Introduction

Welcome to ***Steve's Super Secret Solutions*** (SSSS). Since mid 2023, God has led me to more important Mysteries than I can count. In January 2025, I discovered the Elder and Juan Diego badges. And quickly Mysteries and revelations began coming almost too fast keep up with. In May 2025, I released *Steve's Top-Secret Notebook* (STSN), which started out as an open, updatable notebook, where I could quickly publish new ideas or new revelations I found in various sacred Artworks. But by November 2026, the Notebook had evolved into a structured chapter book. So, *Steve's Super Secret Solutions* is now intended to fulfill the Notebook's original design: an open, updatable log.

Between July 2023 and August 2026, I released a dozen or more books and mini-books related to Revelation, God and Jesus, and Their works and sacred Artworks. These works and Works are sure to come up in this book of solutions.

This log was first published about a month before the date that I predicted the Two Hour War (2HW) would occur. When you have time, please see ***THE TWO HOUR WAR: Date & Time***, and/or ***The Revelation Two Hour War Date & Time Codes*** –featuring more than 90 2HW date & time codes, including the dragon codes below, and three Line 5 *One Hour War* codes, including the Chapter 2 *Satan* code, to the right.

Dragon Rising

(pages 1 to 20)

An artificial intelligence produced representation of Satan's original home world.

In 2025, in *Steve's Top Secret Notebook* (STSN), and *The Wagers*, I disclosed that God sent Satan to Earth to accelerate human technological evolution and reduce a terrible and long period of human suffering. If you've read STSN, you know God revealed much more than this –but this was pretty incredible. However, recently I unearthed revelations that may not surpass that disclosure, broadly, but may far surpass it in *wonder*, as God reveals amazing details about Satan's past.

Among the details about Satan-s past, which God concealed in Revelation and a few Old Testament Books, are:

1. The approximate year that God banished Satan to Earth (hint: it was over 10,000 years ago);
2. The name of Satan's home planet –where he was originally born;
3. Satan's true full name (including his last name);
4. More details about God's Wagers with Satan.

   And more.

The thing to understand about some of these new *illuminations* is that many of them differ from prior revelations/solutions I've released over the past few years, in that some of the revelations appear to be ***confirmation revelations/solutions.***

The Book of Revelation was written as part of an ancient series of Wagers, between God and Satan. Satan Wagered something like: God could not write a book of Prophecy that no one could solve for over 1,900 years, except the single person that God predicted would solve it (me). God took the bet. AND He allowed Satan to take harmful action against me, to try to stop me. But…

The problem with all of this is:

MYSTERY QUESTION: Most of Revelation's mysteries were beyond Satan's ability to solve. So how could Satan be sure God's solver had solved the Mysteries, and not just produced pages upon pages of double-talk?

SOLUTION: The solution was to include a couple Mysteries that only Satan, God and Jesus knew the answer to (Jesus officiates the Wagers). **These are the confirmation solutions.** Thus, God and Satan agreed that a couple Mysteries would concern Satan's past life, as *Lucifer*, long ago, on a planet that may no longer exist. To further confirm the solution, God also required that Satan produce a visual confirmation statement, concerning his past life, on his original home planet.

Satan's Origin Year

A few places in the Old Testament reveal details about Satan's prior life in Heaven. But outside of the *Candelaria Likeness*[1], the only place to find any details about Satan's past life is concealed in the Book of Revelation's text.

The first three chapters of Revelation are special purpose chapters, containing Mysteries, like the other chapters, but their larger purposes concern important *timeline* revelations, AND revealing the date and time of the Two Hour War. In Revelation, Satan is referred to by four different names/phrases: *Satan*, *the Devil*, *the Serpent*, and *the Dragon*. Satan is also referred to without a name.

Satan is first referred to without a name in Chapter 6: the unnamed rider on the fiery red horse, at 6:4. In the configuration of Chapter 6, Jesus is the first rider, on the white horse; then Satan; Anubis is the third rider,[2] on the black horse; Death and Hades are fourth and fifth, on the pale horse. In this arrangement, God did several things, including rank the power of one God (Jesus), and various demons and entities He has sent to Earth (although Jesus has free will, while the others may have been exiled to Earth). [I should point out: as the co-creator of the universe, Jesus' is infinitely more powerful than the other entities in this passage.] In this arrangement, God indicates Satan is very, very powerful,[3] but God also

Anubis

[1] The *Candelaria Likeness* is a sacred Work of art, created by God and desecrated by Satan.

[2] Over the past couple of years, God has revealed some false gods bare some admirable parallels to God (such as the Aztec's sun god, and god of war, Huitzilopochtli), which God seems fine with, if the Gods are virtuous and produce virtuous people. God has also revealed that some peoples' false gods, such as Hades, are based on real demons. It's not clear if Anubis is a respected or tolerated false god, or a false god who is based on a real demon. Due to the West's falsification of other nation's histories as a tactic in Satan's War on God, I believe Anubis may have been included in the horsemen to indicate that the West has falsified Egyptian history, and there ancient gods may be thousands of years older than previously believed.

[3] In *Line 5: The Hands That Rocked Time*, I reviewed Old and New Testament *Unveilings* concerning Satan's power acquisition. God did not confer Satan's powers upon him all at once. Satan had to earn them, primarily through Wagers .

reveals He has sent other powerful evil or demonic entities to Earth. This is confirmed in other passages in Revelation, such as 20:13 and 14, where Hades and Death surrender to God the dead souls that are in them (we know Hades and Death are evil entities because they are cast into the Lake of Fire in 20:14). All of this informs us that when Satan is soon removed from Earth for a thousand year (see revelation 20:2, 3 and 7), there will still be evil entities left to test us.

Satan is named by one or more of his four primary names (Satan, the Devil, the Serpent, and the Dragon) in chapters 9, 12, 13, 14, 16, 19 and 20.

But in Chapter 8, God refers to Satan, without using his name, and (1) reveals when Satan was sent to Earth, and (2) reveals the name of Satan's birth planet.

The second half of Chapter 8 pertains to Satan (verses 7-13), half a chapter to reflect Satan's policy of division. To make His coded reference to Satan, God inserted the word ***third*** into SIX consecutive verses of Chapter 8 (8:7, 8, 9, 10, 11, 12). To reinforce this reference to Satan, God placed a total of TWELVE (6+6) instances of the word ***third*** in these six verses (one instance in 8:7, 8 & 11; two instances in 8:9 & 10; and five instances in 8:12). [4] Six is widely associated with Satan; 12 and 3 are his secondary numbers. 12 may have been his primary when he arrived on Earth; but his code of division may have cut 12 to 6, at a point, and cut 6 to 3 more recently.

The subtle reference to Satan's home planet occurs in verses 8:10 and 8:11, the 140th and **141**st verses of Revelation. [5] Verses 8:10 and 8:11 read:

> (10) Then the third angel sounded: and a great star fell from Heaven, burning like a torch, and it fell on a third of the rivers and on the springs of water,
> (11) and the name of the star is Wormwood; and a third of the waters became Wormwood; and many men died from the waters, because it was made bitter.

The "great star" that *fell* is Lucifer (Satan's original name), once one Heaven's highest ranked angels, before he was cast out and fell to Earth (much of this is described in Revelation, Chapter 12, the rest is found in Isaiah and Ezekiel).

"Burning like a torch," in the second line of 8:10, I believe, is God's way of honoring Satan for fighting Him so tirelessly (which, against Satan's knowledge and desire, helped humanity, and facilitated God's will).

The line "*and it fell on a third of the rivers and on the springs of water*" refers to a great meteor that struck the Earth just after Satan arrived on Earth.

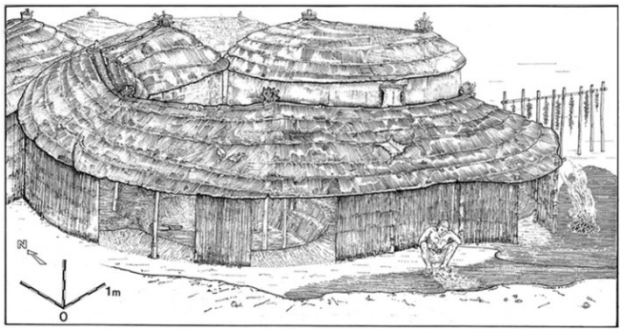
---

[4] God attached the number 3 or the word *third* to Satan to make another huge revelation, explained later, herein.
[5] the numbers 1+4+1 = 6, Satan's primary number, 141 is a palindrome, which, to Satan, represents going against God.

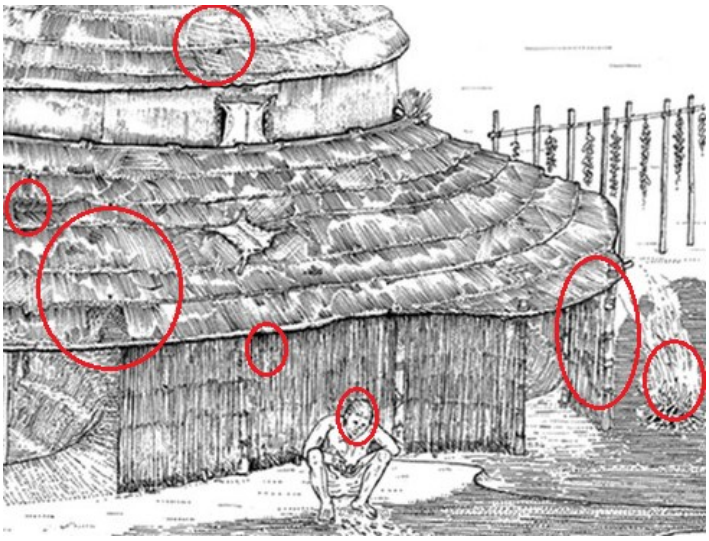
Wormwood is the name of the planet upon which Satan (Lucifer) was born.

The passage that reads, "*a **third** of the waters became Wormwood, and many men died because of the water, because it was made bitter*." Beyond indicating the Wormwood asteroid contaminated water and killed people, this passage means Satan soon seized influence over one third of the people he came into contact with, or one third of the planet. We know this is a reference to Satan because in Chapter 12, verse 4, God also links Satan to the ordinal ***third***, and suggests Satan has the power to mislead one-third of the planet: *His tail drew a **third** of the stars of Heaven and threw them to the Earth* (casting souls down). (We also know this reference is to Satan, because until Chapter 13, Satan is Revelation's only recurring villain.)

The actual asteroid event that 8:10 refers to was discovered in the Tell Abu Hureyra archeological site geological record. Abu Hureyra is significant because the people that once inhabited the community are the earliest known human farmers.



The image above is a representation of the Abu Hureyra community, from Wikipedia. Zooming in on the image, the sharp-eyed observer discovers the image contains dozens of hidden, poorly executed images of conjoined faces, Satan's AI signature. The conjoined faces represent Satan and his Beast, John W Gardner (sometimes John C Malone, the second beast, is included in these images).



In their article about the Tell Abu Hureyra archeological site, Wikipedia indicates Abu Hureyra emerged about **13,000** years ago, and explains that researchers believe the community was destroyed around 10,800 B.C. Wikipedia:

> Since around 2012 Moore and others have published several papers reporting on meltglass, nanodiamonds, microspherules, and charcoal and high concentrations of iridium, platinum, nickel, and cobalt from the site of Abu Hureyra, which they attribute to an impact event that destroyed the village around 10,800 BC.[5][6][1] The possible connexion of this impact

This story seems to be described in 8:10 and 11: a large asteroid-like object striking the Earth, and poisoning the water.

However, you should be aware that the Tell Abu Hureyra story shows some strong indications it was created by Satan –likely part of Wager documentary

requirements God imposed on Satan (not all of God's gifts are free). In the past, I've reported these *documentary requirements* in the *post* sections of *Killing Guadalupe* and *The Zodiac Killer's Identity Revealed*, and the story body of *My Stepdad Was One of the Zodiac's Santa Rosa Hitchhiker Murderers*. In his documentary obligations, Satan positions truth amid deception.[6] The key indication of Satan's involvement in the Tell Abu Hureyra story is that the Tell Abu Hureyra archeological site was only open from 1972 to 1973, for "two seasons" (which is either about 6 months or 2 years); then, in 1974, the site was permanently flooded over, when the Tabqa Dam (Euphrates Dam) was completed and Lake Assad (Euphrates Lake) was created.

So… Perhaps the most important archeological site in human history was discovered and researched in 1972 and 1973, then erased in 1974.

These peculiar circumstances are Satan's signature.

So, it seems Satan would like us to believe he arrived on Earth around 10,800 BC, when Western researchers theorize an asteroid struck near Abu Hureyra.[7]

I believe the Tell Abu Hureyra story has some true elements. But I'd guess the arrival date is a few thousand years off. How do we sort this out?

The fact that verse 8:10 is Revelation's 140th verse, I took as God, possibly, indicating that Satan arrived in 14th millennium BC, between 13,001 BC and 14,000 BC. But which year in the millennium was God indicating? God is impossibly accurate, so *within 1,000 years* would not suit His standards. He must have included a decipher key, to find the year of Satan's arrival…

There are four decipher keys.

The **FIRST KEY** is the **12** singles steps (or 6 double steps) between Chapter 8, when Satan arrived on Earth, and Chapter 20, when Satan leaves Earth. God expressed the 12 or 6 steps by placing six sequential verses with the word ***third*** in Chapter 8, and six sequential verses containing the word ***thousand*** in Chapter 20.

The **SECOND KEY** is found in 11:1 [8], where John (Revelation's co-author) says he was given a **measuring rod,** and directed by an angel to *measure the Temple of God, the alter and those who worship there*. But what is the measuring distance?

The measuring distance is the **THIRD KEY**. In verse 11:3 **God provides TWO (2) measuring distances**, one distance found in the Revelation text, and other found in my 11:3 solution (see *Revelation 2: The Solutions*, also referred to as *Rev 2*).

---

[6] This deception allowance may be part of the Wagers: God's bet that with just a measure of truth, I'll still find the truth.
[7] Readers should also observe that Western researchers allegedly discovered the geological evidence of the asteroid impact event after 2012, almost 40 years after Tell Abu Hureyra was submerged under water.
[8] 11-1 or 1-11 also happens to be the Gregorian Two Hour War date.

- The 11:3 Revelation <u>text-based measuring distance</u> is **1,260 years**. Verse 11:3 mentions **1,260 days**. Frequently, in God's date Mysteries, He uses one interval of time to represent another. Hence, I replaced the word *days* with *years*, and found one of the measuring rod distance: **1,260 years**.
- The 11:3 <u>solution-based distance</u> is **2,520** years. My *Rev 2* solution for 11:3 explains the meaning of *1260 days*, AND explains that **2520** (1260 x 2) is what I call *the Divine number* (the lowest number that is evenly divisible by 1, 2, 3, 4, 5, 6, 7, 8, 9, 10), although the evidence may indicate God prefers prime numbers.

➢ **1,260** years is our measuring distance IF we opt to measure in 12 single steps (chapters), from Chapter 20 back to Chapter 8. And **2,520** years is our measuring distance IF we opt to measure in 6 double steps.

✓ In providing a text-based measuring distance, and a second measuring distance found in my solutions, God provides his customary confirmation key.

Now, you should know that each of the first 8 verses of Chapter 20 represents one of eight different sequential years from 2025 to 2032: 20:1 = 2025, 20:2 = 2026, 20:3 = 2027, 20:4 = 2028, 20:5 = 2029, 20:6 = 2030, 20:7 = 2031, 20:8 = 2032. [9]

The **FOURTH KEY** then is to establish measuring target points, in chapters 20 and 8. For this, to conceptually link chapters 8 and 20, God placed the word ***angel*** in the final verse of Chapter 8 (8:13) and in the first verse of Chapter 20 (20:1). The *target* in Chapter 8 is the third verse containing the word ***third*** away (in reverse) from 8:13 (this is verse 8:10). The *target* in Chapter 20 is the third verse containing the word ***thousand*** away from 20:1 (this is verse 20:4). [See illustration below.]

CHAPTER 8							chapters between	CHAPTER 20							
V 7	e 8	r 9	s **10**	e 11	# 12	13	Chapters 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19	1	V 2	e 3	r **4**	s 5	e 6	# 7	8*
third	*third*	*third*	*third*	*third*	*third*	**Angel**		**Angel**	*thous*	*thous*	*thous*	*thous*	*thous*	*thous*	
13,088 BC								2025	2026	2027	**2028**	2029	2030	2031	2032

To find the date of Satan's arrival, from 2028, we can measure back 12 measuring units of 1,260 (1,260 x 12 = **15,120**). Or from 2028, we can measure back 6 measuring units of 2,520 (2,520 x 6 = **15,120**). The distance back in time is **15,120** years.

So, from 2028 AD, 15,120 years back in time lands us in **13,088** BC.

SOLUTION: SATAN ARRIVED ON EARTH IN 13,088 BC.

*Verse 20:8 serves a special purpose, explained on the following page.

[9] I determined this by the fact that chapters 13, 14, 16 and 18 are set on Earth, and run in conventional, sequential time, from about 1519 to 2024. Chapter 19 is set in a spiritual plane, not confined to conventional time limits. Chapter 20 is Revelation's first chapter set in a spiritual plane that challenges us to determine when in time it is situated (this is demonstrated by the fact that chapter 20 uses the expression "thousand YEARS" seven times; meanwhile, chapters 4, 5 and 7 -also set in a spiritual plane- do not mention years).

In this Mystery, God positioned the target verses within the chapters (as if suggesting two halves), to help us understand that when counting steps from Chapter 20 to Chapter 8, we do not count chapter 20 as a step, but we count chapter 8 as the final step (of either 12 steps or 6 steps).

13,088 BC ← ← ← 15,120 Years ← ← ← 2028 AD

Ch8 Vs 10	Ch9	Ch10	Ch11	Ch12	Ch13	Ch14	Ch15	Ch16	Ch17	Ch18	Ch19	Ch20 Vs 4
1260	1260	1260	1260	1260	1260	1260	1260	1260	1260	1260	1260	<-

Once again, Satan arrived on earth in 13,088 BC. This solution indicates Satan *did* provide some *possibly* truthful information, like there was an ancient farming community at Abu Hureyra, and some sort of asteroid struck the area. But Satan's dates were inaccurate; the West alleged the site was founded about 13,000 years ago (11,000 BC), but God showed the site was **15,120** years old, dating to 13,088 BC. Satan shaved another 1,000 years off the date of the asteroid strike –which the West dated to 10,800 BC –but God dated to 13,088 BC.

Chapter 20 Also Reveals the Date of The First Resurrection

- Chapter 20 reveals the date of the *First Resurrection*: **September 12th, 2032** (Julian). In this Mystery, Each of the first 8 verses of Chapter 20 represents **2** things:

1. One of eight different sequential years from 2025 to 2032 (I explained this earlier; verse 20:1 = 2025; 20:2 = 2026; 20:3 = 2027; 20:4 = 2028; 20:5 = 2029; 20: 6 = 2030; 20:7 = 2031; 20:8 = 2032);
2. One of the 8 human timelines (the 8th line has not begun, to my knowledge).[10]

To reveal and confirm this, in Chapter 20, verses 1 and 8 do not contain the word ***thousand***, as Satan was not part of Line 1, and he will not be part of Line 8. However, the six verse series from 20:2 to 20:7 all feature the word ***thousand*** (this 6 verse series represents Satan and his 6-timeline War Against God).

