There are 12,000 words in this PDF/mini-book, (not including words contained in this book's many images).

Introduction

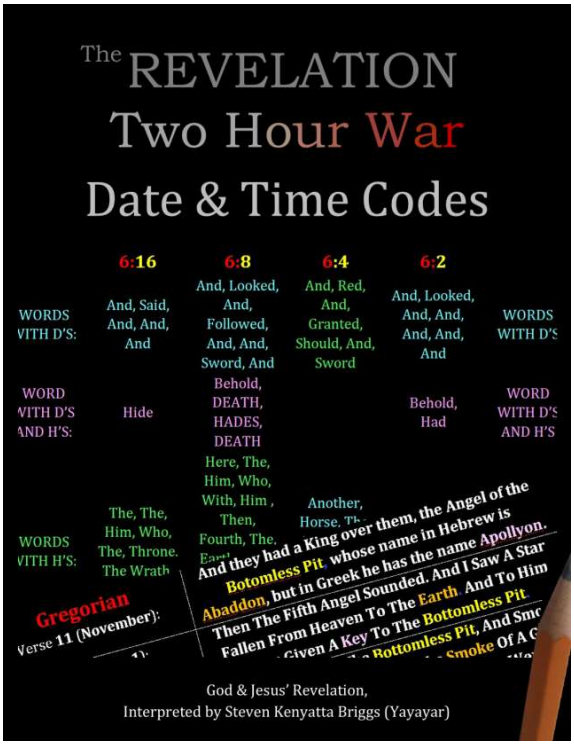
This 50+ page mini-book/PDF contains considerable information directly and indirectly tied to the Two Hour War (2HW), to help readers make informed decisions concerning the 2HW.

This book explains the difference between the notorious One Hour War, of Revelation, Chapter 18, and the Two Hour War, which is expected to be roughly twice the size and destructive force of the One Hour War.

Both the One Hour War and the Two Hour War (2HW) are foretold of in Old Testament Prophecies, which provide glimpses of the Events and their aftermath, without naming the Events.

This book was published hurriedly, in June 2026, immediately after I found the Ezekiel 26:1 date code that revealed the date and time of the Two Hour War, but before I found, explained and published the corresponding Revelation 2HW date codes. The Revelation Two Hour War confirmation date and time codes are now available, free, to examine; 44 Primary and 50+ secondary date codes, in the mini-book/PDF ***The Revelation Two Hour War Date & Time Codes*** (TR2HWD&TC).

Since *this* book was intended to be fairly fast and informative (and at its current 50+ page size, I worry some prospective readers will decline), rather than importing 50 more pages of date codes into this book, I opted to import just two excerpted pages from TR2HWD&TC, pages 9 and 10, presented in reverse sequence on the following two pages of this introduction. Those two pages feature four total date codes, two from Chapter 12 of Revelation, and two from Chapter 2. However, you may not fully understand the date codes without reading the decoding rules (see TR2HWD&TC, pages 1 to 8).



Revelation's Chapter 2 and Chapter 12 2HW date and time codes are presented on the following two pages.

The Chapter 12 2HW Primary Date Codes

The Dragon Code

In sequence, this was the last Primary 2HW code I found; very powerful, and very simple, based on the word **Dragon** –one of Satan's four primary names or titles in Revelation. The Yin Code runs forward, in compliance with God and nature; but the Gregorian code runs in reverse (thus, verse 17 = 1, verse 1 = 17), against God and nature. For perspective, Chapter 12 is seventeen (17) verses long. The word *Dragon* appears in **7** verses (verses 3, 4, 7, 9, 13, 16, and 17). Because he Gregorian runs backwards, there is some overlap, so only 8 verses are required to complete both codes; yet, all seven instances of the word *Dragon* land in the key code verses. For the 8th and final verse, the words ***the Devil*** fall in verse 12 (which is verse 6, in reverse).

Gregorian	Yin
Verse **7** (11, in Reverse): Month **NOVEMBER** **DRAGON** Serpent, Devil, Satan	Verse **9** (Month): **9th Month** **DRAGON**
Verse **17** (1, in Reverse): Day: **1st** **DRAGON** **Woman**	Verse **3** (Day) **23rd** **DRAGON**
V **17** (1, in Reverse): 1st Hour: **1**AM, **DRAGON** **Woman**	Vrs **16** (1st Hr): 16:00: **4**PM, China **DRAGON**
Verse **16** (2, in Reverse):2nd Hour: **1**AM (truly 2AM), United States (West Coast) The **DRAGON** was **Enraged** with the **Woman**, and went to make war with her offspring, who keep the Commandments of God, and have the testimony of Jesus Christ.	Verse **17** (2nd Hr): 17:00: **5**PM, China **DRAGON**
Verse **12** (6, in Reverse): Year: 202**6** **The Devil** **Drew, Devour, Woman**	Verse **4** (Yin Year): 472**4** **DRAGON**

Chapter 2 Primary 2HW Date Codes

Due to the power of Jesus' words in verse 2:23 (in the Yin black box), almost as soon as I began solving Revelation, I viewed Chapter 2 (and 18) as most important to determining the date of the One Hour War (which I learned much later was now the Two Hour War). Satan's name only appears 8 times in Revelation, dispersed in **four** chapters (2, 3, 12 and 20); yet Satan's name appears **4 times** in Chapter 2 –and each instance lands in the date code. The odds of that are low, as Chapter 2 has 29 verses, but the Chapter 2 date codes, *combined*, only use 9 verses. The Julian and Yin codes use primary words that begin with **S**, **T** and **W**, and secondary words that start with **B** or **D**. The meaning of the primary letters (W, S, T) is explained in the Chapter 14 date codes.

So, in Chapter **2**, concerning the **Two** Hour War, there are only **two** primary date codes: the Julian and the Yin. There is no Primary Chapter 2 Gregorian date code.

Julian	Yin
Verse **10**: Month: **October**	Verse 9: Month: **9th Month**

THE TWO HOUR WAR

This PDF/mini-book presents a great deal of information related to the Two Hour War. For a short, concise overview of the facts, see *Two Hour War Bullet Points*.

