**There are no age requirements for BLS or HeartSaver courses, but all students must successfully complete all skills and written exam requirements.*

BLS Provider

- Formerly referred to as BLS for the Healthcare Provider.
- Complete course, can be used for initial or renewal certifications.
- Instructor led course, approximately 3-4 hours.
- Students must complete a skills evaluation and written exam with 84% or higher.
- Course completion card is valid for two years.

BLS Renewal

- Students must have a current BLS Provider certification through the AHA to attend.
    - Certification must be current and not expired.
    - Copy of the certification must be attached with paperwork.
- Instructor led course, approximately 1.5-2 hours.
- Students must complete a skills evaluation and written exam with 84% or higher.
- Course completion card is valid for two years.

HeartCode BLS

- Hybrid course, approximately 2.5 hours online, approximate 75 minutes in person.
- Students must complete the online portion prior to attending a skills session.
    - Online portion can be purchased at https://shopcpr.heart.org/heartcode-bls
    - Online portion must be within 60 days of the skills session.
    - Course completion certificates for the online portion must be attached with paperwork.
    - eCard must match the name on the course completion certificate.
- Written exam is included in the online portion and is not completed during the skills practice session.
- Students will be allowed time to practice skills and then complete skills evaluation.
- Course completion card is valid for two years.
- Equivalent to BLS Provider certification and is issued BLS Provider card.

HeartSaver CPR AED

- Includes CPR/AED use for Adults. Children, Infants, First Aid are additional modules.
- Mouth-to-mouth is practiced skill, no BVM use for HeartSaver.
- 30:2 Compression to breath ratio for all ages, regardless of number of rescuers.
- Students must complete a skills evaluation.
- Written exam optional. If provided, students must pass with an 84% or higher.
- Course completion card is valid for two years.
