What Is On My Ballot?

Empowering Voters

San Angelo Gives - Early Giving BEGINS!

April marked an exciting milestone for What Is On My Ballot as **early giving for San Angelo Gives** officially began! As a newly recognized 501(c)(3) nonpartisan voter advocacy nonprofit, our organization is dedicated to promoting voter education, encouraging civic participation, and helping individuals become more informed about the democratic process. Participating in San Angelo Gives provided us with an opportunity to share our mission with the community and invite others to become part of our efforts to make voter information more accessible.

About the Program

SAN ANGELO Gives

San Angelo Gives is an important opportunity for local nonprofit organizations to connect with supporters, raise awareness about their work, and receive financial contributions that help sustain their missions. For What Is On My Ballot, this campaign represents more than a fundraising opportunity. It is a chance to introduce more people to our vision of a society in which voters have access to the information they need to participate confidently in elections and understand the issues that affect their communities.