June 2023, I began reading Revelation, Chapter 13, determined to solve it, and prove John W Gardner was the human Beast, of Revelation 13:8.

A few weeks later, in early July 2023, as I've stated many times, God spoke about 3 sentences to me, totaling between 20 and 25 words. God has never actually spoken to me again. In these three sentences, God asked me to solve His complete Revelation. [The rest of His brief communication is explained in the beginning of *Revelation 2: The Solutions* (referred to as *Revelation 2* and *Rev 2*, herein).]

I agreed. I took His request to mean *solve the Book of Revelation*, but He may have intended more. Thus, in the past 3 years, I've solve much more than Revelation.

Around that same time, July 2024,I learned, via Revelation, the U.S would soon be destroyed in a colossal nuclear war, lasting only an hour: the One Hour War (**OHW**). This caused me to publish and regularly update my Revelation solutions.

There are some gigantic and legendary mysteries in Revelation, such as the Chapter 13:17 mystery; and the Beast mystery (who is the first human beast?), and the Number of the Beast mystery (*666*), both from 13:18. And *what is the Mark*?… And there are countless invisible mysteries, overshadowed by their surroundings, with *solutions* that rival the legendary mysteries…

Good writing and good reading are intellectual and intuitional. If you are a good reader, somehow the Chapter 18 mystery (*Which nation is Babylon, and when will it be destroyed?*) looms larger than the other mysteries. You feel God's anger, you feel the social corruption, then the aftermath of many, many deaths.

Upon reading and re-reading Chapter 18, more than anything else, in solving the Revelation mysteries, I wanted to solve the Chapter 18 mystery –with enough time on the clock to try to get any listening good people in the United States out, or out of harm's way.

Over the next year I tried to predict the OHW 5 times, and failed five times. Each failure resulting in greater humiliation.

But finally, on my sixth attempt, published July 1st, 2024, I nailed the date…

The Complete Date of Destruction

- God, will destroy the US/West on **September 23th, 2024** (Gregorian), in the West, but on **September 24th, 2024**, in the East; or on **21 Wei, 4722** (Yin), in the West, but **22 Wei, 4722**, in the East. The Bombs will launch at **8am in Beijing**, and begin to arrive in the US/West at about **7pm, US West Coast; 10pm, US East Coast**. The War will end 1 hour later; **8pm on the US West Coast**; **11pm US East Coast**.

The times above, in the West, have been adjusted to reflect US/West DST.

Above: The complete Chapter 18 One Hour War solution, from *Rev 2*, July 1st, 2024.

The OHW solution was September (9th month) 23rd, 2024, in the West, or September (9th month) 24th, 2024, in the East.

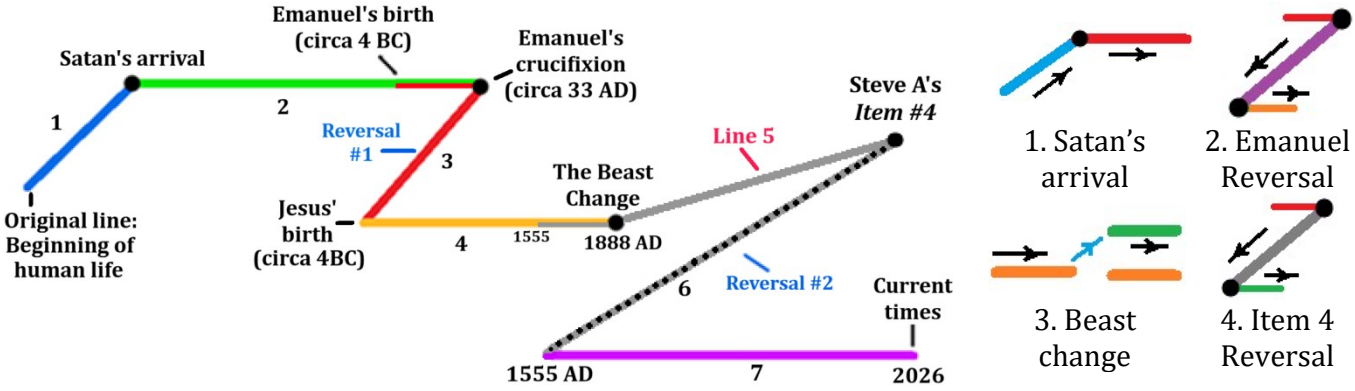
But the day passed quietly. But I hit the numbers. I knew I hit the numbers…

God would destroy the US –but not the Gregorian year, 2023, as I mistakenly assumed, but the Yin lunar calendar year 4723 –which is 2025, on the Gregorian.	Fail
#2. January 13th, I said D-Day was February 23rd, 2024 (in the West), February 24th , 2024 (in the East).	Fail
#3. March 13th, 2024, I said D-Day was **May 1st** (West), May 2nd (East). But I withdrew this, and issued a new D-Date prediction a week later.	Fail
• This solution utilized the 5/1 *Publication clues* hidden in the Revelation text, confirming the 5/1 *Publication clues* found in Juan Diego's badge over a year later.	
#4. March 21st, 2024, I predicted *the Event* would occur June 12th, 2024 (West) and June 13th, 2024 (East).	Fail
#5. June 17th, 2024, based on John Gardner's apparent predictions, I predicted Destruction Day would occur June 23rd, 2024 (West), and June 24th, 2024 (East).	Fail
#6. CORRECT! July 1st, 2024, I published the correct Revelation D-Date. **BUT** this date is a **tactical deception**, based on deliberately false Revelation clues.	Fail, but Full Credit

I was, and am, so certain of my July 1st, 2024, Chapter 18 solution that although I continue to periodically revise my solutions, my *Rev 2* Chapter 18 date solutions remain unchanged –even though I have made several new OHW date predictions since September 2024. I was so certain of my date solution that, by mid 2025, I reasoned the Chapter 18 mystery/solution must have been a Divine *Tactical Deception*, to distract attention from a new OHW date, coming somehow soon. Thus, in the image above (from *Revelation 2: The Solutions*, February 2026), at item #6, you'll notice I gave myself full credit for the correct OHW solution, published July 1st, 2024 (this Chapter 18 date will remain unchanged).

