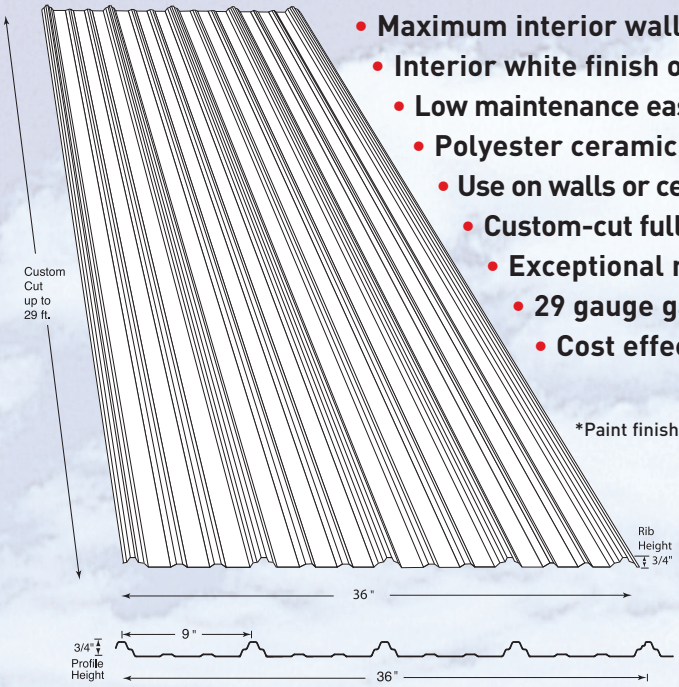
Summit

INTERIOR WALL PANEL
Industrial / Residential

The flexibility and durability of Steel Tile's Summit wall panel creates a crisp and seamless appearance to any interior wall or ceiling project. The thirty six inch wide panel allows for exceptional rigidity and superior coverage. Perfect for a home garage or light industrial interior shops. Summit wall panels can be ordered in custom lengths and are an affordable long lasting feature that most contractors / do-it-yourselfers can manage. Available in a bright white polyester paint finish only with matching trims and fasteners.



- **Maximum interior wall coverage**
- **Interior white finish only***
- **Low maintenance easy to clean**
- **Polyester ceramic paint finish**
- **Use on walls or ceilings**
- **Custom-cut full-length sheets**
- **Exceptional rigidity**
- **29 gauge galvalume**
- **Cost effective**

*Paint finish not suitable for exterior use

Steel Tile manufactures a solid line of roofing tiles and accessories that are durable, stylish, cost-efficient and virtually leak-proof.

Home and cottage owners, institutions, builders and architects have all discovered the long-lasting Steel Tile advantage.
