Introducing the Northeast's top-tier manufacturer of waste handling equipment! Though our name is fresh, we bring over 50 years of unparalleled experience in the waste industry. Trust us to deliver cutting-edge solutions infused with a legacy of expertise.

Built for Real Work.

Elite Containers delivers industrial-grade roll-off containers engineered for durability, safety, and long service life. Though our name is new, our team brings decades of experience in waste equipment manufacturing. We use high-strength steel, proven designs, and consistent quality control to produce containers that perform on construction sites, transfer stations, cleanouts, and industrial applications.

We put our best effort in every build.