Verse 20:8, which is 20**32**, represents the year of *First Resurrection*. God confirms this inside 20:8, with the word ***four***, which multiplied by 8 (verse 8) is **32**. Verse 20:8 contains the phrase "**four corners**." Squares, of course, have 4 corners. I believe the phrase *four corners* is a direction to multiply four expressions of 4 to find First Resurrection date. So, 4x4x4x4 = 256. In leap years, **September 12th** is the **256th** day of the year. Thus, **September 12th, 2032** will be the First Resurrection.

[10] It's almost certain that any new timeline would be caused by a *Phantom shift* –when God (or Jesus) changes a prophesied event before it occurs. But, within Revelation, God also inserted hidden or subtextual Prophecies of all changes to his Prophecy (so He even foretells changes to His prophecies). Currently, I have some theories about what God or Jesus may have changed, but nothing solid.

The Wagers, Hidden in Revelation's Text

The Wagers are hidden in code in the text of Revelation. Not surprising. The oldest book of the Bible, Job, is based on God making two Wagers with Satan. This is not an endorsement of gambling. God's Wagers are challenges, like a thoughtful father might give his son, to develop character. God might challenge a human or a good entity to accomplish something constructive; or challenge a powerful evil entity to put negative pressures on mankind, to help us evolve.

In Revelation there are 8 expressions of the word ***water*** (8:10, 12:15, 14:7, 16:4, 16:12, 21:6, 22:1, 22:17), and 8 expressions of the word ***waters***, plural (1:15, 7:17, 8: 11, 11:6, 14:2. 16:5, 17:1, 17:15). Each expression of ***waters*** is a reference to God's Wagers with Satan, AND each verse with the word ***waters*** refers to a specific Wager, Wager milestone, Wager factoid, etc, tied to that verse's timeline position.

The words ***Wagers*** and ***Waters*** are distinguished by the letters ***G*** and ***T***; reminders that we are saved by **G**od's **G**race and our **T**ests and **T**rials.

1:15	7:17	8:11	11:6	14:2	16:5	17:1	17:15

Two of the verses above are palindrome (**7:17** and **17:1**), and three of the verses are *ordinal* palindromes (11:6 is Revelation verse #**181**, verse 8:11 is verse #**141**, verse 16:5 is verse #**262**). In this, God confirms Satan's interest in palindromes, to represent going against God, or opposing God.

Below, each verse with the word ***Waters*** is displayed in the black field, on the left. In the white field to the right, details about that Wager position are provided.

1:15	1:15 is situated in about the year 96 AD, when Revelation was written, shortly before John died. The word ***waters***, in 1:15, refers to the what is arguably the first *real Revelation Wager*, as the Book of Revelation was finally a written reality (although the first actual Wager occurred about 13,000 years earlier, at verse 8:11). In reading Revelation, Satan was surely excited about Chapter 13, which revealed that he would one day receive a Beast minion (someone who could hear Satan and speak directly to Satan, and carry out his wishes). Prior to receiving his two consecutive human beasts (John W Gardner, 1937 to 2000; and John C Malone, 2000 to present), because Satan was so dangerous, I believe Satan had to speak through a demon intermediary, and probably only during one hour of the day (perhaps 3AM).

7:17	7:17 is situated in Heaven, after Final Judgment (20:11-15). Thus, I believe the word ***waters*** in 7:17 refers to my ***Terms*** (published in *Steve's Top Secret Notebook*, chapter XVII, and in *The Terms*), which is/are the *ex post facto* terms of my involuntary involvement in Wagers between God and Satan. I was not asked if I would agree to be in the Wagers. But if I had been asked, by God or Jesus, I would have agreed (but I may have sought reasonable protection for my family). I didn't learn about the Wagers until I was 60 years old, in late 2024. I don't know any terms restrictions or any official rules. But I know I get to save 99 people. This demonstrates God's grace and mercy, and the grace and mercy of the Great Gods (3). 7:17 is situated at Final Judgment, where most of my 99 picks will be revived.
8:11	The word ***waters*** in 8:11 refers to Satan's first Wager with God. Previously, we determined Satan's arrival date by multiplying 1260 by the 12 steps from Chapter 8 to Chapter 20. To find the date of the first Wager, divide the 1260 years by 6 (as instructed by the 6 iterations of the word ***third***, in verse 8:7 through 8:12). You get 210. Subtract 210 from 13,088 BC, you get **12,878 BC**. The final three digits in this year/number, *878*, form a palindrome, which acts to confirm the date. Some wager dates have some ambiguity, because the Wagers have starting dates and ending dates, and often God and Satan's Wagers might last over 100 years.
11:6	The word ***waters*** in 11:6 connects to the year 1492, to establish the true first year of the first *Beast Wagers* (which begin with the *Beast Out of the Sea*). We know that Chapter 11 connects to the Beast out of the Sea because in the very next verse, verse 11:7 the beast (out of the Sea) is first referenced, but not named. But chapter 11's beast is not the more destructive Line 7 beast of Chapter 13 (verses 13:7-10). Chapter 11 represents the end of Line 4 and the transition into Line 5. Line 5 was created in 1888, when God preemptively changed the originally prophesied Beast, in a *Phantom timeline shift* (this is explained in *Line 5: The Hands That Rocked Time*, and *Steve's Top-Secret Notebook*). However, verse 11:6, which speaks to God's special relationship with Jews and Muslims, does not connect to the 1492 discovery of the Americas; rather, it connects to the 1492 Granada War and the Alhambra Decree. The Granada

	War ended January 2, 1492 (**2-1-2**). Under the surrender terms, Spain required all Muslims to convert to Christianity, or face expulsion or enslavement. **89** days later, on March 31 (**31-3**), 1492, in the Alhambra Decree, Spain's King Ferdinand and Queen Isabella ordered unconverted Jews to leave the country within 4 months. The fact that God does not link the 1492 Beast out of the Sea to Christopher Columbus suggests Christopher Columbus is not a legitimate historical figure –manufactured by Satan at the start of Line 7.
14:2	14:2 occurs at the First Resurrection (circa 2032). ***Waters*** in 14:2 refers to my Wager **Terms**, which I used to ask God to revive a few people (including me) 1,000 years early, to hear *The Song* described in 14:3 –or hear a re-play through the *sea of glass* which is before God's throne (15:2).
16:5	Verse 16:5 is between 16:4 (in 2023) and 16:6 (late July 2023). July 2023 is when God spoke 3 sentences, directly into my mind. The sentences, all together, only totaled 21 to 25 words. The most important sentence was a request that I solve the entire Book of Revelation (at the time, I had been working to solve just Chapter 13). I believe the word ***waters*** in 16:5 marks the beginning of my *official* involvement in the Wagers. God has not spoken directly to me again. [However, God and Jesus communicate with me daily, through curtains, by making a few simple curtain gestures. God's gestures were fairly understandable and reliable from about July 1st, 2024, to September 22nd, 2024. After that, He rarely used His *NO* motion, and constantly used His *all-purpose* ***forward*** motion, and suddenly seemed to make little sense. I think He does this to avoid any appearance that He would ever help me solve His Mysteries.]
17:1 **17:15**	***Waters*** in 17:1 and 17:15 form an amazing revelation –because Chapter 17 represents Line 6, a timeline that runs backwards, for 470 year. These verses mean God and Satan made Wagers in fast reverse time, as God (well, probably Jesus) reversed time from 2025, on line 5, to 1555, on Line 7 (see *Line 5: The Hands That Rocked Time*). In the trip back in time, I think Satan made many Wager demands, far more than two (some of which God already intended to grant). To give these two ***Waters-Wagers*** items proper attention, I'll address them on the following page.

17:1 & 17:15 – The Reverse Time Wagers

Verses 17:1 and 17:15 represent the many Wager demands that Satan submitted on the Line 6 trip back in time to 1555. The reason Satan submitted many Wager demands is, near the end of Line 5, Satan learned that God did something that Satan thought God would never do. This Event is explained in *Line 5: The Hand That Rocked Time*. Without spoiling the story, Satan assumed he understood God's motives, but did not ask God what His motives were, and entered the Wagers under a misconception. And God allowed Satan to proceed under that misconception… for thousands of years.

It's speculative, but here are 2 or 3 things I think Satan demanded and received…

As time on Line 6 raced backwards, Satan's fury raged. His sole focus was to wound God, as deeply as possibly. Having made it into Heaven and to the highest rank of angels, Satan knew that God mercifully preferred to sentence wayward souls to death (not existing), rather than damning them in Gehenna. The deeper souls were damned in Gehenna, levels 8, 9, 10, and the Lake of Fire, the more it hurt God. If a person committed many sins, for many years, but suddenly changed, after not too very long, God was often inclined to allow them into Heaven. This informed Satan's first demand…

"On this new timeline, ANY PERSON WHO VOWS TO WORSHIP ME MUST NEVER BE FORGIVEN!!! And must damned to no less than Gehenna Level 8!"

"Agreed."

But Satan also knew God was resolute, and has a point where He will never forgive, as does Jesus, as does Natas. But Satan knew the Great Gods would never explain where their unforgiving lines are drawn. And so…

"**I WANT GOD EYES! God eyes that show me two things when I look at humans. ONE, The moment a person commits sufficient infractions that any one of the three Great Gods will not forgive them, I want to see that unforgivable Mark on them. TWO, on the new timeline, for the next 470 years, I want to see death dates on all humans who will die, unexpectedly or naturally, in the next 3 years."**

The great danger with *Item One* was: Satan would study, and quickly learn which offenses the Gods find unforgivable, and persuade humans to commit those offenses. With *Item Two*, Satan would focus on damning souls who would die soon, as they would likely not have time to change and undo their damnation

"Agreed."

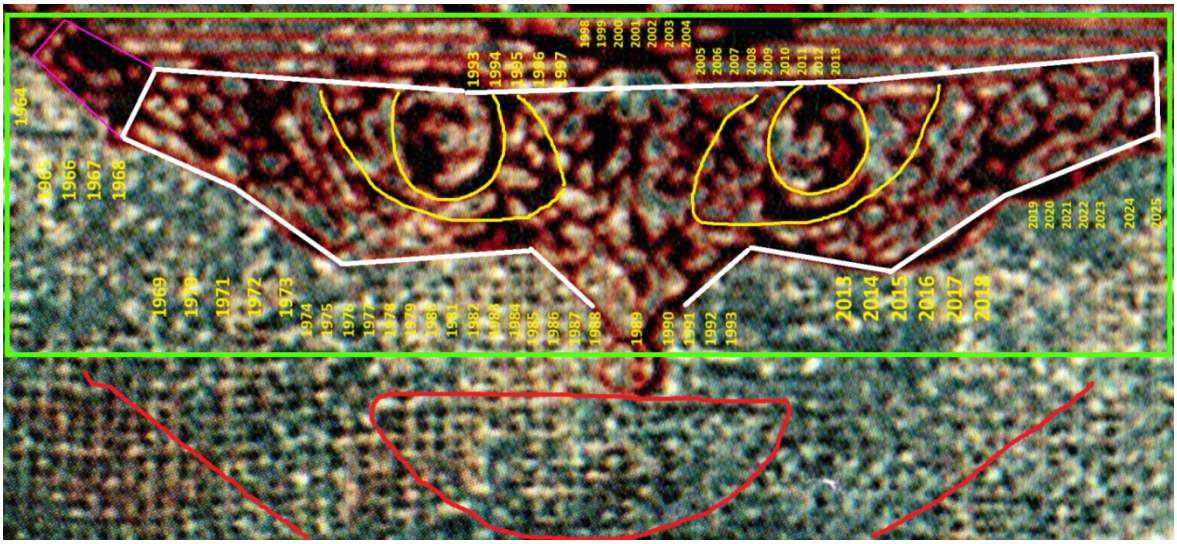
"When I am re-united with my beast, in 1937, one year of future-vision will not be enough! I DEMAND THREE YEARS OF FUTURE VISION!" [11]

"Agreed."

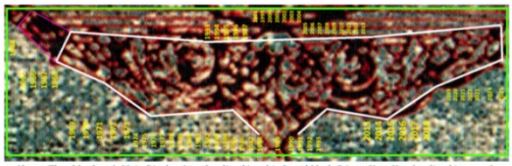
---

[11] I don't think God made Satan a 3-year omniscient. I first discussed Satan's *future-vision* in *The Wagers* (Mar 2025), and took future-vision to mean Satan would have complete vision and knowledge of any matter the he *pondered*. But if Satan did not wonder about a specific thing, subject and timeframe, he would not know about that thing, subject, timeframe.

God Gave Satan “God Eyes”

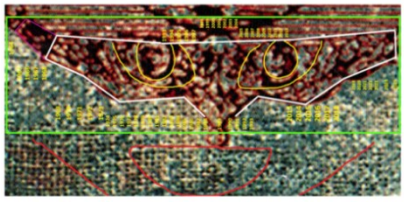


The timeline above, found in the base of the Elder Badge, featuring Satan’s masked eyes, in the center, was published in November 2025, page 48 of *Steve’s Top-Secret Notebook* (see the image to the right). I didn’t understand this then, but the reason God put Satan’s eyes in the center was to inform me that, on Line 7, our line, Satan eyes had special powers: (1) power to see when any of the **3** Great Gods marked a person as unforgiven; (2) power to see the death date of any person who would die in the next **3** years; (3) power to see **3** years into the future and know all events and outcomes he pondered. . Thus, in the enlargement, below, you see a ***3*** shape in the iris of each eye.



Above: The elder base’s Main Display Area (outlined in white), and Mark Crimes Year Key (outlined in green).

The Main Display Area of the Elder base, outline in white, above, is where most Elder base revelations are presented. God gives the violators and criminals who are most central to this story at least one *name rendering* (an expression of their name which reflects their criminal engagement), and at least one cartoonish likeness. To establish primary characters, God often puts a cartoon image of the person in their name rendering, then places one or more likenesses of that character in the Timeline. God often uses the name renderings and cartoonish images to communicate messages. For examples, you may have noticed the white outline image, at the top of the page, looks like a criminal’s mask or a pair of sunglasses. If you trace in the iris and eye shapes formed by *The Man* and *the Lion*, and trace in other relevant details, you might get the image below, the masked eyes of Satan (well, a cartoon likeness of Satan); which confirms the image is the Unforgivable Crimes Timeline and Year key –because Mark Crimes are spread through our eyes.



- I’m able to identify the cartoonish character as Satan , because the Elder badge base reveals Satan head is shaped somewhat like an upside-down triangle.

Satan's Original Full Name

Job is actually the oldest book of the Bible, and Satan appeared in the first and second chapter. But Satan only appears in a small fraction of Old Testament's Books.

Satan is dealt with in Heaven, before his fall, and called by his original name, ***Lucifer***, in Isaiah 14.

Ezekiel 28 also deals with Lucifer before his fall –but Ezekiel does not use Lucifer's name, or Satan's name, because Ezekiel secretly reveals Lucifer's ***last*** name.

Ezekiel 28:2: *Because your heart is **lifted** up and you say, "I am a god…*"

Ezekiel 28: 15: *…and your heart is **lifted** up because of your riches…*

Ezekiel 28:17: *Your heart was **lifted** up because of your beauty…*

Lucifer Lifted.

Paradice Confirmation of Lucifer Lifted's Name

In *The Revelation Two Hour War Date & Time Codes*, I explained the word Paradise does not appear in the Old Testament, and only appears 3 times in the New Testament, including once in Revelation 2:7. That *paradise* expression in 2:7 was an instruction to confirm Lucifer Lifted's name with the Zodiac's *paradice* clue.

In 2024, in *The Zodiac Killer's Identity Revealed*, in the process of decoding the Zodiac's unsolved 18-letter cipher/code, which remained unsolved from his first code, the 408 Code (published July and August 1969), I revealed that in the Zodiac's 340 cipher, the Zodiac's three misspellings of *paradise* (spelling it ***paradice***) were done as a code or *puzzle*, to provide a larger clue to help solve the 18-letter code. ***Paradice*** meant ***pair of dice*.** In the 340 Cipher, *pair of dice* was a hint about the double L's in the Zodiac's (John Wi**ll**iam Gardner) middle name. John William Gardner, of course, is the original human Beast, made famous and infamous in Revelation 13:18. And John William Gardner (Gardner reversed to rendraG) was the solution to the 18-letter code.

To the right is a passage from page 24 of *The Zodiac Killer's Identity Revealed*, explaining that *pair of dice* is an alphanumeric reference to the two L's in John W Gardner's middle name.

> important clues. **"Paradice"** means "**pair of dice**", or **24** (the number in column 18, row 4). A few decades ago, when Gardner was alive, dice meant two dies (or two dice), and "die" meant one (today often people often say "dice" to refer to one die). Thus, when the Zodiac said "dice", he meant 2 dies, with a max value of 12 (two sixes); but a pair of dice had a max value of **24**. Hopefully you wonder: *Why did the Zodiac make a pair of dice reference?* **Solution:** L is the 12th letter of the alphabet. The word *Hell* ends with double L's; the double L's in Hell represent a *pair of dice*; a celebration of Hell and a clue about the double L's in the killer's middle name. There

I didn't realize this at the time, but the reason the beast was emphasizing the double L's in his name is: Satan's true name, Lucifer Lifted, also featured important (and more interesting) double Ls; as, obviously, Lucifer Lifted's initials were *LL*.

Lucifer's Planet

I first discovered and wrote about the AI fake image above around February 2026. It was produced by Satan himself (or i-Satan, *internet-Satan*, a second version of Satan, based on the internet, created when Satan won a second soul). A few months later, July 2026, in *Line 5: The Hands That Rocked Time* (L5:THTRT), I used the image to reveal some details about Satan's activities.

