In Loving Memory of Georgia Dahlberg, Model Railroader and Engineer

Georgia Dahlberg, a longtime member of Cincinnati Division 7 of the National Model Railroad Association (NMRA), passed away on September 28, 2026, at the age of 85.

Georgia proudly served in the United States Army from 1964 to 1966, followed by 12 years in the Army Reserves. She joined the NMRA in 2005 and earned the distinguished honor of becoming Master Model Railroader #472, a testament to her dedication, skill, and passion for the hobby.

A graduate of Norwich University, Georgia went on to build a distinguished career as a consulting civil engineer specializing in advanced finite element analysis (FEA), forensic engineering, and structural code compliance. Through her expertise and dedication, Georgia helped make critical infrastructure safer for countless people.

Born to the late George and Yvonne Dahlberg, Georgia is survived by her son, Mattheus, of San Francisco, and her daughter, Natasha Dahlberg, of New Zealand. She also leaves behind her sisters, Joyce Dahlberg and Janine Dahlberg King; nephews David Hayden and Michael King; nieces Justine Sutton and Emily Vieira; many great-nieces and great-nephews, dear friends Dennis and Marcella (Marti) Byrne, countless friends in the community, and many more. A Life Well Lived

Georgia was a remarkable person who made friends wherever she went. Whether spending time with her beloved canine companion, Flicka, pursuing her interests, or sharing stories and laughter with others, she had a special way of brightening a room with her warm personality and wonderful smile.

Her accomplishments extended far beyond her professional career. She was a person of faith, a devoted friend, and someone whose talents and kindness touched many lives. Her love of Jesus brought meaning and purpose to her life, and her faith offers comfort to those who mourn her passing.

Georgia's legacy lives on through the work she accomplished, the friendships she cherished, and the countless memories she created with those fortunate enough to know her. She will be remembered not only for her remarkable achievements but also for the warmth, laughter, and joy she brought into the lives of others.

Georgia will be deeply missed by many, but she will never be forgotten. May she rest in peace until we meet again.
