Empowering Voters

San Angelo Gives ENDS - $1,425 Raised!

We are excited to share an important update with our supporters: **San Angelo Gives has officially concluded, and What Is On My Ballot raised $1,425** through the campaign! We are incredibly grateful to everyone who contributed to this effort and helped us take another step forward in supporting voter education and civic engagement.

What Is On My Ballot is committed to helping voters become more informed about elections and encouraging them to participate in the democratic process.

The support we received during San Angelo Gives is very meaningful because it helps bring attention to a mission that we believe is essential to strong and engaged communities!

The Future

The conclusion of San Angelo Gives does not mark the end of our efforts. Instead, it provides us with renewed motivation to continue developing our organization, preparing future initiatives, and exploring ways to reach more people with our message.

We look forward to building on this momentum and sharing more about our progress in the months ahead. Together, we can continue encouraging people to learn, participate, and make their voices heard.