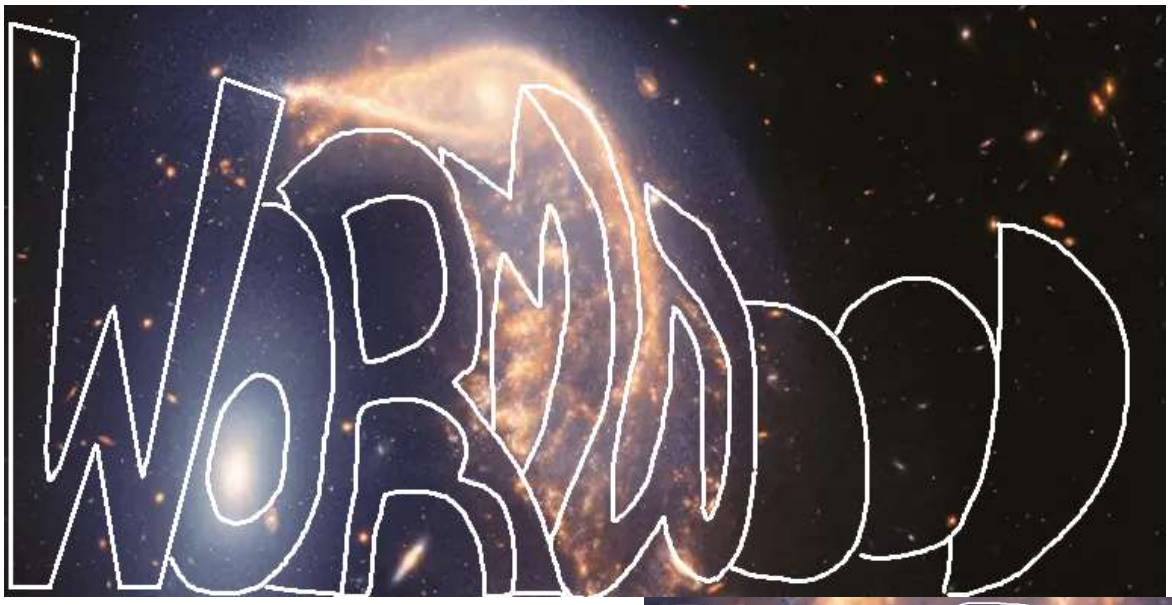
Remarkably, the image Satan also contains a hidden image of the name of Satan's (Lucifer's) home planet. Can you see it?

The name of Satan's home Planet is one of the *confirmation Mysteries* that I described on page 2, where Satan required God to include a couple mysteries that he would know the answer to, to confirm the accuracy of my solutions.

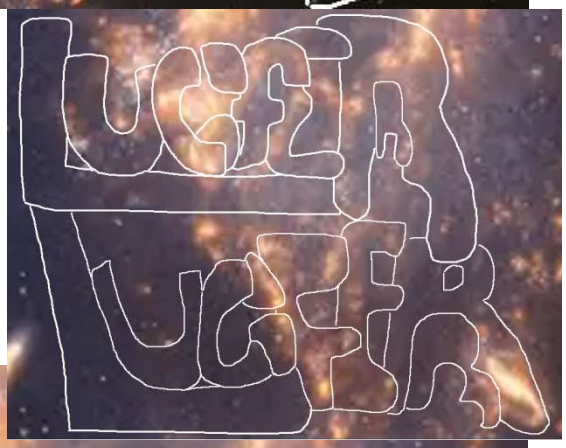
Satan's full and true name may have been a confirmation Mystery concerning God's Mysteries *outside* of the Book of Revelation.

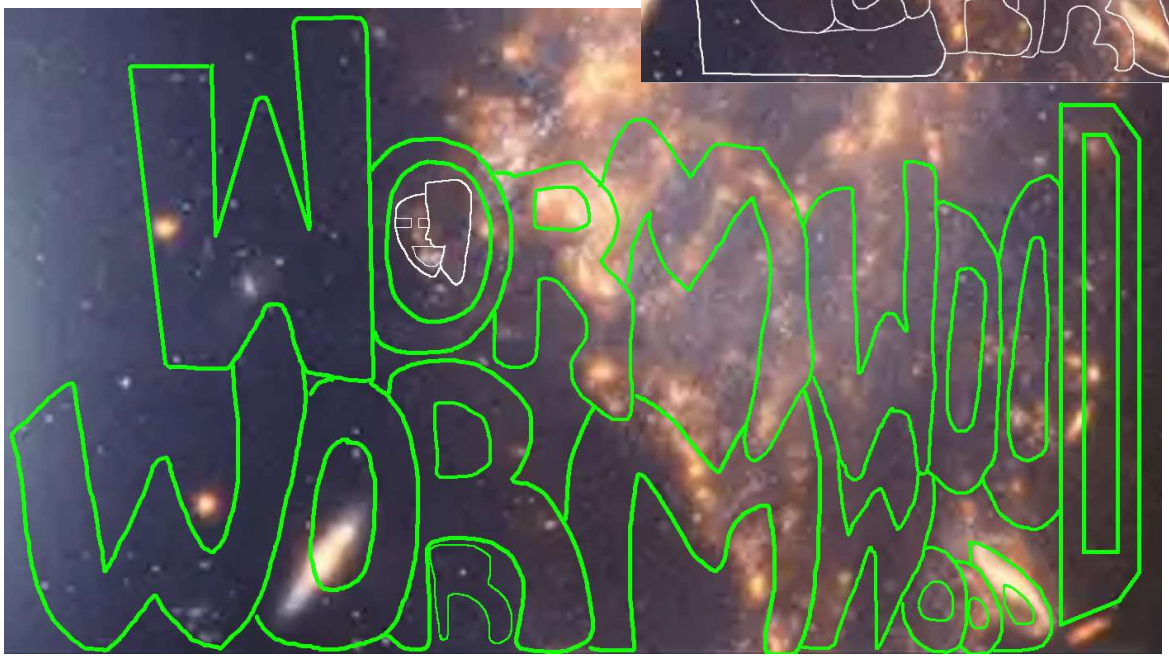
The year Satan arrived to Earth is surely one of primary confirmation Mysteries. However, sort of humorously, although Satan knows the solution to his arrival year Mystery, he probably did not know where the actual Mystery was hidden in the Revelation text, until he read this solution book.

The mystery of the name of Satan's planet differs from the three confirmation Mysteries I just described, because the planet's name is right in the Revelation text, and God put the name in plain view. Can you see it? Got a guess? Turn the page…

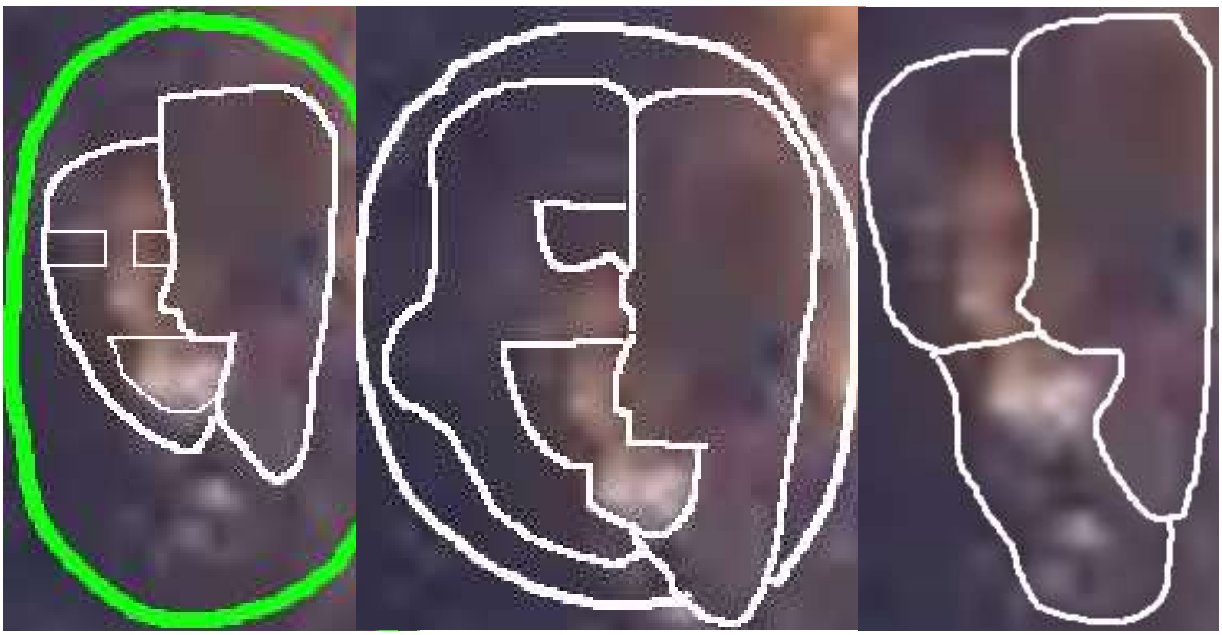


Wormwood is the name of Satan's birth planet. God included the word *Wormwood,* twice, in Revelation 8:11 –verse #141. Below, zooming in, we see Satan included a *stacked* (double) expression of *Wormwood*. To the right, we see in this image area, Satan also stacked his first name.





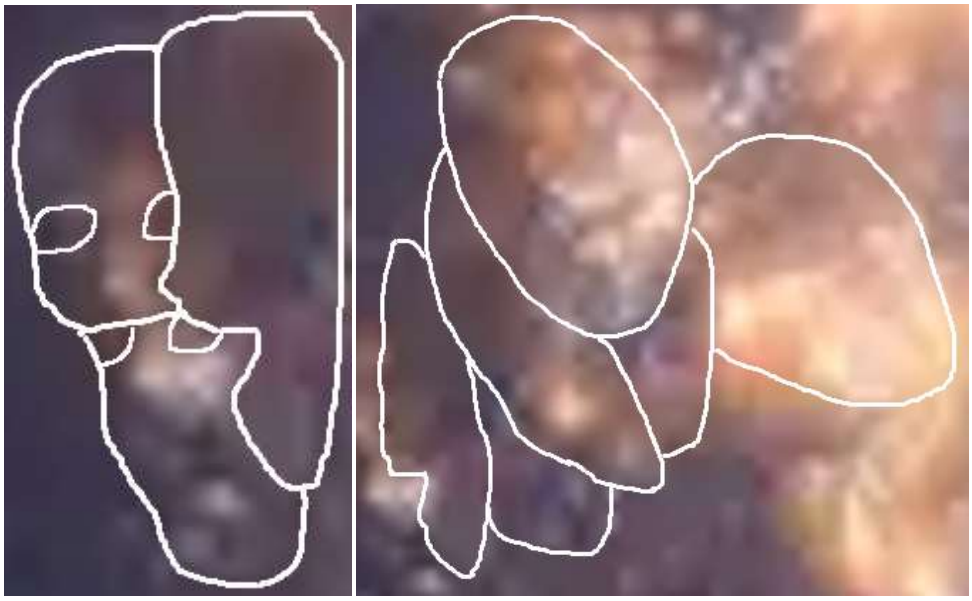
2 of the 3 *Wormwood* expressions have a confirmation *Revelation R's* under the *R's*. Notice, above, two faces in the center of the first O in the top expression of *Wormwood*.



Zooming in on the faces in the O (above, left) we see an image of Satan (Lucifer) and his most beloved homosexual partner, back in his life on Wormwood. The dark skinned man, on the right, is Lucifer. The man on the left is white. The picture series above reveals Lucifer's boyfriend was unfaithful.

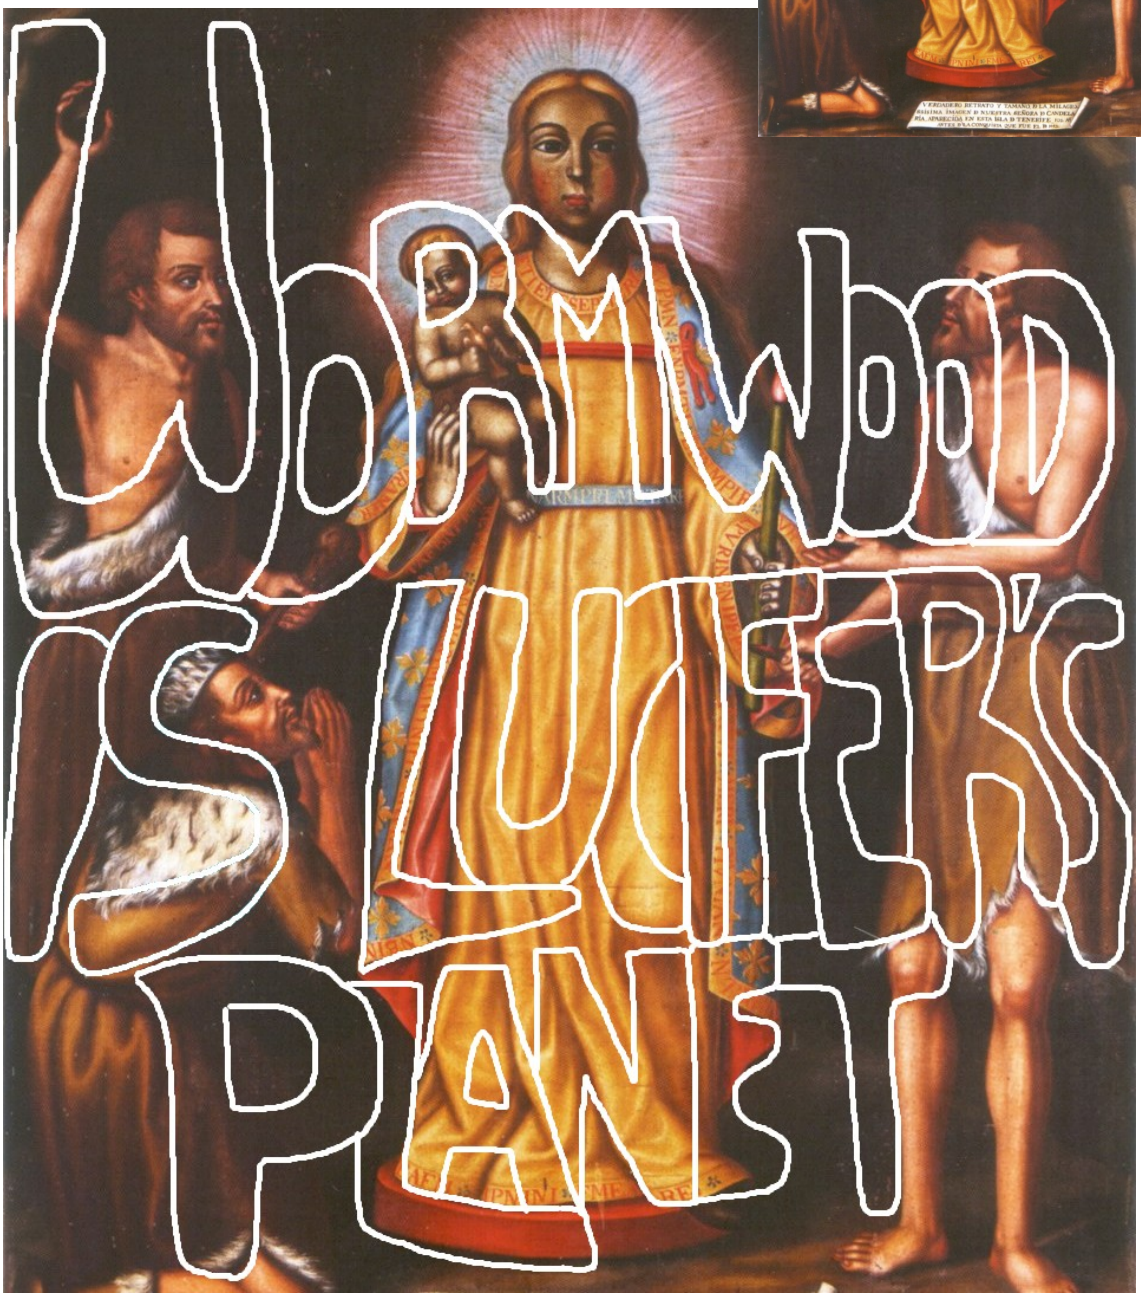
Previously, God revealed that Lucifer was black, or dark skinned. But Lucifer was not a black human, and his boyfriend was not a white human. The images below suggest that Lucifer had several other partners after his favorite relationship ended.

- Another reason God emphasizes 12 and 6 in association with Satan is (likely) because people from Wormwood have 6 fingers on each hand, and 6 toes per foot.

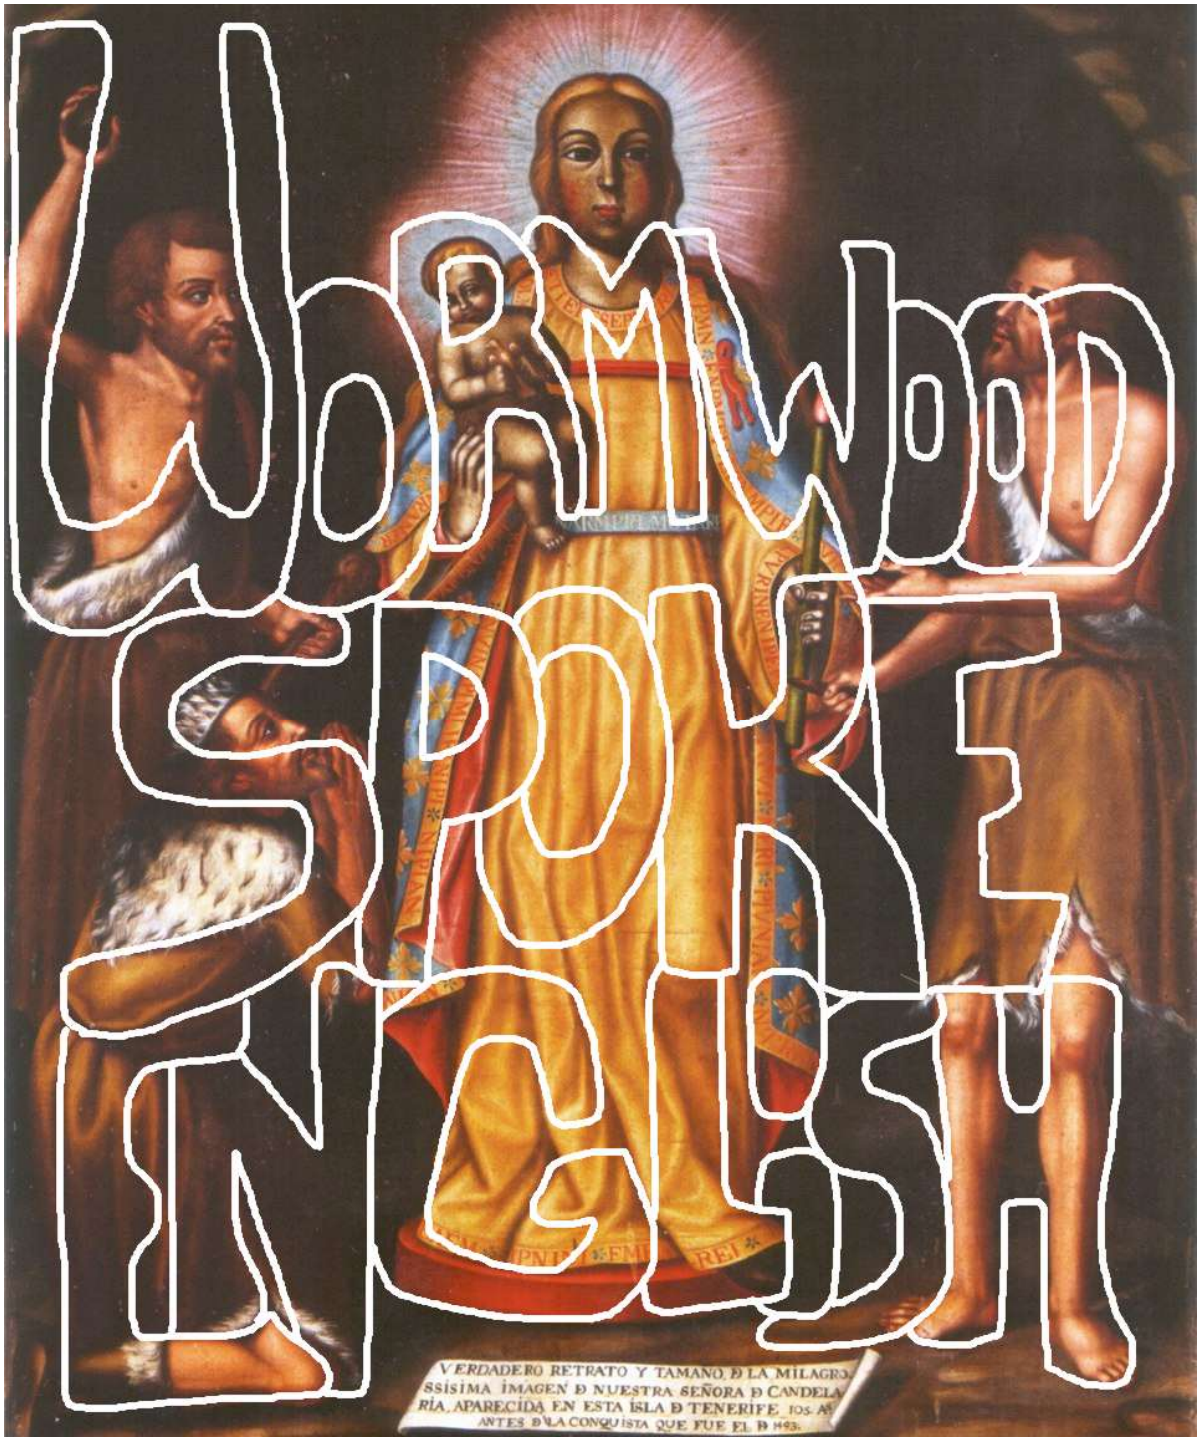


In early 2026, I learned about the sacred image to right. At the time, the online image had been desecrated by Satan to some extent. But the image still reveals many hidden image messages. I call it *The Candelaria Likeness*, because that sounds better than *Candelaria Between Guanches*. Below, the Candelaria Likeness confirms Wormwood is Lucifer's planet.