I hit the numbers, without question.

In May 2026, my new book/PDF, *Line 5: The hands that Rocked Time* (L5THTRT), revealed why the OHW didn't happen on September 23rd, 2024… **SOLUTION:** There are 7 human timelines, which include two reversal timeline Events. The One Hour War of Revelation's Chapter 18 happened on Line 5 –a timeline that ended, in a reversal, over 470 years ago. We live on Line 7. L5THTRT explains that God gives each timeline and each person and each major timeline Event their own name or identifier, so humans understand: no soul or Event, on any timeline, will be forgotten.



Above, left, a conceptual map of the 7 timelines; right: the four events that created the 6 new timelines. The 7 lines are: (1) the original human line; (2) God sending Satan to Earth started Line 2; (3) Emanuel (God's Son, the first human incarnation of Jesus) lived on Line 2, but caused and likely executed Line 3, Earth's first time **reversal**; this also started Line 4; (4) Line 5 was created at the end of Line 4, in a *phantom* change; (5) Line 6 was a massive 470 year **reversal**, caused by God and a human who entered an *Item 4* reversal request (this is the only timeline change that directly involved a human), this reversal led to Line 7, the timeline we live on. To learn the details about these timelines and changes, read *Line 5: The Hands That Rocked Time*.

Around the same time that I discovered the 7 human timelines,[1] I thought I found messages in several sacred Artworks indicating the One Hour War would happen on June 6th, 2026, of the Julian calendar (or June 19th, 2026, on the Gregorian calendar). That event didn't happen, making my prediction, seemingly, my eleventh OHW miss. However, my tenth OHW date (December 25th, 2025, Julian, January 7th, 2026, Gregorian) and my eleventh date (June 6th, 2026, Julian; 5th Month 5, Yin) were both major date hits –but I had yet to understand these dates (more about these dates later). A few hours after learning my June 6, 2026 OHW prediction missed, I had a hunch about why I was not hitting the correct OHW date… God gave each timeline, person and Event different names. I had been looking for the Line 7 OHW under the Line 5 code name: *Babylon*. I needed to look for the Line 7 Event under its unique Line 7 code name…

August 2024, I added a new section to Rev 2, concerning the *Prophecies Against* –linked to the OHW. The new section cited the Book of Ezekiel many times (see below).

> rywhere. To understand why, we have to go to the Book of Ezekiel, to see 4 events:
> 1. In Ezekiel 8:3-6, God shows Ezekiel the ***Image of Jealousy*** (which represents the *Image* devises in Revelation 13) corrupting mankind;
> 2. Next, in Ezekiel 8:7-12, God takes Ezekiel to a holy place (the Vatican) with

Above: an excerpt from page 141 of the August 15th, 2024 edition of *Revelation 2: The Solutions*.

[1] Upon discovering the human timelines, for almost 3 months (April 4th to June 30, 2026), I was mistakenly thought we lived on Line 6 (I thought the Item 4 reversal led to Line 6; not realizing the Item 4 reversal was its own timeline –line 6- which led to Line 7).

ALL STATESMEN AND RELIGIOUS LEADERS should read Isaiah and Ezekiel, as they provide reliable prophecies of events to come, during and after the One Hour War.

- The *prophecies against* Babylon are prophecies against the US.
- The *prophecies against* Tyre are against Western Europe.

Above: An excerpt from page 141 of the September 11th, 2024 edition of *Revelation 2: The Solutions*.

As I broadened my use of the Prophecies Against, a few weeks later, in my September 11th, 2024, *Rev 2* report, I encouraged world leaders to read Isaiah and Ezekiel (above), regarding the OHW. In the Prophecies Against, Babylon clearly seemed to be the Babylon of Revelation (the US), but Tyre also seemed to be the US, or a very similar nation. I reasoned Tyre must be Western Europe (see red & blue arrows above).

ALL STATESMEN AND RELIGIOUS LEADERS should read Isaiah and Ezekiel.

- The *prophecies against* Babylon are prophecies against the United States.
- The *prophecies against* Tyre are also against the US (possibly the US/West).

Above: An excerpt from page 141 of the December 22nd, 2024 edition of *Revelation 2: The Solutions*.

But, by my December 22nd, 2024, posting of *Revelation 2: The Solutions*, I felt Tyre was either Western Europe or the US/West. More accurately, I felt Tyre was likely the US or the US/West, but I couldn't understand why God would give the same nation different names… This is how I found the United State's Line 7 Biblical codename.

Babylon was the United State's Biblical codename for Line 5.

Tyre is the United State's Biblical codename for Line 7, our line.

The book of Isaiah has one *Prophecies Against* chapter on Tyre: Chapter 23.[2]

Ezekiel has three chapters dealing with Tyre: 26, 27 and 28.

Of these four chapters, Ezekiel, Chapter 26, reveals when the War will occur. But this new Line 7 war is a two-hour war: the ***Two-Hour War*** (2HW). Ezekiel 26 links to Revelation, Chapter 18. [3] Ezekiel's 2HW date (at 26:1) links to Revelation Chapter 11. Ezekiel 27 provides support. Isaiah, Chapter 23 provides secondary support.

- In March and April 2026, I published *The Candelaria Code*, decoding messages from God. This is relevant, because the Ezekiel 2HW date solution involves solving code hidden in several Bible books.
- Amazingly, God placed the 2HW time (hour) in the only hour of the year where the war will last two hours on Eastern clocks, but only one hour on Western clocks.

[2] However, Isaiah, Chapter 24, appears to describe *Prophecies Against* wrath God imposes upon the West, their allies and probably the US, in the months and years after the OHW. (NOTE: Isaiah chapters 40 to 66 are Dead Sea Scroll fakes.)

[3] EZ 26:7 is linked to REV 18:2, 10 and 21 by the word **Babylon** (the REV code word for the U.S). EZ 26:7 is also linked to REV 18:13 by the words **horses** and **chariots**. EZ 26:7 is also linked to REV 18:3 via the word ***kings*** (plural). EZ 26:**21** links to REV 18:**21** by the phrases (roughly) "never be found again." EZ 26:13 and REV 18:22 are linked by concept of *harps* (musical instruments) *not being heard anymore*. EZ 26:12 links to REV 18:11, 12 and 13 by the word ***merchandise***. EZ 26:4 and 10 are linked to REV 18:19 by the word ***dust***.

