Pam Schott

When I was 7 years old, my mom (now 101), came up with an idea to host a little family golf tournament (see link to Golf Digest article below). Though I didn't play in the tourney until I was 16 years old, I am the only person who has attended all 72 tourneys (probably because I organized about 45 of them ☺). When my parents divorced in 1967, it was a given that I'd take over the organizing. I had just graduated from San Diego State with a major in Recreation Administration, a passion for organizing special events, and was a newlywed (Roy and I are going on 60 years). Roy joined the tourney in 1964.

We have 3 daughters (twins born one month after graduation from SDSU), one of whom took over the tourney 10 years ago. All of our close family play golf, at least once a year. That includes 3 daughters, 3 granddaughters (17, 20, & 23), 3 sons-in-law, sister, brother, and one of Roy's brothers (oldest player this year at 88).

I've been a member of Twin Oaks for over 15 years and The Vineyard for 1 year. When not playing golf, I enjoy Mahjong (a humbled beginner), several daily archival Wordles, watching Padre and Charger games, and building birdhouses out of 99% repurposed materials including old wood. I'm always "junking" by frequently going to garage sales and thrift stores searching for "theme" items and rusty junk for each birdhouse. Being the "go-to" sibling for my mom's frequent needs is my biggest challenge these days (besides putting ☺)