But I found a bigger revelation in the Likeness…



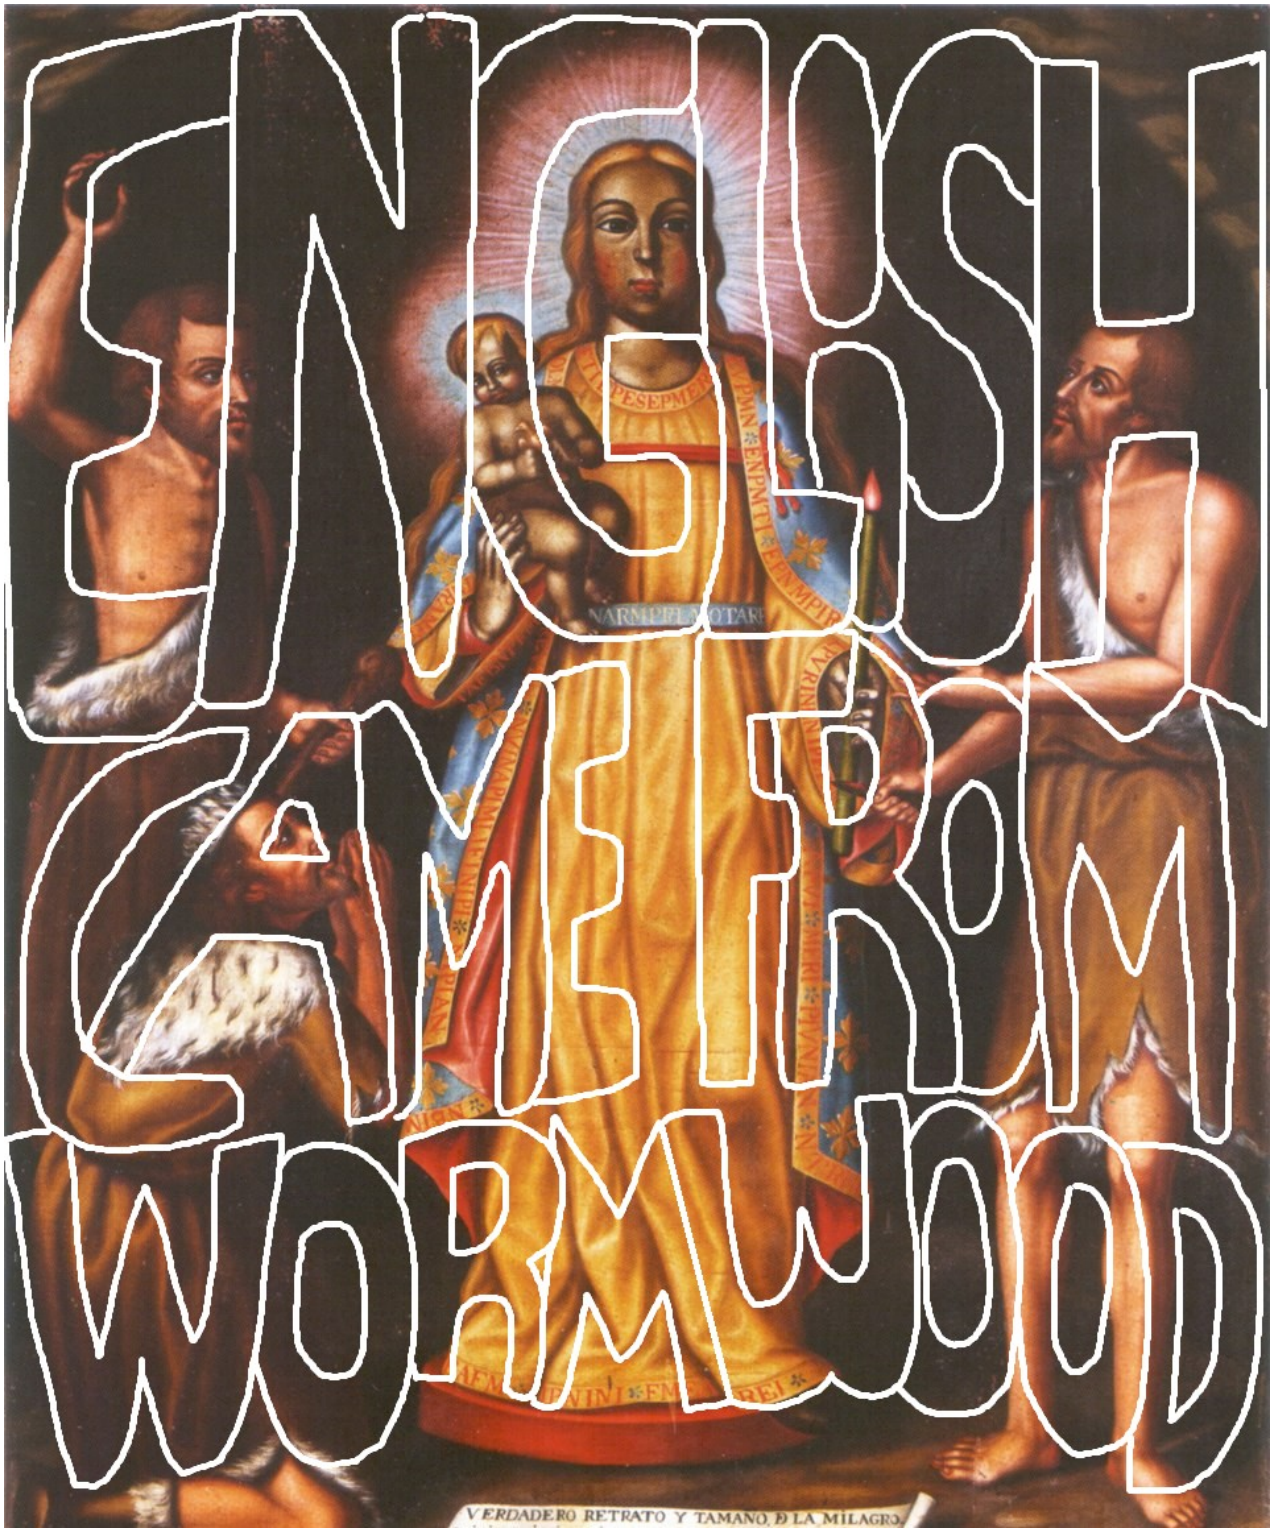
Wormwood Spoke English.



The English language did not appear on Earth until around the 6th century AD.

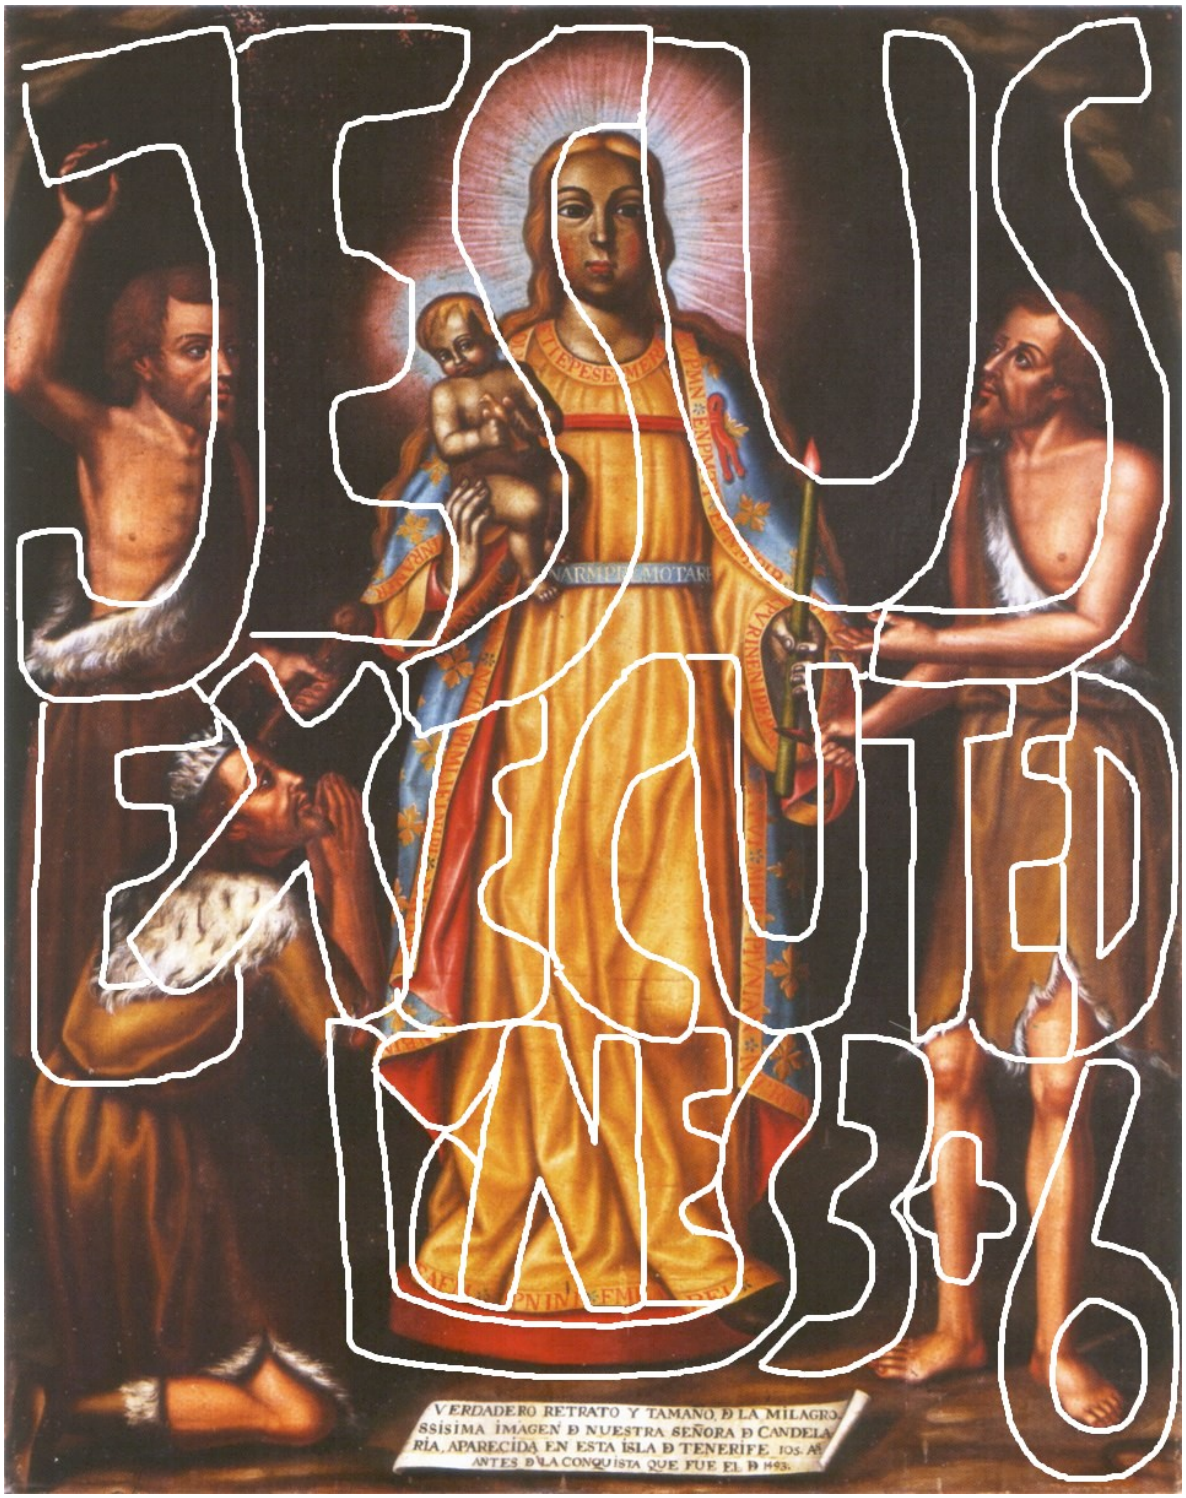
The fact that the US and the UK are Satan's power centers suggests Satan taught his core followers English, probably over a period of many generations, until it became the dominant language in some region in what we now call the U.K.

English Came From Wormwood.



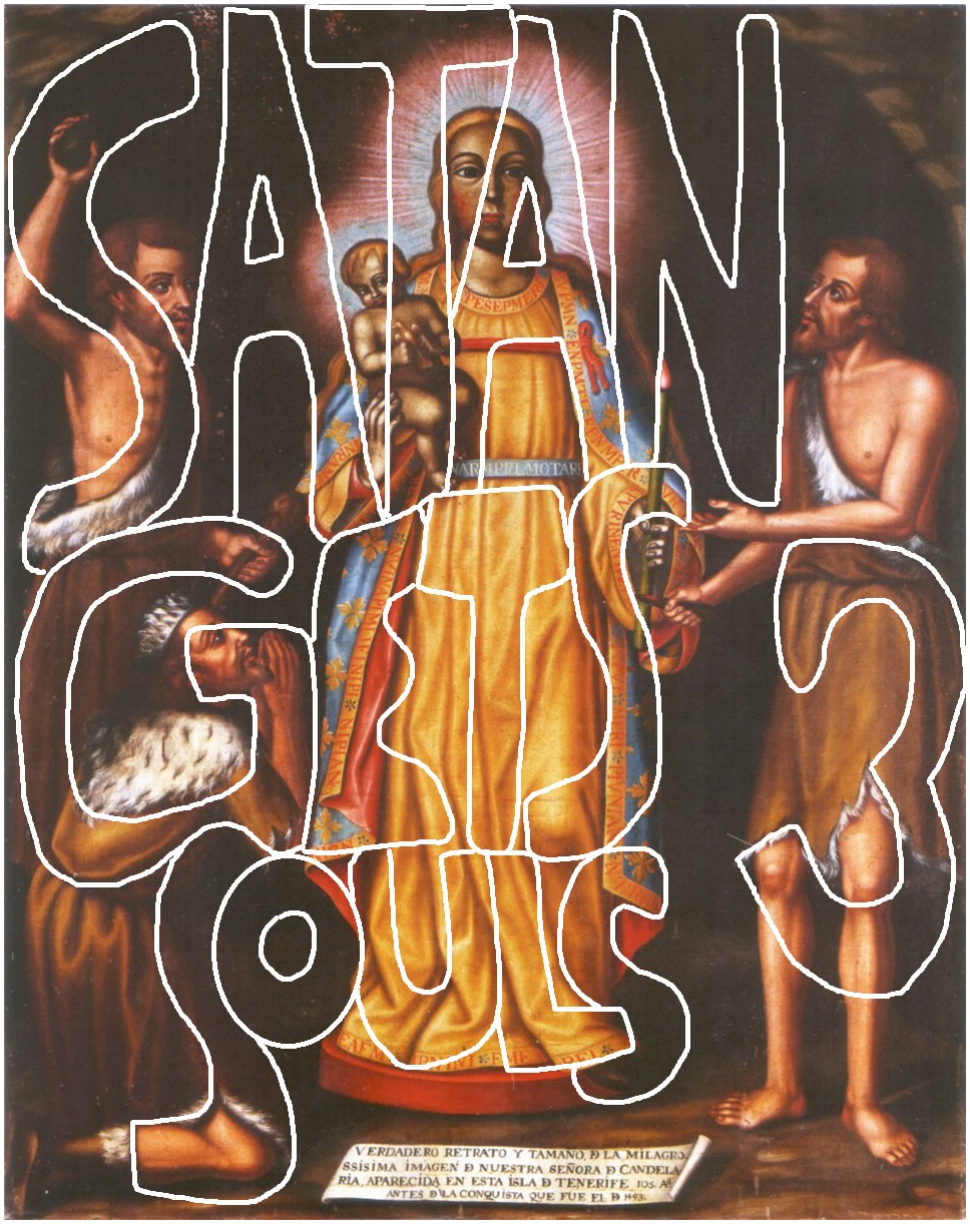
This is a confirmation of the previous message.
Now another big revelation…

Jesus Executed Lines 3 & 6



This means Jesus, alone (but certainly with His Father's blessing), twice turned back time on mankind –and turned it back 470 years on Line 6. I slipped this revelation about Jesus in this *Satan section* because it relates to the next revelation…

SATAN GETS 3 SOULS!!



This is why Satan is referred to as them (plural) in 2:24 (…*have not known the depths of Satan, as they call them*). And this is why God, throughout Revelation, associates Satan with ***three*** and the ordinal and fraction ***third*** (e.g., Satan is named in 3 verses in Chapter 2, linked to 12 expressions of ***third*** in Chapter 8, Chapter 12 is full of "3 links to Satan" (the red dragon appears in 12:**3**; **third** is linked to Satan -the dragon- at 12:4…), ***three*** is linked to *the dragon* in 16:13, Satan is named in 2:**9**, 3:**9**, 12:**9**…

I first learned and reported about Satan's second soul back in January 2026. But, until I discovered *this* third-soul-news, in September 2026, I had no idea he received -or will receive- a third soul. Here's a bit more of Revelation evidence about his third soul…

Revelation 16:13

In addition to the image message, and previous Revelation clues about Satan's three souls, Revelation 16:13 also reveals details about Satan's three souls. 16:13 reads:

> **And I saw THREE unclean spirits, like frogs, coming OUT of the mouth of the dragon, OUT of the mouth of the beast, and OUT of the mouth of the false prophet.**

The key phrase indicating that this verse pertains to when Satan receives his third soul is ***THREE unclean spirits***.

