The Rx Valet Pharmacy Solution

Consumers can save up to 90% on generic or brand prescription medications with Rx Valet.

The value of Rx Valet is delivered through it's mission to offer deeply discounted prescription drugs and diabetic testing supplies.

Rx Valet shops and compares all national drug retailers and on-line services to scout low price options.

By cutting out the middleman, Rx Valet sells directly to the consumer guaranteeing consistent prices that may be lower than their current co-pay. Rx Valet requires no monthly fees or sign up costs.

With more than 60,000 retail drugstores nationwide plus home delivery services, Rx Valet makes saving money on high cost medications easy.
