Lorenzo Kunze, Sr

Medical Aesthetic Practitioner – Inventor - Educator – Visionary

"My original intention 45 years ago was to combine aesthetics and medicine with cutting-edge technology.
- This vision in my career has been realized." -

Since 1971, I have treated clients, trained professionals, and learned new techniques. I volunteer as an independent educator and consultant for ***InkLESS Tattoo Removal*** *and* ***MarLō Advanced Skin Care*** *in Lakewood, Colorado.*

With over 40 years of experience, I've worked with aesthetic medical equipment including lasers (skin regeneration, hair, tattoo and hair reduction), plasma (fibroblast), micro-needling, PRP, IPL/BBL, and RF.

As a true pioneer in the aesthetic / medical laser field, here are a few of my accomplishments:"

- "Fellow" of the American Society for Laser Medicine & Surgery
- World Renown Mentor" - InkLESS Tattoo Removal – voted best aesthetic technology 2024
- Founded the world's 1st medical aesthetic laser college (Private Occupational Schools –
  - State certified programs: Aesthetic/Medical Lasers, Electrolysis, Micropigmentation
  - Weekly CEU seminars to over 15,000 (+) worldwide professionals via on-line
- Owned or managed 30+ Clinics nationwide (4 locations in Colorado)
- Certified Medical Educator (Department of Higher Education) – Medical Lasers
- Certified Aesthetic Educator (Private Occupational Schools) – Electrology and Lasers
- Operating Room (OR) privileges at several CO medical hospitals as a non-medical professional
- Worked with top medical physicians "KOL " (world-wide) over the past 45+ years
- One of the 1st in the U.S. to utilize lasers for permanent hair reduction – 1990's
- 3rd generation Electrologist, working in family electrolysis business since 1971
- Purchased over 150 lasers for hair/vein/tattoo and skin procedures via 30+ clinics in US
- Providing independent aesthetic procedures within medical practices such as: Electrology, Aesthetic Medicine, Dermatology, Plastic Surgery, Endocrinology, Plasmatology

Assisted in developing equipment and protocols for machines such as:

- Candela / Cynosure Protocols/Procedures for laser tattoo/hair removal equipment
- ThermoLo – ThermoCLEAR – (Class 1 -Low/High/Super-High Radio Frequency
- Chromos Fractional CO_2 (Class 2 - Medical Modified Fractional CO2)
- Nano Plasma (Class 1 Plasma Pen)

Educator and Consultant for top laser companies such as:

- Quanta
- Candela
- Cynosure
- Quanta
- Helios / Monarch
- Cutera
- Siton
- Deka
- Lumenis
- Aerolase
- Palomar
- Alma
- Coherent
- Lutronic
- Fotana
- Hoya Conbio

Lorenzo Kunze, Sr

Medical Aesthetic Practitioner – Inventor - Educator – Visionary

Objectives:
Learning new procedures and being properly trained on the newest technology and equipment for Anti-aging and Skin ReGENeration procedures is my #1 objective and priority. This includes tattoo, hair, vein and epidermal imperfection treatments. Patients recognize the psychological and physical rewards that are now being produced from advanced skin care aesthetic and medical procedures.

My lifetime objective is to… live life to its' very fullest with an equal balance in my family, my beliefs and my works (because of my imperfections...they are not always in that order)!