TIME-CODES

One, Eleven, Two, Seven (and Nine)

Toward establishing the date and time of the Two Hour War, the most important numbers are 1, 11, 2 (II), 7, and 9.

1 is God's secondary number. As God's first Son, One is Jesus' tertiary number.

11 can represent the number/quantity *11*, or it can represent two 1's. And two 1's can represent the rare and peculiar date in the West when the 1-o'clock hour happens twice, consecutively. 11 is important because it links to chapter 11 of Revelation –where the beast first appears –and where a time-code is introduced.

2 can be expressed many ways, including as two ones, as in the Roman numeral *II*, which looks very much like 11. In the 2HW story, 2 can represent *deceit*, as Satan manipulated Western clock faces, so the 1 o'clock hour was the second hour.

One of Revelation's overarching subjects is *time*, and God's absolute control of it. In the 15th and 16th centuries, who gets to control the expression of time, in calendar years and the placement of hours on our clocks, became a central battleground in Satan's War against God. Accordingly, in 1582, the West created the Gregorian calendar, to supplant the Julian calendar –based on the birth of Jesus. At the time, clock-making was a developing art. Clocks would not become affordable for common people for another 300 years. 16th century clocks looked very different from anything we'd call a clock today. Western mathematician and writer Jost Burgi is credited with making the first clock with a minute hand, in 1577, although I found no evidence to support this.

As days are divided into 24 hours, we might imagine a 12-hour clock with a *1* in the first position, at the top, and a 7 (God's primary number) at the bottom. But the 16th century concept of a "minute" became the wedge to reconfigure time, as Satan preferred: on a clock face where 12 meant 1, and 1 meant 2,…; symbolic of Satan's attack on knowledge. To defend this, some advance the *zero year* argument: "when you are born you are not one year old." But this selective use of standards used to measure human age defies reason. We don't use a century to measure a year, or a year to measure an hour. January and the other months begin at the start of the first day, not the close of the last. Do we now count the first voter in each precinct as zero-votes and negate thousands of votes?

Nine also factors into these solutions, to tie the 2HW to God's Genesis Chapter 9 rainbow covenant with Noah. And, as the single numeral representing the highest number/value, 9 represents *the people*, and their responsibility for their government.

The Time-Codes

Before I reveal where God hid His Two Hour War date, I will show God's use of five time-codes, 2 in Genesis, 1 in Revelation, 2 in Daniel, to establish God's use of codes.

Genesis chapters 5 and 11 document the **9** generations of sons (not necessarily first sons) from Adam to Noah (where some sons lived over 800 years), and from Shem to Terah (where sons lived over 300 years). The *Genesis **5*** code concerns the Line **5** One Hour War; the *Genesis **11*** code concerns the Line 7 Two Hour War.

TIME-CODE I: Genesis 5

This code has two parts. FIRST, each **2-verse** phrase/paragraph tells us how old each character was when their son was born This number is accurate. SECOND, God tells us how many years the character lived after their son's birth. But this number is false; to make it true, you must break the code –by changing the word "years" to "months. Then divide the second number by 12, to learn how long the character lived after their son' birth. Add both sets of *true years* to get the character's full lifespan.

Genesis, Chapter 5

Who	Lived how long	Begat whom	Lived how long after	Convert months to years (div by 12)	True lifespan
Adam	130	Seth	800	66.666	**196**.66 years
Seth	105	Enosh	807	67.25	**172**.5 years
Enosh	90	Cainan	815	67.9	**157**.9 years
Cainan	70	Mahalaleed	840	70	**140** years
Mahalaleed	65	Jared	835	69.58	**134**.58 years
Jared	162	Enoch	800	66.666	**228**.66 years
Enoch	65	Methusaleh	300**	300**	**365**
Methusaleh	187	Lamech	782	65.16	**252.**16 years
Lamech	182	Noah	595	49.58	**231**.58
Total:	1056			**822**.79	1879.04

5:23 says "Enoch ***walked with God* 300 years." Thus, I believe all of Enoch's years were actual years.

This code was/is for Line 5. But the two amazing things about this code are:

1. By dividing the years-after-birth by 12 (the rough number of times the moon orbits Earth per year*) the total number of years after all sons' birth is **822**. Per to my *Revelation 2* solutions (Chapter 18), the Line 5 OHW date was **8/22** East: **8th** Month (Gui-Yue) **22**, 47**22**. (*The Moon's actual synodic orbit is **12.4** cycles per year).
2. Unlike all other verses in Genesis 5, verses 5:**23** and 5:**24** feature the expression *walked with God*. On Line 5, the OHW was predicted to occur on September **23**rd, West, and September **24**th, East, on the Gregorian calendar. Enoch's **365** total years reflect the 365 days in a year, to indicate the clues pertain to a date code.

- Thus, this code verifies the accuracy of my prior Revelation OHW solutions.
- 1056 may represent important OHW times **[**10= close of OHW (East), 5-6 the OHW time in the West**]**.

TIME-CODE II: Genesis 11

Genesis, Chapter 11

Who	Lived how long	Begat whom	Lived how long after	Convert months to years (div by 12)	True lifespan
Shem	100	Arphaxad	500	41.66	141.66
Arphaxad	35	Salah	403	33.58	68.58
Salah	30	Eber	403	33.58	63.58
Eber	34	Peleg	430	35.83	69.83
Peleg	30	Reu	209	17.41	47.41
Reu	32	Serug	207	17.25	49.25
Serug	30	Nahor	200	16.66	46.66
Nahor	29	Terah	119	9.91	38.9
Terah	70	Abram			
total	**390**		2471	205.88	**525**.87

The Genesis 11 code, above, reveals the true average total lifespan, from Shem to Terah, was 65.6 years (525/8). This is much closer to what we'd expect for a human population (but 5000 years ago, 65 years was still a much longer life than average).