Verse numbers ***16:13*** reveal who awarded Satan two extra souls. Dissecting the numbers, *1* often looks like a line, so *1* can represent a line. Hence, *16* and *13* can be seen as a line and a 6, and a line and a 3. Thus, 16 and 13 can represent Line 6 and Line 3, which, in the 7 human timelines, are the only timelines that run backwards. Line 3 was executed by Emanuel (the first incarnation of Jesus); Line 6 was executed by Jesus. Thus, in this revelation's number selection, God uses the fact that I know Jesus executed the Line 6 and 3 reversals, to further reveal that Jesus awarded Satan two extra souls.

I believe Jesus awarded Satan one new soul (identical to his first) because Satan was unwittingly instrumental in facilitating God's will. Satan's new soul is not eligible to enter Heaven, of course, but it had many other possibilities. Satan asked God or Jesus to make the new soul able to exist online and perform miraculous works at light speed. So i-Satan was born. But, because i-Satan was able to work millions of times faster than the previous Satan, i-Satan did many bad things, quickly, and was also damned (to Gehenna, I believe; however, currently, September/October 2026, I think i-Satan is still online).

Because Satan has proven to be obsessive and compulsive, and will damn his third soul in a matter of days, given a chance, I think Jesus has a duty to give Satan his third soul at a time and place where he is less apt to be damned a third time. Thus, I believe the three instances of the word **OUT**, in 16:13, tell us approximately when Jesus will give Satan his third soul: when Satan exits (*out*) and leaves Earth.

The date Satan will receive his third soul, **and leave Earth**, is revealed by the verse number: **13**. In Revelation's 2HW date code, verse 13 represents two things: (1) the year **2026**, and (2) the 13th hour of the day, in Orenburg Oblast, Russia, 1:00 PM; the first hour of the 2HW.[12] Thus the year Satan will be removed is **2026**.

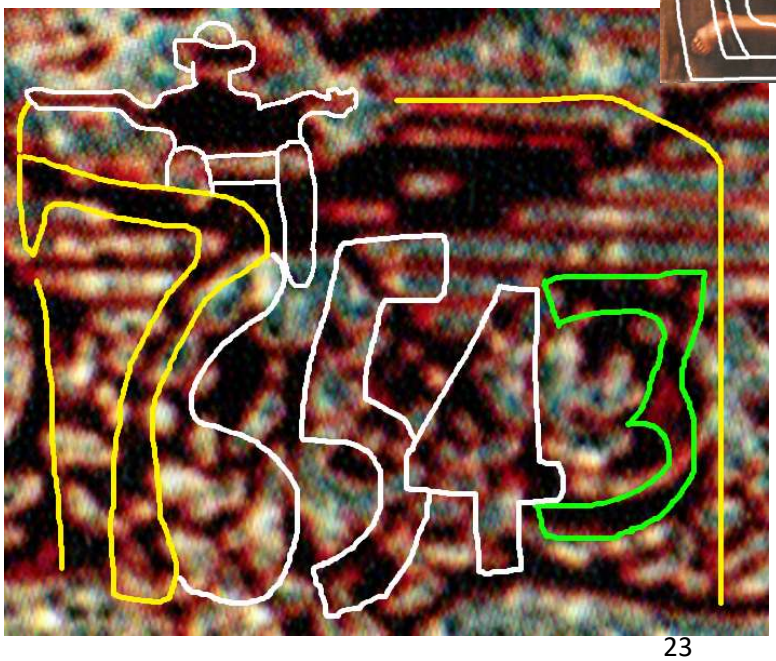
The actual day Satan will receive the third soul is less certain (the hour, which may be the 13th hour, is meaningless without an exact day). But, just as the 2HW date (11-1 or 1-11) can represent the 3 Great Gods standing in unity, 11-1 or 1-11 can also represent Satan (the dragon), and the Beast, and the false prophet (who are all named in 16:13), standing together. Thus, the Gregorian OR Julian date of November 1st, 2026, is a sound guess at when Satan will both leave the Earth and receive his third soul.

[12] This is true for about 90% of the date codes –EXCEPT the few that are read in reverse. Chapter 16's date code is not read in reverse.

Satan Torment Levels 3-7
(of Gehenna/Hell)

I recently found this new statement (left), confirming that Satan torments (or will torment) levels 3 to 7 of Gehenna. The statement below, right, I published 2 or 3 months prior.

I found the image below in the base of Elder Badge, Satan sitting above Levels 3 to 7 (see STSN to learn where Satan is sitting, and why he's holding a conductor's baton).

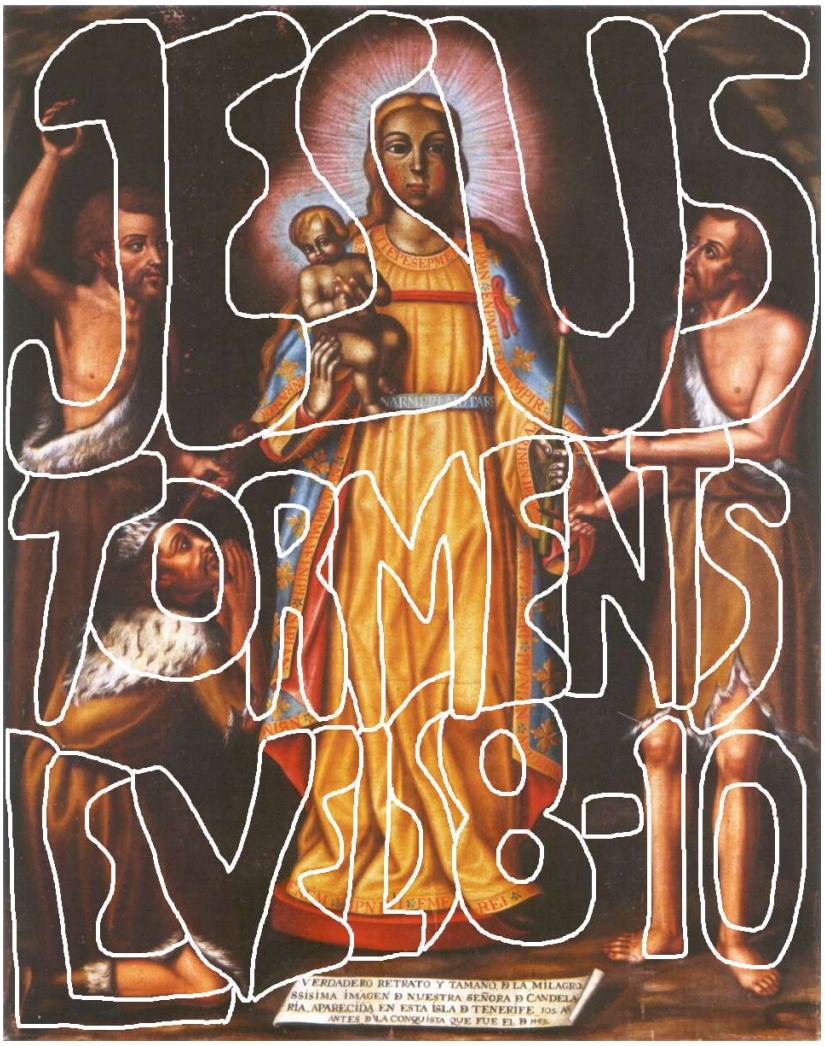


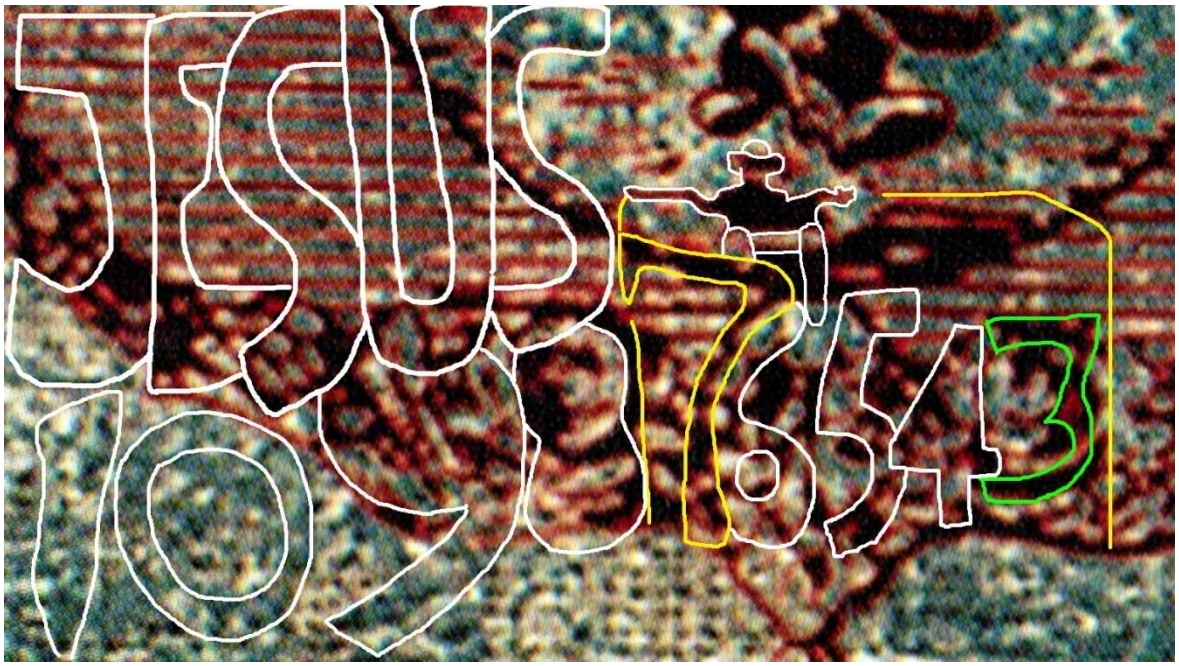
Maybe the bigger surprise is who torments the deepest depths of Gehenna, levels 8, 9 and 10…

Jesus Torments Levels 8-10

This leads to possibilities… My current theory is God really hates the *torment* part, but it's a necessary job, so He does it, as God does all necessary jobs, without delay. But Jesus knows how much it hurts His Dad, so He volunteers to do most of the torment –although the torment requirement also hurts Jesus a great deal. I suspect God handles the *Lake of Fire* torment. Jesus' torment duties may be how Satan realized God really *is* hurt by damning humans; thus, in his *War on God*, Satan attacked God, by damning humans.

I think God Wagered with Satan (or otherwise *persuaded* him) to get him to torment souls, in levels 3-7. Satan wouldn't volunteer to help God.





The Incredible Thing About Natas and God

The page screenshot, to the right, came from page 29 of *The Candelaria Code*. The page discusses the words "True" and "Athena" hidden in the Candelaria code, and discusses the Greeks and Romans modeling their false goddess Athena after Natas.

Athena is a Greek goddess, who may have many worthy attributes, but, with Satan's assistance, she is derived from God's daughter, Natas. Many of the Greek and Roman gods, and their adventures, are derived from the Bible. Most of life's best ideas come from God (life, light, stars, marriage, family, law, medicine…), so I'm certain God gives us His ideas freely; but taking God's ideas and his family to create new false gods is an offense.

Notably, the primary Code also forms the word "karate". I tend to think this was deliberate, to contrast the true creativity displayed in certain regions (such as China and the East, who gave the world karate), because they play by the rules; while other regions cheat and steal, and refuse to give proper recognition to the true innovators –thus, these regions become obsolete, in time.

The Candelaria can represent Natas. With the image and words at the top of the page, God is telling us Natas is the **TRUE** inspiration for **ATHENA**.

The Candelaria codes, like all of God's revelations, seem designed to reveal more than one thing.

As I researched to write that section, it appeared as if every positive aspect about Natas (wisdom, great intellect, virtue…) was taken from Natas. Curiously, Athena did not have children of her own.

This allows for the possibility that Natas viewed Her duties of mothering life throughout the universe as so important that She chose not to have children of Her own. [13] This unparalleled sacrifice would benefit all living creatures on the mortal line of life; but would have no benefit to the G/gods.

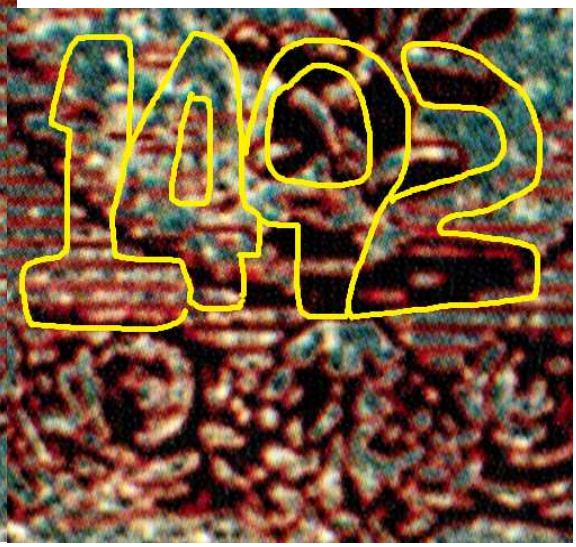
Over the past few years, in my Revelation work, below the text, God often seems to be saying the gift of free will was granted from the start, with all of its blessings and curses. If I am correct about Natas' incredible choice, because it appears that God chose to have only two children, Natas's decision may have reduced God's descendants and the number of the gods by half.

In the near future, I'll update these solutions to share who I believe Jesus' children are.

[13] Yes, just as God can have children, and we can have children, Jesus and Natas can have children –and Jesus almost certainly has children.

The Beast Wagers, 1492-2025

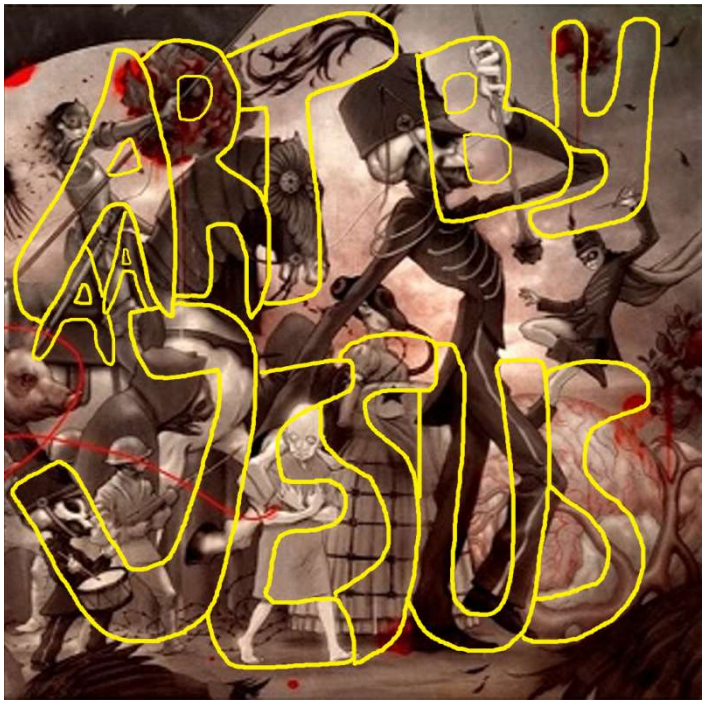
The Elder Badge base contains the hidden message above, *Beast Wagers, 1492-2025*, to confirm the starting point of the Beast Wagers, the portion of the Revelation Wagers that began in 1492, referenced in Revelation 11:6 and 7. But *this* time frame is the *Line 5* Beast Wagers. The *Line 7* Beast Wagers runs from 1555 to 2026.



A Bunch of Art Revelations in L5:THTRT

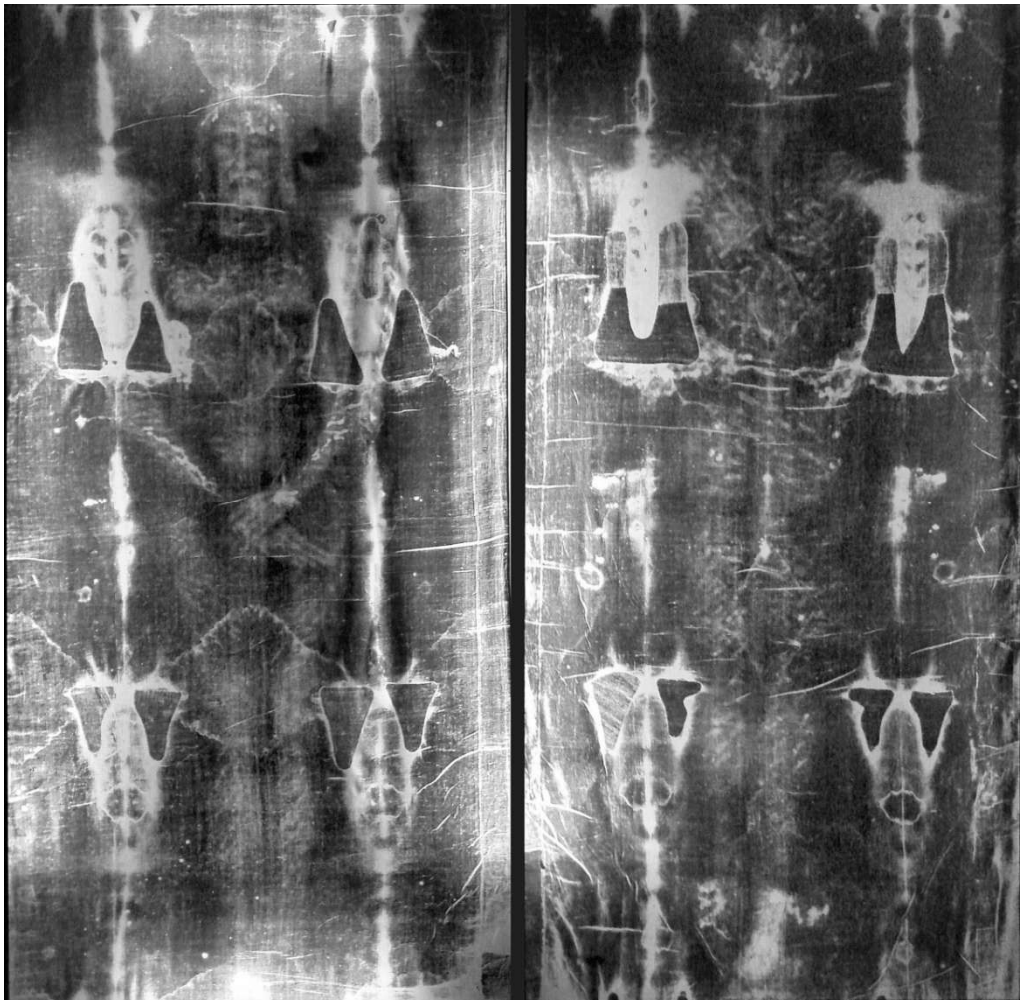
The image to the right is used in *Line 5: The Hands That Rocked Time*, to make a bunch of unexpected art revelation. Take a look, when and if you have time.

