LIMITED EDITION - RARE WHISKEYS

CLUB CHOICE #3 CASK STRENGTH BOURBON

118.6 proof ▪ $89.95/750ml ▪ $30.00/200ml

A blend of 7 yr, 295-day-old milestone barrel 100 and the bottom of the 10 yr old lost barrel 22, which came in at 140.4 proof and packed with concentrated rye bourbon flavor. The two barrels combine to create a fantastic vanilla caramel nose; anise, rich rye, and classic bourbon on the palate; and a tremendous mouthfeel. Very warm, medium finish. Start small with at least 3 sips of this powerhouse bourbon and try it with a couple drops of water. Not for whiskey lightweights.

LUCKY NO. 7 CORN WHISKEY