There are only two meaningful numbers in the code above:

1. **525** can represent **May 5th**, 202**5**, the Line 5 date when God turned back time.
2. The Line 5 One Hour War occurred on September 23rd, 2024 (East). **390** days after the OHW was **October 19th**, 2025. This mini-book reveals **October 19th** is the Julian calendar date of the Line 7 Two Hour War (although the 2HW will occur in **2026**, not 2025). These numbers show God took care to respect these solemn Events by placing them in separate and distinct years. This appears to reinforce some of God's recurring messages, in the Bible and His various sacred Artworks, instructing humans to keep accurate and falsification-proof records.

Code Break 1

- In codes I and II, God uses the word ***year*** to mean ***year*** in the first position, but uses ***year*** to mean ***month***, in the second position.

The Relationship Between the Gen 5 and the Gen 11 Codes

- The Genesis 5 code represents timelines 2 and 5 (timelines that Satan passed through with no prior knowledge). The Genesis 11 code represents Line 7 (a timeline Satan had a second chance at, with full knowledge, due to the Line 6 time reversal). The Genesis 5 and 11 codes are intended to be compared to each other. Upon comparison, we see how life is degraded when Satan has a second run at a timeline. The average true lifespan on the Genesis 5 code was 208.7 years, but lifespans fall to 65.6 years in the Genesis 11 code.

TIME-CODE III: Revelation 11

Although many of us view Revelation's beast mystery as beginning in Chapter 13, the *Beast out of the Sea* is introduced in **Chapter 11**, verse **7**. By introducing the beast in this chapter (11), and in this verse (7), God uses His primary number, 7, to mark *11* as relevant to the beast.

Revelation, Chapter 11; verses 9 and 11 each feature the phrase, ***three and a half days*** –this is a code, marking a period of great difficulty.

Code Break 2

For over two years, my *Revelation 2* solutions for Chapter 11 have explained that "**three and a half days**," in verses 11:9 and 11:11, means **350 years**. 350 years marks the 1519 rise of the Beast out of the Sea –the Holy Roman Empire (HRE) –Western Europe), and its fall in 1869. (*Revelation 2* shows God's use of many time-codes.)

- With this code (*three and a half days*), God uses ***one day*** to equal **100 years.**

I believe God chose verse 9 and 11 to foretell the Two Hour War event month, on the Yin calendar: ***9**th Month*; and on the Gregorian calendar: November (the **11** month).

- *Revelation 2*'s Chapter 11 solutions reveal the identity and birth year of Revelation's original human beast. They also reveal that, in 1888, God changed -replaced- the first human beast, to punish Satan. But L5THTRT reveals that Satan had only 1 beast on Line 5, but received a second beast on Line 7. Thus, the *11* in Chapter *11* can represent two 1's, or the Roman numeral II, or two lines (Line 5 and 6), or Revelation's two national beasts (the HRE and the US), or the two beasts of Line 7….

TIME-CODE IV: Daniel 7

The Old Testament shows other well known occasions when God, through His prophets, used time-codes. Two well-known occasions occur in the Book of Daniel:

1. Daniel 7:25 foreshadows the first beast of Revelation, the Beast out of the Sea:

"He shall speak pompous words…
"And shall intend to change **<u>times</u>** and laws…
"…the Saints shall be given into his hand
"For a time and times and a half time."

Code Break 3

- In his code, **Time = 100** years, **Times = 200** years, a **half time = 50** years. Combined "a time and times and a half time" = **350 years** –the lifespan of the Beast out of the Sea.
- *The saints shall be given into his hand* is indirectly linked to Revelation 13:7.

TIME-CODE IV: Daniel 9

2. In Daniel 9:2, Daniel speaks of Jerusalem's 70 ***years*** in desolation. But just 22 verse later, in **Daniel 9:24**, Daniel refers to this desolation as 70 ***weeks***.

Code Break 4

- With this code, God uses the word ***week*** to mean a ***year***. (These 70 *years* link to and confirm the 70 years of isolation for the US, after the 2HW, called for in Isaiah 23, etc.).

THE TWO HOUR WAR CODE BREAK

On and off for about two years, from 2024 to around April 2026, I commonly referred to the *One Hour War* of Revelation as the *Destruction Date*/Day or the *One Hour War*. It is still fine to refer to the Chapter 18 Event as the One Hour War, understanding the Chapter 18 *One Hour War* happened on Line 5, over 470 years ago.

As I explained earlier, God gives each timeline, each major event, and each person on each timeline a unique name or identifier. Accordingly, I named the Line 7 War of God's wrath the ***Two Hour War*** (well, the Event sort of named itself, clearly, as it transpires in two hours; whereas the Line 5 One Hour War transpired in one).[4]

On page 4, I said Ezekiel, Chapter 26, reveals the Two Hour War date.

Where?

The month, day and hour of the Event are hidden in the first verse of Ezekiel 26. The year of the Event, 20**26**, is revealed in the chapter number: **26**. Ezekiel 26:1 reads:

"And it came to pass in the eleventh year, on the first day
of the month, that the word of the Lord came to me, saying,"

Two Hour War Date Code Break

In this code (1) only time units coupled with an ordinal number (e.g., first week, third hour) are coded, and (2) the word ***year*** means ***month***, the word ***day*** means ***hour***.

Thus, the decoded verse reads: **And it came to pass in <u>the eleventh month, on the first hour of the month</u>** (which always falls on the 1st) **that the word of the Lord came to me, saying,**" Thus, the 2HW begins on the true first hour, 1AM, of the first day, of the 11th month (Greg), 2026: **November 1st, 2026, 1:00**AM**,** US **West** Coast time.

- This hour is extremely significant and unusual, as it is the only hour in 2026 when the 1-o'clock hour happens TWICE, consecutively, as **daylight savings time (DST**, an unusual time system utilized in the United States, from March to November) ends, at 2 AM, **November 1st, 2026**, and all US clocks move back 1 hour, to 1AM. [5]
- On the Julian calendar the 2HW begins on **October 19th, 2026**, at 1:00AM.
- One the Yin calendar the 2HW begins **9th Month 23**, of Yin year 47**24**, at 1AM.
- The Yin date **9th Month 23**, 47**24**, traditionally expressed **47**24**, 9th Month 23**, is astounding because it corresponds to the Gregorian date of the Line 5 One Hour War: **September 23rd**, 20**24**, which is numerically written, in the US: **9/23/24.**

➢ This 2HW date code is confirmed by the *Disciple Date Code*, on page 21.