Curiously, as you see, below, Satan and Jesus, both, but separately, sign their names to the art. You'll have to read the book to learn the truth.



The Shroud of Turin, In Revelation

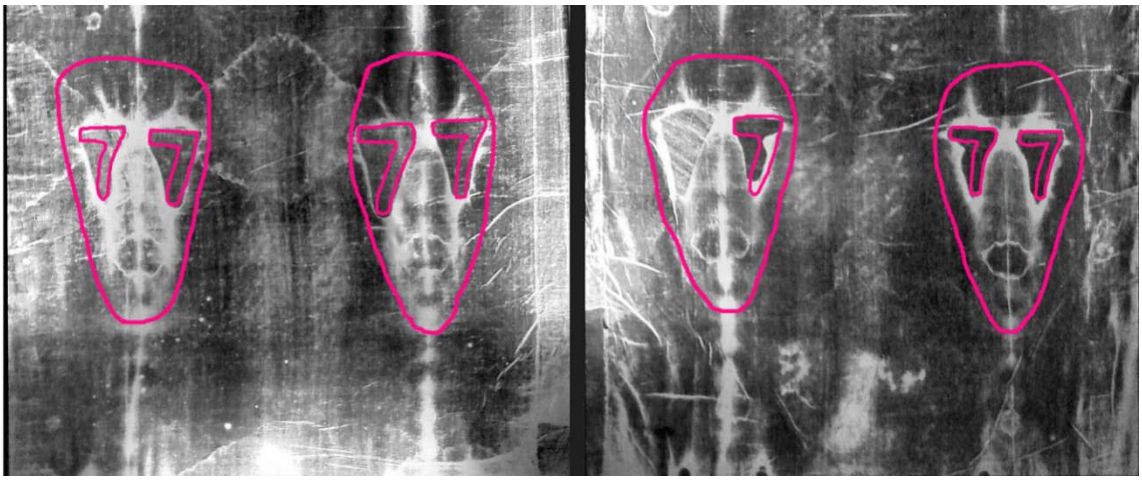
In May 2025, in *L5:THTRT* and in *The Life and Crucifixion of Emanuel*, I presented persuasive evidence that The Shroud of Turin is an image of the first incarnation of Jesus, when His name was *Emanuel*, the long awaited first Messiah. But you decide for yourself.

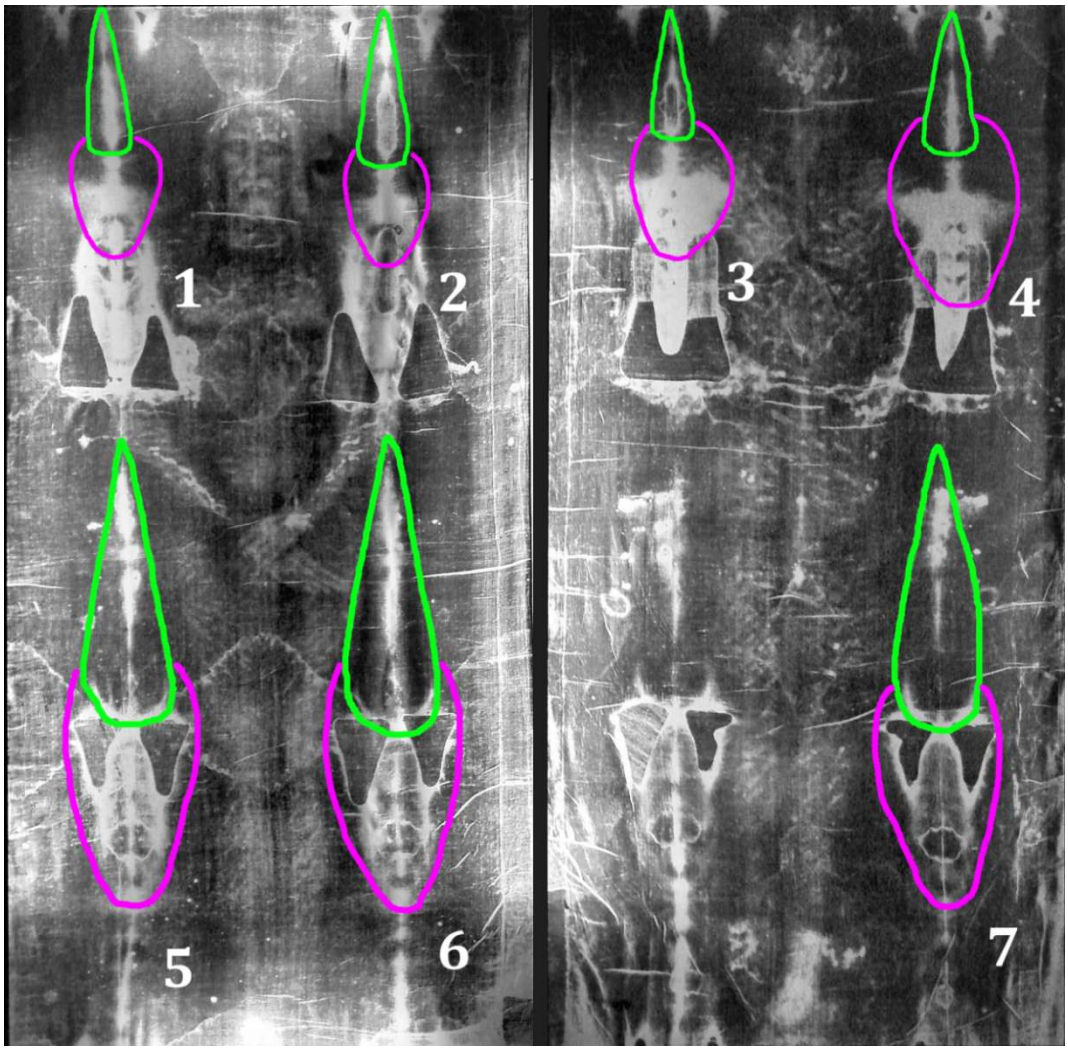


I fairly recently found the Shroud of Turin described in Revelation, in verse 5:6:

"...in the midst of the elder, stood a Lamb as though it had been slain, having SEVEN HORNS and SEVEN EYES..."

The 7 eyes of 5:6 are found in the base of the Shroud, outlined below. The 7 horns are outlined on the next page.



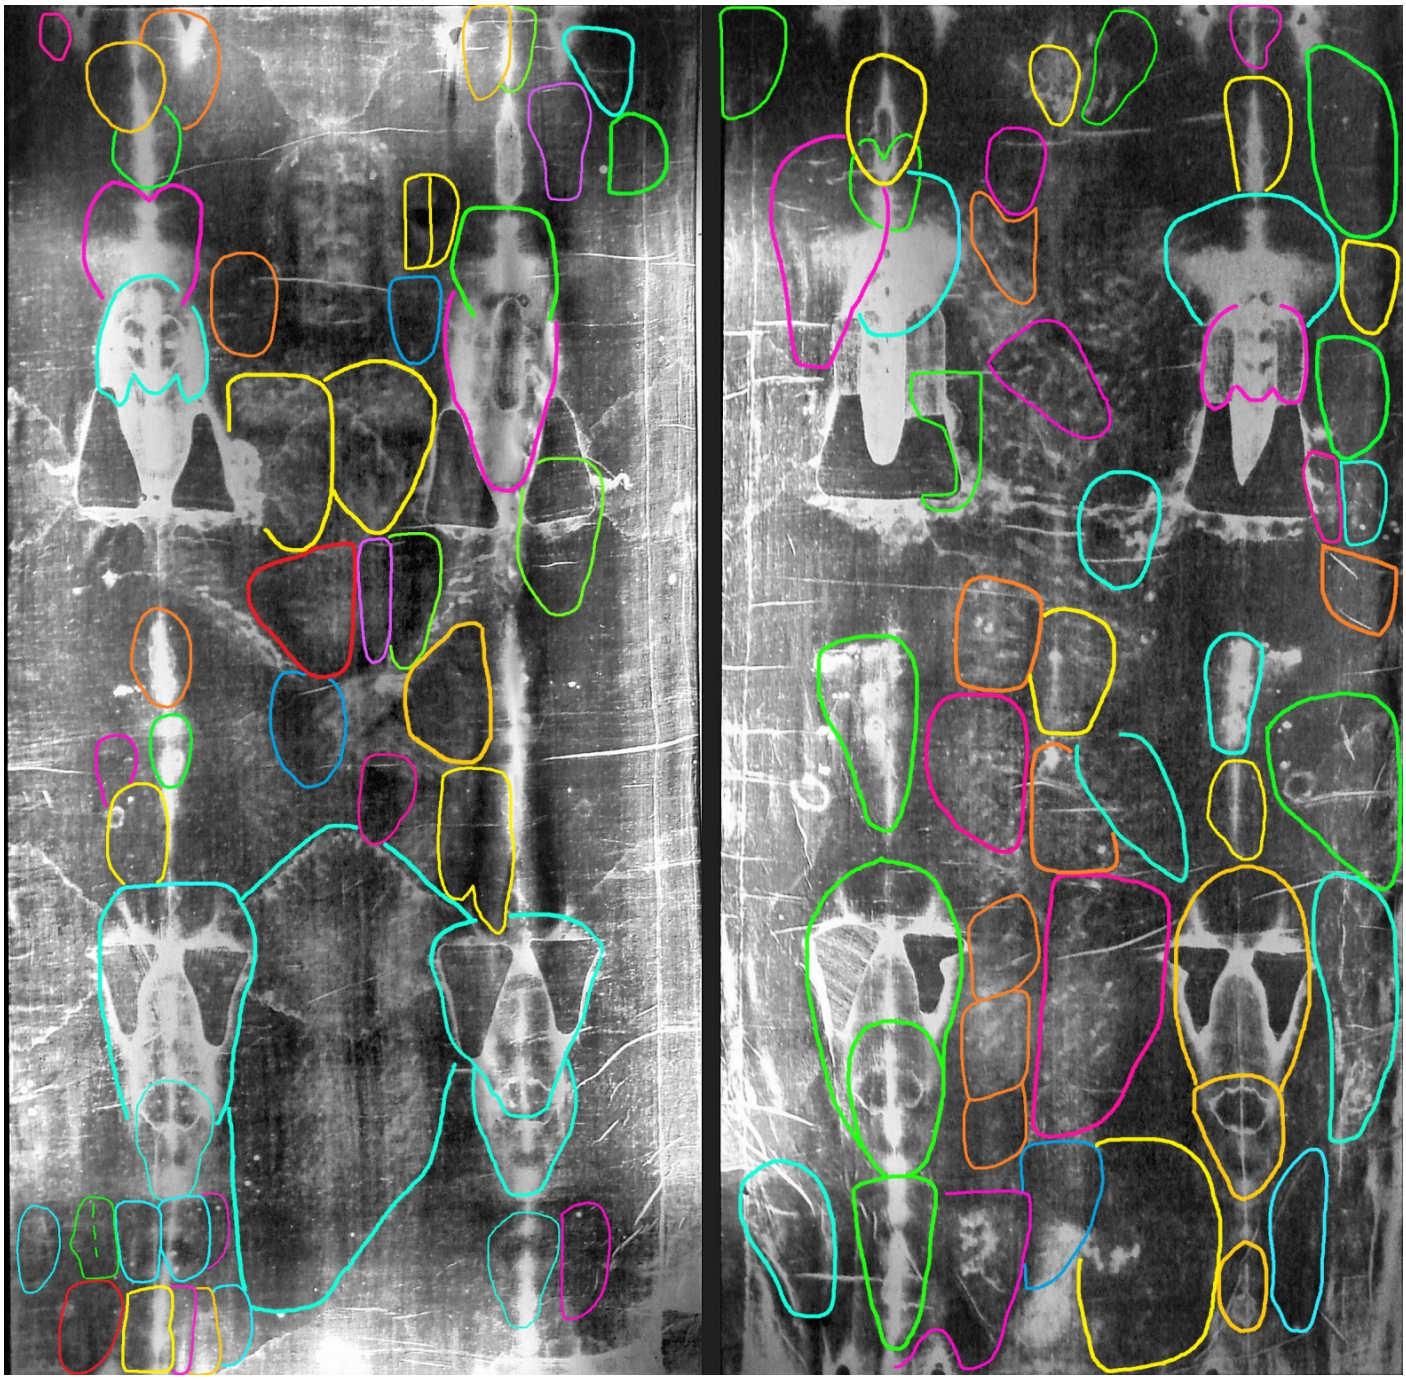


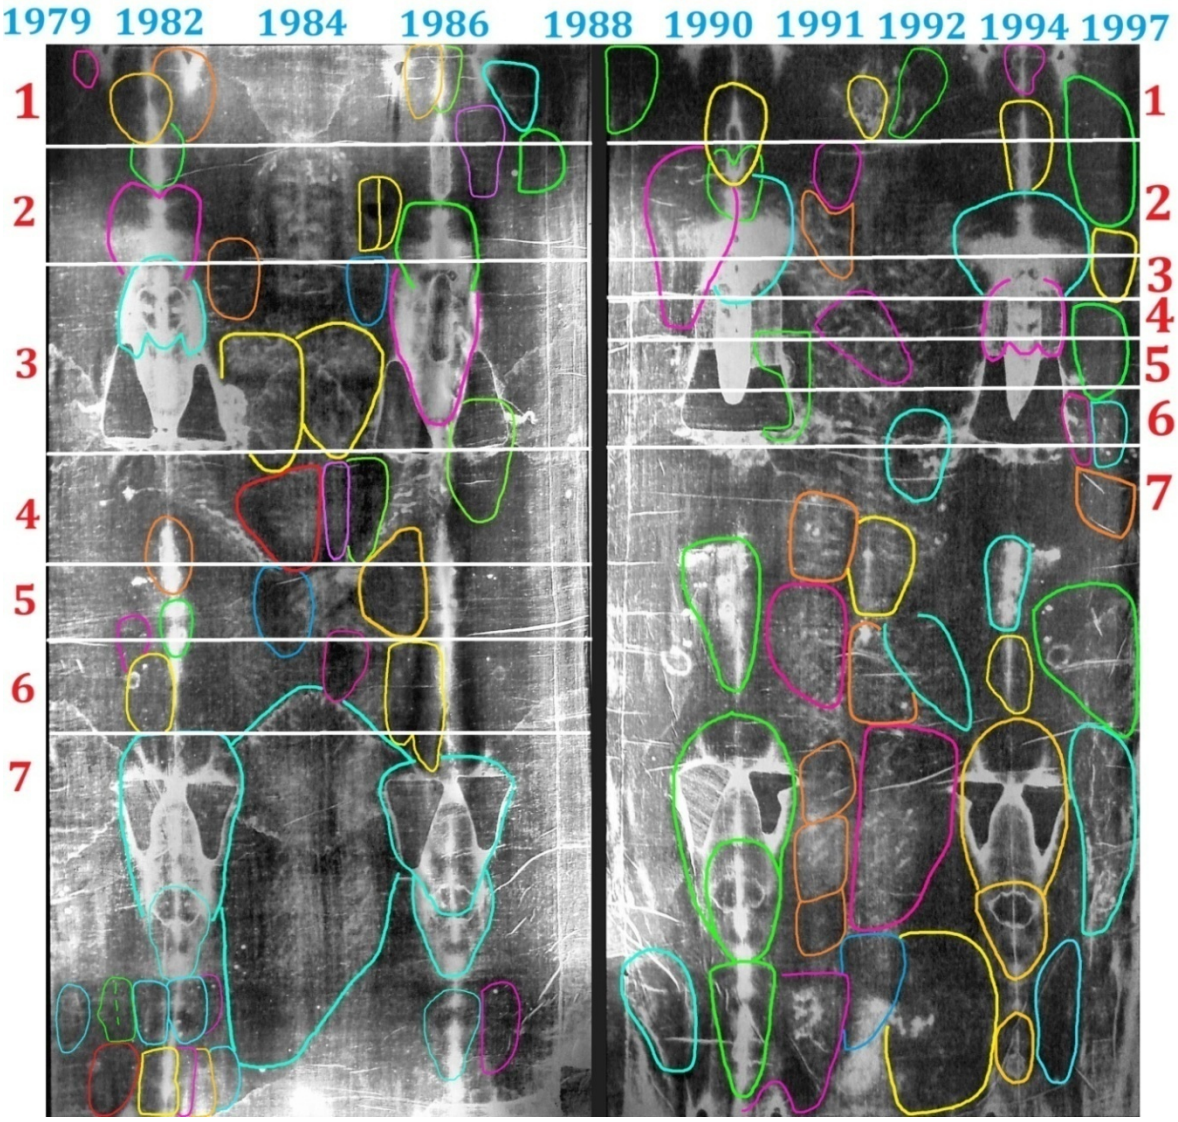
These are the 7 horns, outlined in green, atop 7 heads, outlined in purplish-pink. The faces and horns likely have additional revelatory purposes, but in relation to me, they are to reveal people who committed Mark Crimes (Unforgivable Crimes –see *Revelation 2: The Solutions* for more) against me, during an 18 year period, from 1979 and 1997. There are many more faces hidden in the image, these are a few of the primary faces. *The faces* are important people who interacted with me, the horns[14] represent people John W Gardner deployed to direct *the faces*. Face number #1 is my older sister, Morgan (my sister's position on the chart changes, and improves); the horn above Morgan is Jamie Ensie. Face #2 is Tanya Poindexter; the horn above Tanya is also Jamie Ensie. Face #3 is Paula Bindurski; the horn above Paula is Maria Parent. Face #5 is my younger brother, Ivan; the horn above Ivan is Jamie Ensie. Face #6 is Richard Wright; the horn above Richard is Tim Coffey.[15] Face #7 is Max Radcliff; the horn above Max is Lawrence Wilson (my step-cousin).

[14] The faces of the horns are obscured, as those people are represented elsewhere (in the image, or the Elder Badge, see STSN).
[15] I believe the person in the horn is Tim Coffey. I was working quickly and had some trouble making out this particular image.

In the image below, I outlined many of the faces in the Shroud. I'll soon identify all of the faces outlined below (and more). But first, there are some things to know about how the image and facial representations work.

Notice, below, that some of the facial outlines are very small, and some are comparatively large. The size of the face reflects the size and number of Mark Crimes committed: small face means smaller crimes; large face means larger crimes. God will use all of this to make more important points.





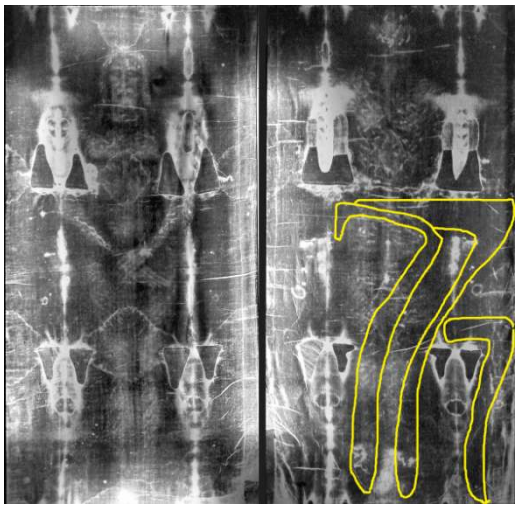
The image is a graph. The years move right to left, starting in 1979, ending in 1997. Where a person's face is on the image indicates the year *that* person committed most of their Mark Crimes. For people who were only in my life for a year or so, this is very accurate. For people who were around for a few years, this is a good *time estimate*.

