Thank you for contacting One Up Automotive regarding the engineering of your 4wd.

Please note the information below must be emailed to info@oneupautomotive.com.au before booking in your vehicle.

Once these details have been received, we will then be able to inform you of any minor modifications that may be necessary to bring the vehicle up to engineering standards. Once these standards have been satisfied, we will advise of the available dates for a detailed vehicle inspection to be carried out.

All bookings will require a 50% up front deposit to secure the booking and carry out the detailed vehicle inspection. This is A NON-REFUNDABLE DEPOSIT WE DO NOT REFUND IF YOU CHANGE YOUR MIND on engineering the vehicle.

4WD ENGINEERING CHECK LIST:

- Photos of the Vehicle: Front, Rear, Left-Hand Side, Right-Hand Side & Complete
- Photo of the Vehicle Compliance Plate
- Photo of the Vehicle Build Plate
- Photo of the Vehicle Tire Placard
- Photo of the Head Light Height measured from the Ground to the Top of Headlight Lenses
- Photos of the Tire Sidewall Showing Size and All Other Manufacturer Markings
- Detailed list of Suspension modifications to the Vehicle
- Detailed list of Body modifications to the Vehicle
- Detailed list of Intake & Exhaust modifications to the Vehicle
- Detailed list of Wheel & Tire modifications to the Vehicle
- Detailed list of Exterior Accessories fitted to the Vehicle

If there are any questions relating to information required, please to not hesitate to contact us.

All VSC (Vehicle Stability Control) equipped & Lifted vehicles will require mandatory track testing to ensure the Stability & Braking systems have not been affected by the modifications carried out.

Regards
One Up Automotive