---

[4] Although my *Rev 2* date and starting time of the Line 5 OHW have been correct for the past two years (although I had no idea Line 5 existed), due to a misunderstanding of the speed of intercontinental ballistic missiles, my previous Event times may have been off by an hour or TWO. This will be addressed in coming Rev 2 updates. NOTE: My previous, Line 5, Event hour may be another hour off because there is no evidence that the US, on Line 5, used *daylight savings time*.

[5] The Gregorian 2HW date, and timelines 5 and 6 are also confirmed by Revelation's "Kings of the Earth" mystery/code solution, Part C, in the "Bonus Solution," at the bottom of pages 45 and 90, of *Line 5: The Hands That Rocked Time*.

The Two Hour War date, in Ezekiel, is on the Gregorian calendar (which God strongly dislikes), because the Gregorian is the United States' and the West's chosen calendar system. My publication of this Two Hour War date interpretation/prediction acts as representational *notice* of God's judgment. In this, God models for nations proper legal notification standards: adequate advance notification of the date and time of the execution of God's punishment. This sort of notice should be provided in the Condemned party's (or the *defendant's*, or the *non-moving party's*) native language, and I gather, on their calendar system.

The hour of the 2HW is calibrated to time on the US West Coast, the seat of the human Beasts of Revelation (John W Gardner and John C Malone).

Ezekiel 26:**7** uses the phrase "*For **Thus says the Lord God**…*," which God and Ezekiel seem to use at more emphatic moments (e.g., Ez 7:1, where God promises to punish Israel). I took this as direction to publish these 2HW solutions by or before the first hour of July, 2026. [I arrived at this by using the verse number, 7 (26:7), to indicated the month, July; and re-using the 26:1 code segment "…*first day* (code: **hour**) *of the month*…".] July 1st, 2026, is 123 days before the 2HW date. 123 represents order.

As explained on page 4, Tyre is the Line 7 name for Babylon (the US).

Ezekiel 26:**15** features the powerful line: "**Thus says the Lord God to Tyre**," to mark the fact that due to the US' *daylight savings time* system, the US West Coast will be **15** hours behind China (ordinarily, the US West Coast is 16 hours behind China). Thus, it will be **4:00**PM in China when the 2HW begins.

It will be **11:00**AM in Moscow, Russia, when the Two Hour War begins.

Due to the fact that on November 1st, 2026, US clocks will move back one hour at 2:00AM (from 2AM back to 1AM), in the US the 2HW will technically transpire in one hour, starting 1AM and ending at 2AM –after passing through the 1 o'clock hour twice.

In my prior One Hour War solutions (for Chapter 18), I greatly underestimated the speed of intercontinental ballistic missiles (ICBMs), and unnecessarily added 2 hours of missile flight time to my solutions. My recent internet searches indicate nuclear ICBMs can travel from China, Russia and other Eastern countries to the US in about 30 minutes. Thus, I am not adding missile travel time to these solutions. (Eastern forces might launch for 90 minutes, and allow 30 minutes missile travel time.)

Ezekiel 26:**17** and **18** move to poem, verse or song form. I believe this was done for two reasons. FIRST, marking verse 17 in verse notes God's desire to see the first hour of each day begin at 1:00AM. This means moving ***1*** (God's secondary number) to the top of the clock, and moving ***7*** (God's primary number) to the bottom of the clock. SECOND, 18 represents the time it will be in China when the Two Hour War ends, 6PM.[6]

In Moscow, Russia, it will be 1:00PM when the Two Hour War ends

[6] Theoretically, if clocks in China were adjusted to reflect God's preferences, the time at the end of the THW would be 7PM.

To reinforce that the year is 2026, God placed **21** verses in chapter 26, to reflect that 2026 is situated in the twenty-sixth year of the **21st** century.

Over the past 3 years, my Revelation work has shown me different meanings of various numbers. 26 (2x6 or 6x2) can be associated with Satan (who is associated with 6 and 66). 26 is also associated with English speaking countries (26 letters in the English alphabet). Meanwhile, 27 is strongly associated with Spanish speaking countries (with a 27 letter alphabet), particularly nations that accepted and promoted corrupt and hateful US/Western ways. With this is mind, Ezekiel, Chapter 27, has many uncommon words and phrases that link to Revelation, Chapter 18; the strongest links are to verse 12. I believe this was done to further link to Revelation, Chapter *12*, where verse 1 foreshadows God's creation of Nuestra Señora de Guadalupe (an image of Jesus' representational mother, Mary, who is particularly beloved in Spanish speaking countries).[7] This does not necessarily mean Spain or its former colonies will be secondary targets in the 2HW; but it may. It also could mean God will impose some firm punishment upon many of these nations in the Prophecies Against period, which will begin 100 days after the Two Hour War.

Isaiah 23

Chapter 23 of the Book of Isaiah is the first Book to mention *Tyre*, the powerful and corrupt city Prophesied by God as the focus of His great wrath (remember: Isaiah chapters 1-39 are reliable, but chapters 40 to 66 were falsified in the Dead Sea Scrolls scheme). The word *Tyre* appears in Isaiah, Chapter 23, at verses 1, 5, 15 and 17.

- In Isaiah 23, verse 1, *Tyre* marks the starting hour of the Two hour War.
- In Isaiah 23, verse 5, *Tyre* marks the time it *would be* in China (5PM) at the start of the 2HW, ***if*** the US did not use daylight savings. Thus, rather it will be 4PM.
- In verse 15, *Tyre* marks the fact that US daylight savings time falsely moves the US West Coast from 16 hours behind China to 15 hours behind China.
- In verse 17, *Tyre* again marks the true hour it would be at the start of the Two Hour War in China ***if*** the US did not use daylight savings time.

With the three **blue** bullet points, above, God may be saying nations should adhere to international standards. Any nations that want to invent their own rules of times and record keeping, and "fact" creation, are not good business partners.