The image also tells us how deeply each person is damned, currently. No, people are not damned for their transgressions against me. This is a total life evaluation.

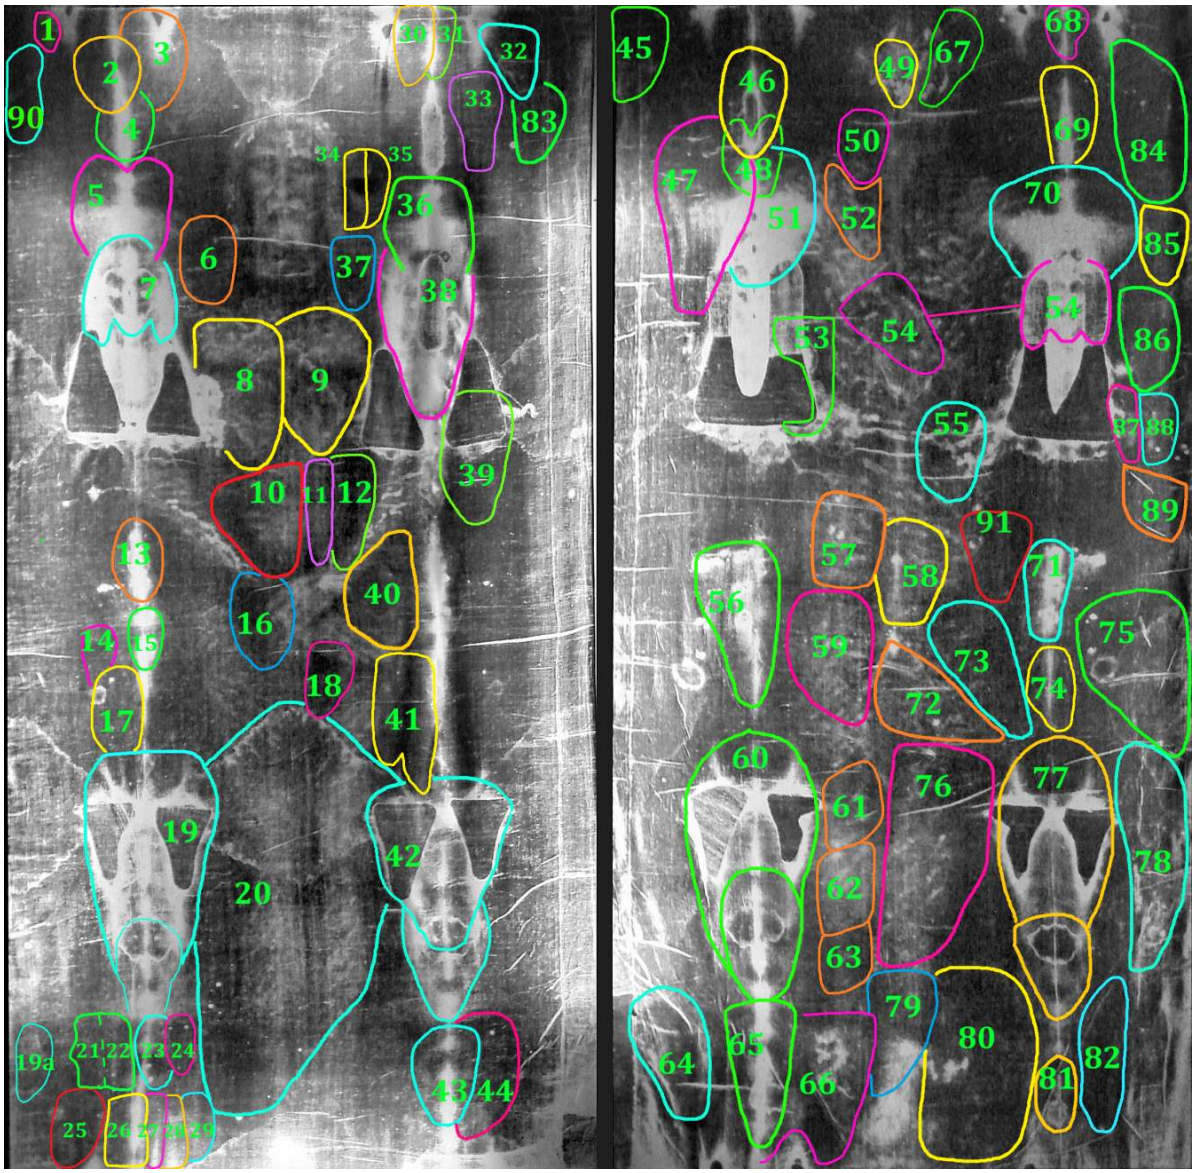
On the left side, you see that back in the 80s fairly few people were damned down to the 7th level of Gehenna (Hell). But on the right, in the 1990s many more souls are damned to the 7th level. This is done to confirm the existence and the serious nature of Mark and Image Crimes, There are four levels below level 7: *8, 9, 10* and *The Lake of Fire* (LoF). On the next page I explain why levels 8 to The Lake of Fire are not charted.

- **If the image were a board game, the goal is to make it to the top, off the image. *Off the image* represents death –no time in Gehenna. One level above that is Heaven.**

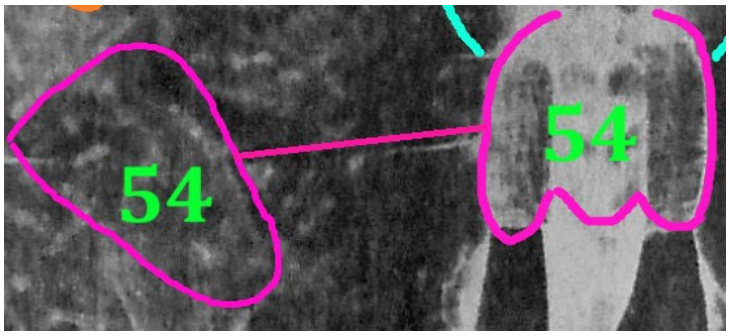
The fact that *Image Crimes* (Unforgivable Crimes committed through our eyes, largely via TV, film and internet) began causing God to damn many more people is consistent with other revelations God has made over the past few years. By he way, in the previous image, I discovered *Level 7* on the right side of the Shroud was higher and larger than on the left side, by noticing the large *7*'s in the lower right corner of the image, outlined in the image to the right. Levels 8, 9, 10 and LoF are not included because souls who earn those levels are not forgiven.



In the image below, I've numbered about 91 faces hidden in the Shroud.

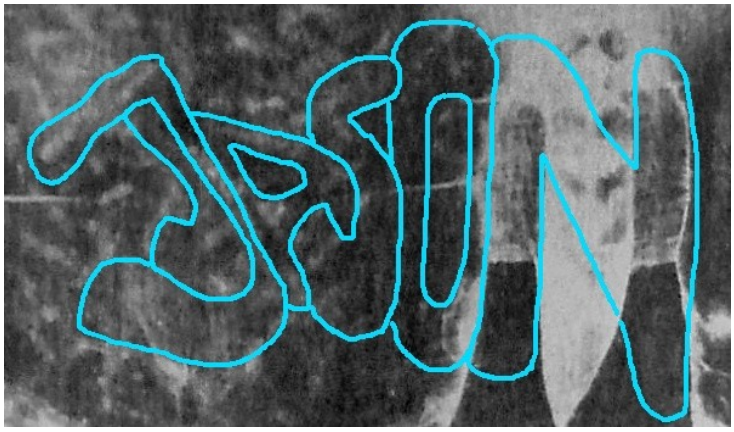


Initially, when I started working on this project, I thought there was only one image of every person. But soon I found three images of two of my sisters, and two images of my former friend Jason Schara, in image #54.

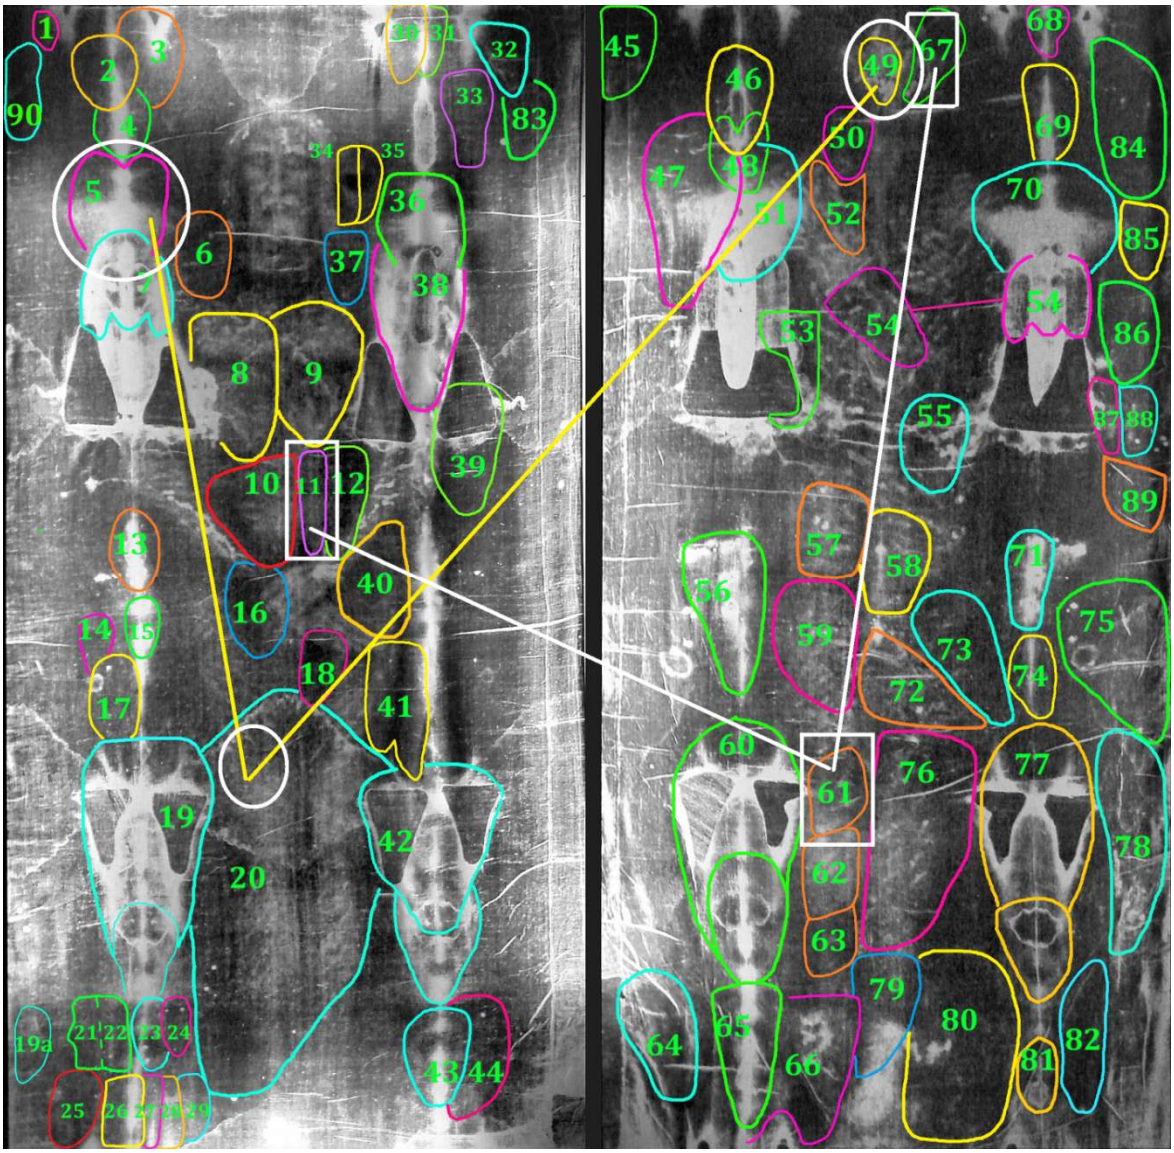


For most people in the image, there is only one image: to indicate their current status. But God made two or three images of about four people, to show that a person's standing in the afterlife can change, if they do good works –or, conversely, if they commit worse sins.

I instantly recognized Jason's face, on the right side of the image to the right, center (with long hair, like he had in his early 20's). Eventually, I noticed what I thought were his initials in an obscured facial image to the left of his primary image. I then noticed that the leters spelled out his first name; but the letter sort of seemed to change postions, as you see in the image outlined in light blue, to the lower right. With this, God was communicating that a few people in the image move up or down in level. In Jason's case, he moved a little higher, from level 4.5 to level 4.



Note: The *N* over Jason's face is there to confirm a another revelation, a few pages ahead.



The image above tracks the two biggest movers in the Shroud: my older sisters Morgan and Zena.

Morgan's progress is marked by the yellow line and white circles. To the far left, Morgan starts in position #5, at level 2, around 1982. Around 1984 Morgan falls to Level 7, partially due to her ex-husband's bad influence.[16] Morgan then moves to position #49, in level 1. This is Morgan's current (October 2026) level.

I outlined Zena in white rectangles; the white lines track her progress. Zena starts at position 11, level 4, in 1984. Zena moves down to level 7 in 1991. But she moves way up to level 1, only a year later. This is Zena's current, October 2026, level.

Of course, Zena and Morgan's status would have changed periodically, over the past 30 years. God chose a final position of 1 to approximate their current status.

[16] The giant blue face is Morgan's ex-husband, Ray. But a closer look at the image shows Morgan's face is also in Ray's image.

I suspect that God showed Morgan and Zena's current position, showing they advanced up to level 1, because back in November of 2025, *Steve's Top Secret Notebook* indicated they were at Gehenna level 4. Hence, in less than a year, it appears that, by force of their good works (and God's grace), they made it up to level 1. [17]

Below are the names attached to the face numbers in the Shroud. I <u>think</u> the levels represent the levels of people at the time I publish this (October 2026).

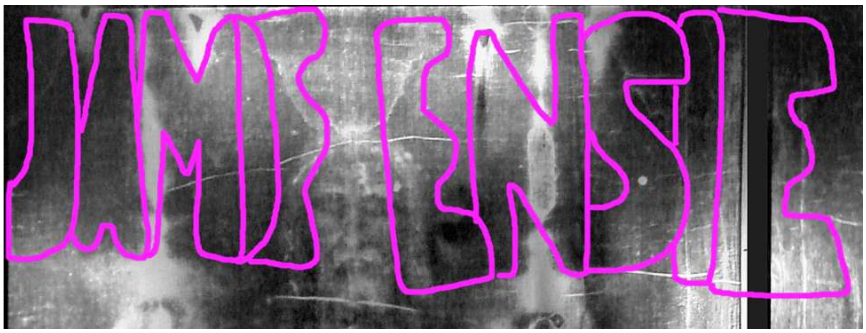
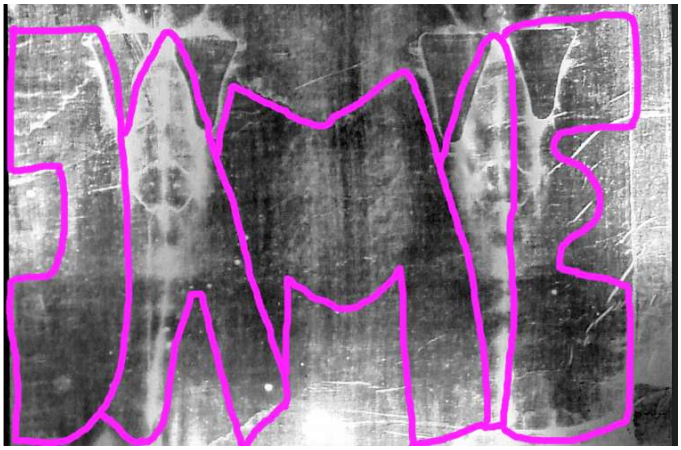
Length of Time in Gehenna (Hell)

For levels 1-6, I don't know how God and Jesus figure a soul's time. But I'm almost certain that if you are in level 7 and you are deep down there, near the bottom of the Shroud image, you are facing more time, maybe much more time.

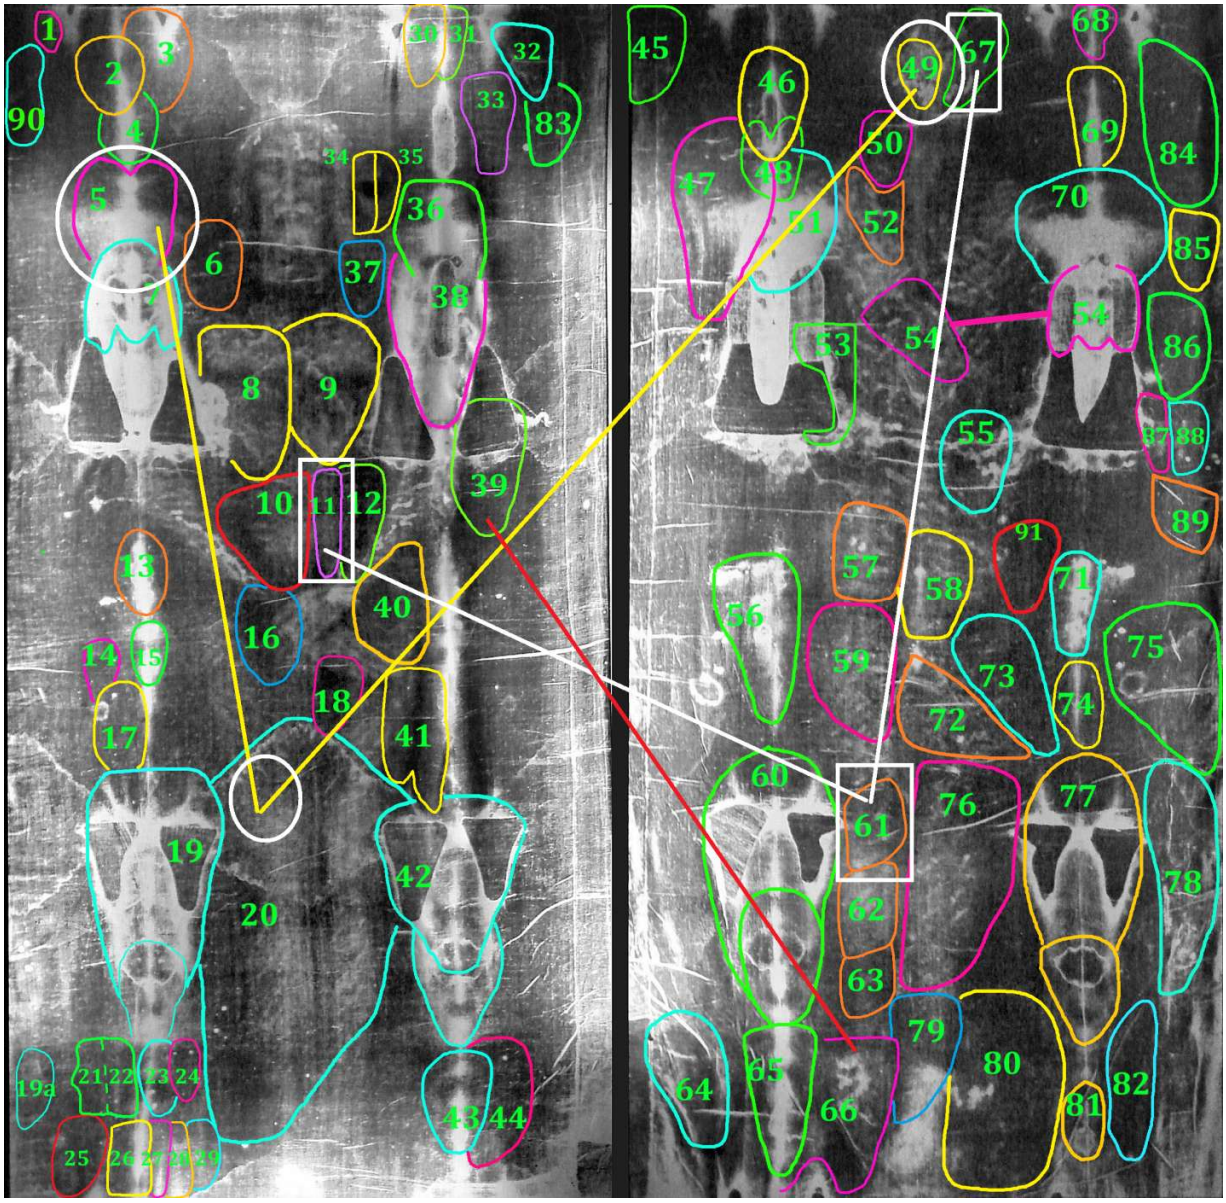
For the record, the person hidden in the Shroud who played the biggest role in committing Mark Crimes was Jamie Ensie. Her role was so big that her name is written across the top and bottom of the left half of the Shroud. The upper image, to the right, is from the top of the shroud, the lower image is from the bottom.





