect ride tailored to individual needs.

Thank you to our sponsors, participants, and patrons for helping us accomplish this goal.