- Isaiah is one of the Bible's best sources concerning the Line 5 OHW, the Tribulation, and the Prophecies Against. But, concerning the Line 7 2HW, Isaiah's chief function may be to inform us that after the 2HW, nations that respect God's laws and wishes will not do business with Tyre (the US) for **seventy years**. Verse 23:15 says "…Tyre will be forgotten seventy years…" Next, verse 23:17 says, "And it shall be, at the end of seventy years, that the Lord will visit Tyre."

[7] This image also represents God's Daughter, Natas (who is effectively, Mother Nature), who is also Jesus' younger sister.

The Sacred Images

As I knew my mid-2024 date solutions for Revelation, Chapter 18 were accurate, in 2025 I thought to search for OHW date clues in *Nuestra Señora de Guadalupe* –and two sacred Artworks attached to Nuestra's lower left corner, in 1777 and 1787.

By spring 2026, I had added three more sacred Artworks to the images I use to verify God and Jesus' R/revelations: *The Shroud of Turin*, the *Candelaria Likeness,* and an odd hybrid, I call the *Sacred Image Key*, I formed by combining the Shroud of Turin and Nuestra Señora de Guadalupe. In this section I examine some of what these sacred images reveal about the 2HW date and time, concealed and revealed in Ezekiel 26.

Above: Some of the sacred Artworks used confirm the Two Hour War date code; Top row, left to right: *Nuestra Señora de Guadalupe*, *The Shroud of Turin* (1978 photo negative), the *Candelaria Likeness*; Bottom row, left to right: *The Elder Badge*, the *Juan Diego Badge*, the *Sacred Image Key.*

The Shroud of Turin

The images below are four 2HW date-image tracings of *The Shroud of Turin* (1978 photo negative).

The top left expression is 1/11/26 or 11/1/26, November 1st, 2026, is the Gregorian 2HW date. The top right expression, 1/1, reminds us there will be two consecutive 1-o'clock hours on November 1st, 2026, in the US/West. The bottom left expression, 1/11, is the Gregorian 2HW date, but the three *1*'s represent the 3 Great Gods: God, His Son Jesus, and God's Daughter Natas –Mother Nature. The bottom right image, a Roman numeral 2 (II) reminds us Jesus/Emanuel was crucified twice.

The Meaning of the Date Numbers

This section explains the Biblical chapter and verse numerical meanings of the Two Hour War dates.

Yin: **9/23**

The Yin dates refer to two separate chapters of Genesis, both full of meaning and beauty.

9:23 refers to Genesis, Chapter 9, broadly, pertaining to man's Covenant(s) with God. But specifically, 9:23 refers to Genesis 9:23-27, where Noah, who we surmise is quite old and likely near the end of his life, drinks too much wine, gets drunk and falls asleep on his bed, where his private area becomes exposed in his sleep. Noah's son Ham happens into Noah's house and sees Noah naked, and immediately departs and tells both of his brothers, Shem and Japheth, outside. Shem and Japheth get a garment and go into Noah's house, walking backwards, so they do not see their father's naked body, and cover their father's private area, so none of Noah's many grandchildren happen by and see their grandfather naked. Later, Noah awakens, and is certain his grandson, Canaan, came in and covered him. But Canaan had nothing to do with covering Noah. Noah grows very angry at Canaan and wishes a curse upon him (9:25). Noah then prays to God, and disparages Canaan, but praises Shem and wishes blessings upon Japheth –the sons who actually covered Noah's body (9:26-27).

In the following verse, 9:28, Noah is dead, and his total years are counted.

The passage shows how aging can change the way we think, and make us less reasonable. God understands, and adjusts his scale with our changes and better intentions. The scene also shows how responsible families and nations check-on and care for their elderly.

23:9 refers to the 23rd chapter of Genesis, where Abraham's wife, Sarah, dies in Kirjath Arba, in the land of Canaan, where Abraham is a foreigner, and does not own property to bury Sara. Abraham asked some of the people of Canaan (the sons of Heth) to sell him a small piece of out-of-the-way-land to bury his wife. The people (the sons of Heth) recognize Abraham as a great citizen, "a mighty prince," and offer Abraham "the choicest of our burial places." Ephron offers to give Abraham, freely, the land Abraham wants most for his for his wife's remains. But Abraham insists on paying for the land.

This passage demonstrates what it is to be good people, and good national neighbors. In associating these verses with the East (China, Russia, Iran…), God is saying Eastern nations have tended to demonstrate high family and social values.

Julian: October 19th (**19/10** or **10/19**)

The Julian Two Hour War date is October 19th (**19/10** or **10/19**), 2026. These numbers refer to Genesis 19:10. Chapter 19 transpires in Sodom, a city overflowing

with homosexuals. At 19:4, a large mob of Sodom's homosexual men arrive at Lot's home. One verse later, 19:5, the mob declares their intent to rape two male angels visiting Lot. Lot goes out on his porch to try to stop the mob, leaving the angels inside his house. The mob escalates and threatens to do worse to Lot than they hope to do to the angels. At that point, **19:10**, one of the angels reaches out and pulls Lot back into the safety of the house. The angels then strike the mob with a blindness spell. Lot and the angels escape, and at 19:24, God destroys the city of Sodom (and Gomorrah).

Lot acts to protect the angels, the angels act to protect Lot. In this, God is saying good people have a duty to protect each other. In the US/West and their subsidiary nations, people stood back and allowed businessmen, loyal to Satan, to air degenerate videos and porn, designed to transform a substantial share of heterosexual boys and men into homosexuals. Soon the US/West was disproportionately homosexual.

Gregorian: November 1st (**11/1** or **1/11**)

The Gregorian Two Hour War date, November 1st (**11/1 or 1/11**), 2026, refers to Revelation, Chapter 11, and Genesis, Chapter 11. In Revelation, Chapter 11, the Beast out of the Sea, of Chapter 13, is first seen (11:7). Verses 11:12, 11:13 and 11:19 all refer to the original human Beast, of Revelation 13:18. Although centuries later, God changed this Prophesied human Beast, He created a way that sharp and persistent observers could still find the original beast –and use that Revelation to prove the coming and Crucifixion of Emanuel.