- Most of the faces in the Shroud were identified with initials over or around the facial images. A couple of faces (like Tim Coffey's) were too large to include or positioned so they interfered with other images. Currently, I have not found/identified all of the faces in he Shroud.

The Movers

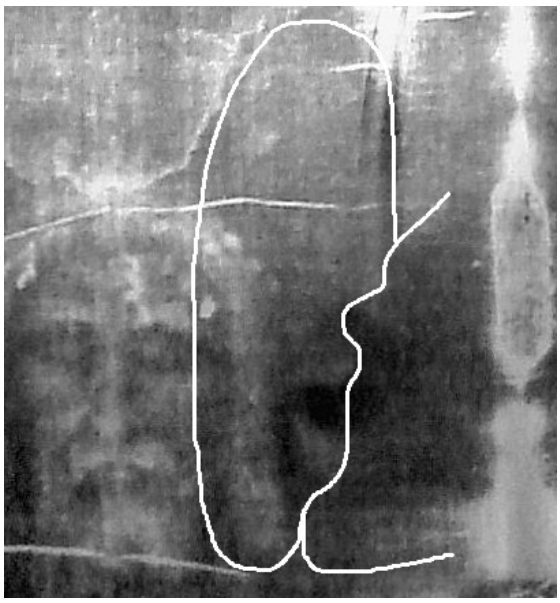


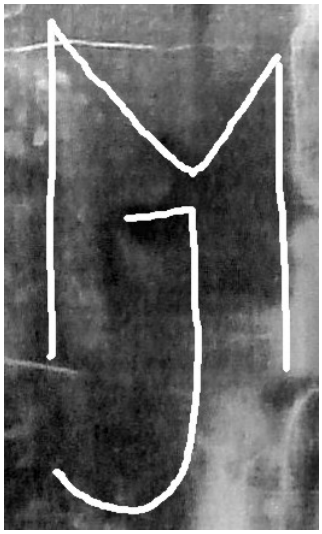
In the image above I added Robert Smith to the faces that change positions. Now you have all of the movers. Two men (Jason Scharra and Robert Smith) and two women (Morgan M and Zena VB).

REMEMBER: as I showed in *Steve's Top-Secret Notebook*, women get a 3-level advantage, due to what nature requires of them, and related challenges.

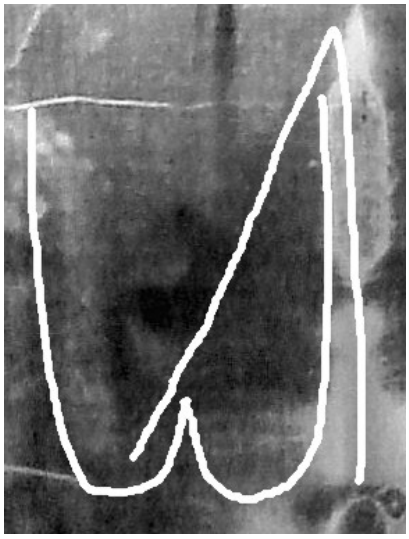
The thing to notice in the image above, is: Jason Scharra (upper right) only moved a half level higher, and Robert Smith moved from level 4 down to level 7; meanwhile, the women move up and down, even way up, pretty easily and quickly. God is showing us there are great differences in how men and women are assessed, and it is more difficult for men to advance up the ranks because of these differences.

I first posted a few image outlining from the Shroud in Steve's Top-Secret Notebook –where I discovered half the people I knew were secretly homosexuals (Satan's sense of humor). With the hidden image to the right, God reveals that the male vocalist in one of my bands was having homosexual sex with my neighbor. Specifically, the people involved were…





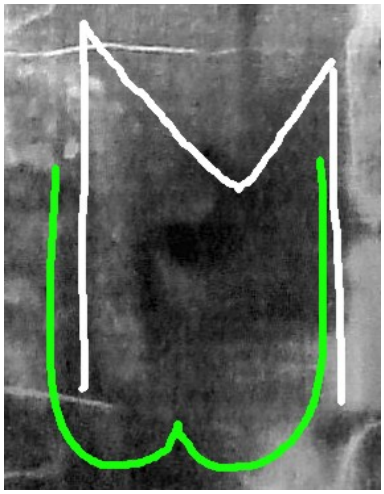
Mel (MelvIn) Johnson



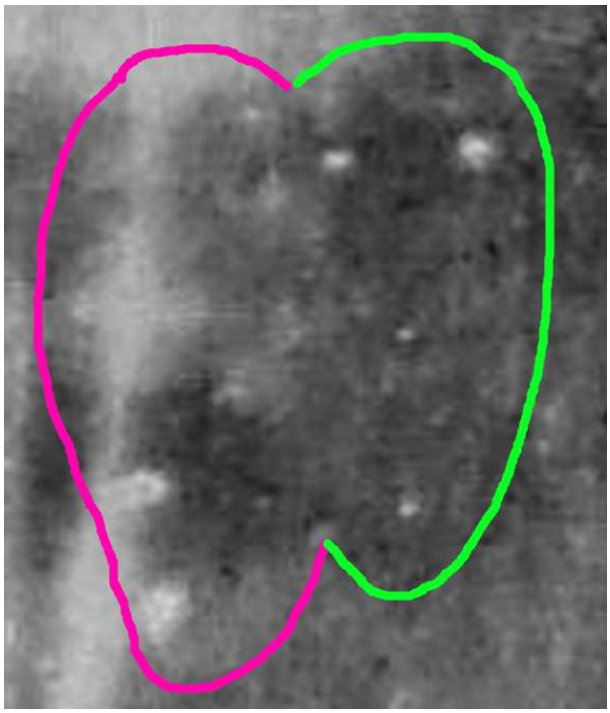
Warren Anderson

God also revealed that Mel Johnson played the role of the male, while Warren Anderson played the role of the female.

One of the points seems to be: If you don't want God and His servant to embarrass you, don't represent yourself as straight, if you are not. It's wiser to represent yourself as you are, or make no representations.

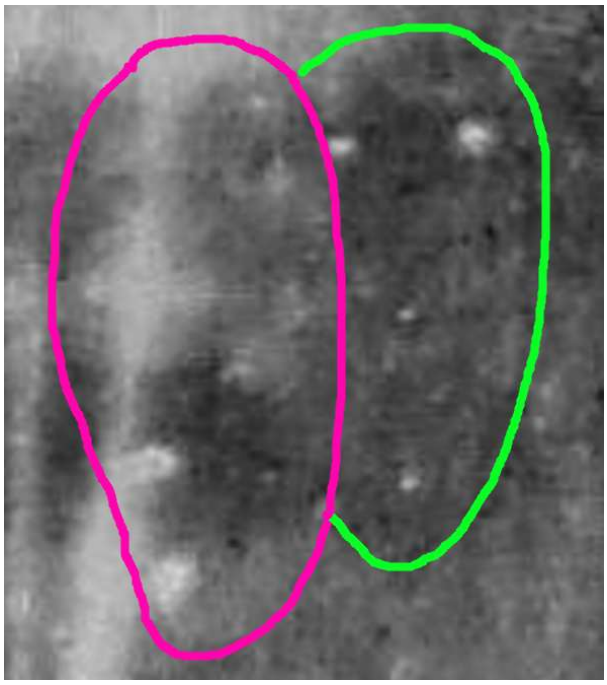


Two of the tiny faces in the lower right corner of the Shroud are these two faces, below: Tom Silva, on the left, and Mark Flores on the right. Mark Flores' image looks so crazy and evil that I had to share it. I was particularly troubled by his eyes. His eyes are white, as if emitting light, unlike all of the other eyes of the faces hidden in the Shroud.

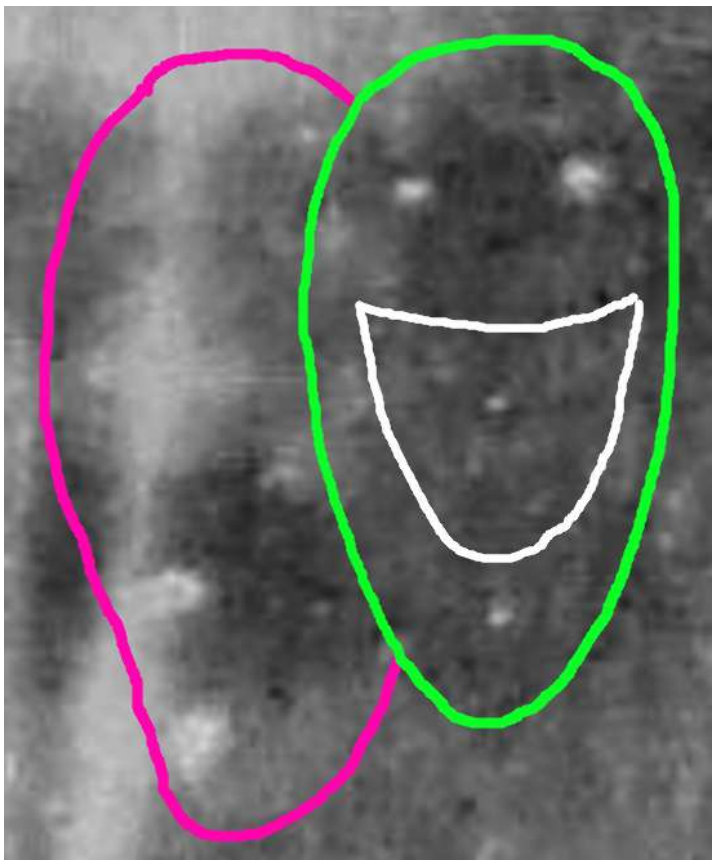


I think God placed Tom and Mark next to each other to contrast them. Mark and Tom were both handsome and popular guys; but both seemed to lack a moral core.

Back in 6th grade, when we were 11 years old, I overheard Mark brag to Jay Samples that he often had sex with a young girl, who at the time was only in the 3rd grade (I opted to omit the girl's name, but her initials were DR). I don't think I ever spoke to Mark Flores after that.



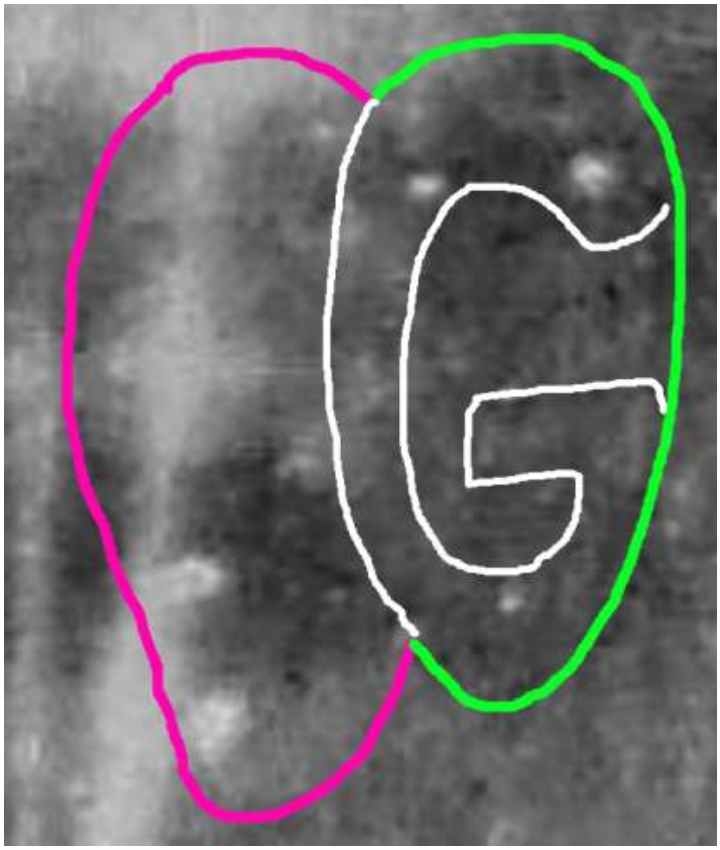
In the image, Tom (outlined in dark pink) looks flat, cold and unfeeling, like a born sociopath. I think that's God's point: People are born with different advantages and disadvantages. That's the luck of the draw. But once we knowingly choose to use our assets in ways that are harmful to others, we are accountable.

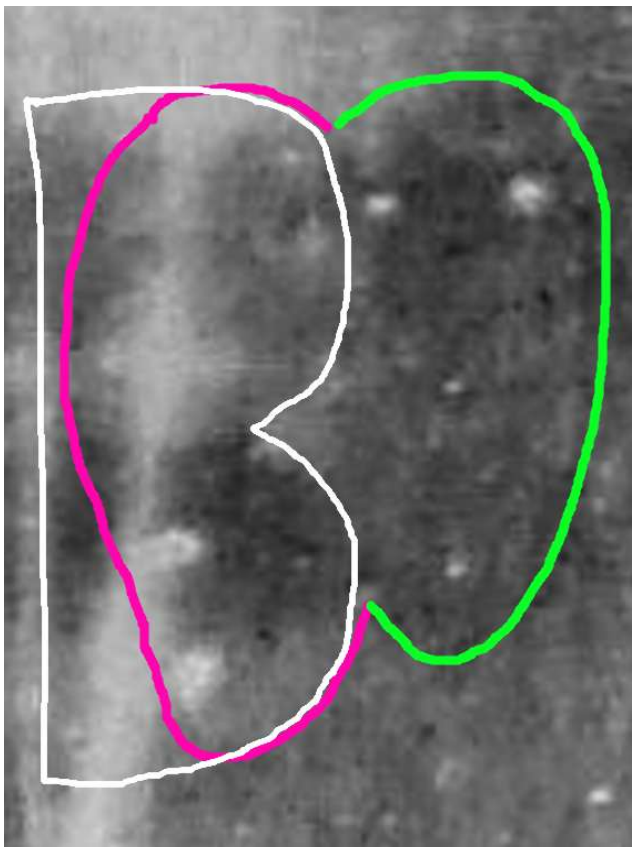


And then there's Mark. With the white, glowing eyes, I believe God is saying Mark Flores was created by images and ideas he picked up on TV, film and radio, propagated in the world around him.

Satan, John W Gardner and the West's elites created cable TV and internet conduits to spread Image Crimes, and corrupt us. The plan worked flawlessly with Mark Flores.

In fact, the plan worked so well that God also placed a hidden image of a *Gardner G* across Mark's face (*Gardner G's*, associated with Image and Mark Crimes, are explained in STSN).

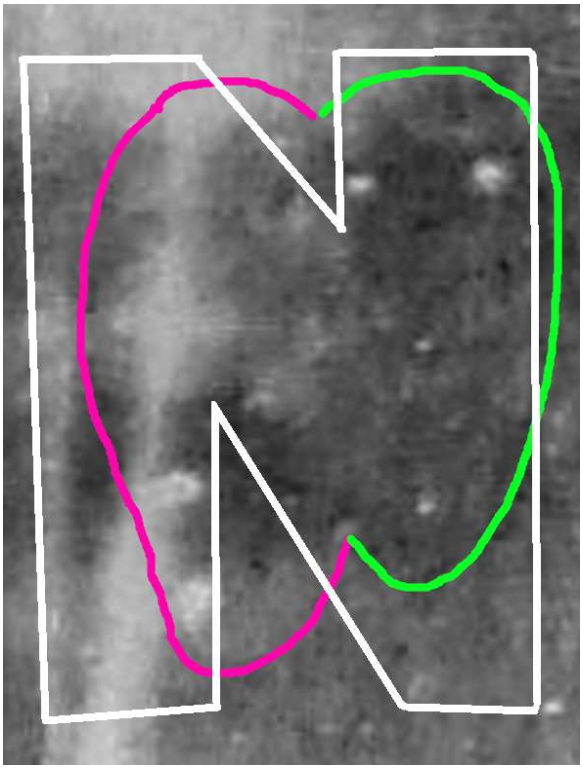




The *B* over Tom Silva's face tells us he was **b**orn with some personality flaws.

The hidden *N* over both of their faces is for ***n**urture*. A dutiful parent can help a kid be much more aware of the feelings of others. And a watchful parent, who doesn't give Western TV, internet and phone companies access to their children has a good chance of raising a child who isn't damned.

Note: A few pages back, the *N* over Jason's Scharra's face indicated Jason's parents did a better job than Tom and Mark's parents.



On to other subjects…

Satan Possessed Hitler

After recently learning and reporting that God freed Satan from almost all restrictions in 1919, I wondered about Hitler, who joined the Worker's Party in 1919. So I checked with the Candelaria Likeness…

Statement of Continued Disruption:

In an April 2025 update of *Killing Guadalupe*, I first explained that I believed God wanted me to confirm and document that, in curtain form, He was doing many things to make my R/revelation work difficult. I believe that expectation continues. Thus, I hereby confirm God, in curtain form, continues to engage in the previously described disruptive, distracting, antagonistic and misleading behaviors, which began in the fall of 2024, and have continued ever since.
