Take I-10 west to exit 258, turn left (South) and go 5.1 miles. Turn right onto Tower Rd, go 2.1 miles. (You will go through a gate, you will have to open it- pull through and close it behind you. It is NEVER locked). My directions below will place you at County Line Rd, West Boundary Rd and Max Rd. (I have this marked in blue on the Max tract highlighted map.)

At the end of Tower Rd you will turn *left* and go 3.7 miles and make a right onto County Line Rd and go 5.5 miles. This will place you at the blue spot on the map.