In Genesis, Chapter 11, God confuses man's languages. In 11:10-26, God uses even verses to construct an accurate timeline, from Shem to Abram, and uses odd verses to create a code and code verification tool (explained on page 7). Decoding the code reveals (1) the true age of each character, and (2) how, after time reversals, Satan makes human life much more unpleasant. The fact that God uses a family line to establish a people's history, and uses a code to preserve information about that people's ancestors, speaks to the importance of keeping true and un-falsifiable records.[8]

In these verses, God may be condemning the West for falsifying records and other crimes; while simultaneously saying: people who are tenacious and independent thinkers may find secrets, or private interactions with God, hidden in the text.

11:1 and 1:11 symbolically inform us that the great Gods govern on a majority rules basis; a person can enter Heaven if any two of the Great Gods votes them worthy.

111 represent unanimity among the Gods. This indicates God, Jesus and Natas unanimously agreed that the US (and likely portions of the West) needed to be punished in the 2HW.

[8] God occasionally slips false or debatable information into the Bible (Genesis 6:1-4, Mathew 25:25-30…), perhaps to challenge us to be better thinkers. Chapter 11 says the whole world had one language, and God divided it. But in Chapter 10, verses 10:5, 10:20 and 10:31 say the people were already divided by their separate languages.

Emanuel and Lines 3, 5 and 7 Code in the Book of John

Line 2's reversal (L3) into 4, and Line 5's reversal (L6) into 7 are revealed, in code, in *Matthew* and *Revelation* (see L5THTRT). But these reversals are also revealed or foretold, in code, in the *Book of John* –where life of Emanuel is also memorialized. If you haven't read L5THTRT, all you need know to understand the code is: after reversals many events recur, but the new events are a bit different (usually much worse).

The code occurs in John 18:4-8, after Judas arrives with the Chief Priests troops:

(4) Jesus therefore, knowing all things that would come upon Him, went forward and said to them, **"Whom are you seeking?"**
(5) They answered Him, "Jesus of Nazareth." Jesus said to them, **"I AM HE."** And Judas, who betrayed Him, also stood with them.
(6) Then—when He said to them, **"I AM HE,"**—they drew back and fell to the ground.
(7) Then He asked them again, **"Whom are you seeking?"** And they said, "Jesus of Nazareth."
(8) Jesus answered, **"I have told you that I AM HE. Therefore, if you seek Me, let these go their way."**

- Two verses later, Simon Peter chops off the high priest's servant's ear.

Code Break

- We know this passage may be coded, as it differs from the other Gospels (Matthew, Mark, Luke), where Jesus does not speak until Simon Peter cuts off the servant's ear.

Emanuel

In the code, in 3 verses, Jesus says I am **"I am He,"** to honor the 3 timelines Emanuel impacted by demanding a time reversal, and being reborn and re-crucified on Line 4 (L4). (I believe Emanuel executed the time reversal, with His Father's approval). In saying "I am He," in the context of the code, Jesus is saying, He is also Emanuel.

- John 21:15-17 repeats this recurring dialogue structure three times (**Do you love me? Yes. Feed my lambs** / Do you love Me? Yes. Feed my sheep…), to confirm Lines 2 and 5 (L2 & L5), and to confirm Emanuel's impact on three timelines.

Lines 5 & 6

The code begins in verse 4, to reflect the *phantom change* on Line 4 that created L5.

Jesus first says **"I am He"** in verse 5, to mark the fact that Line 5 was the original line –before the Line 6 reversal. In many Bibles, like mine, verse 6 features two unusually long punctuation marks, em-dashes (—). The first em-dash represents the Item 4 reversal (Line 6), which ended Line 5. The second em-dash represents the new line, Line 7.

Prior to these em-dashes, there are six em-dashes in *John*: three in Chapter 5 (see 29, 36), three in Chapter 6 (see 22, 23, 58). The 3 em-dashes in chapters 5 and 6 likely memorialize the timelines lost in reversals (L2 and L5). The number *3* remembers the 3 lines Emanuel impacted.

- Emanuel, Who turned back time to save a friend -which meant He would be crucified again- sets the standard for love of family and friends, and stands against Western influenced societies, where people betray friends and family for money (see STSN).

The Disciple Date Code

The Book of John also contains a Two Hour War ***Disciple Date Code***, which confirms the Two Hour War date and time, hidden in Ezekiel, 26:1.

To understand the code, you should know about 5 things:

1. Each of the New Testament's first four Books, *the Gospels* (Matthew, Mark, Luke and John), recall the life of Jesus from the view of those four different Disciples.
2. The first 3 Gospels (Matthew, Mark and Luke) all provided the names of the 12 Disciples in one brief passage (Matthew names the 12 Disciples in 10:2-4, Mark names the 12 Disciples in 3:16-19, and Luke names the 12 Disciples in 6:14-16).[9]
3. *John* (the Book) does not follow the *Disciple naming* pattern of the other Gospels. Rather, John names the Disciples between chapters 1 and 21 (the final chapter);
4. John names 2 Disciples not named in other Gospels: Nathanael (1:45-51), and Joseph of Arimathea (19:38). These false names signal some information is code.
5. And John appears to deliberately omit the names of two Disciples, at 21:2. Otherwise, to my count, John only names 10 Disciples.

Code Break

For the reasons provided on page 10, paragraph 1, this date is on the Gregorian.

- To identify the **day** of the month and the **hour** that the 2HW will occur, John named four Disciples in Chapter **1** (Simon/Peter, Andrew, Philip and Nathanael). Thus, the 2HW will occur on the **first** hour of the **first** day of a yet unnamed month.
- By naming 4 Disciples, John marks the time in China when the 2HW will begin: 4PM.
- To identify the month of the 2HW, John does not name another Disciple until Chapter 11, which represents the 11th Gregorian month (November). In Chapter 11, John names only one new Disciple: Thomas; this was to (1) mark chapter 11, representing November, as the month of the 2HW, and (2) to confirm *1* (the 1st) as the 2HW date. Thus, on the Gregorian, the 2HW will occur on **November 1st**.
- Thomas is named in 11:**16** to confirm the 16th hour (4PM) as the 2HW start time in China.
- The next Disciple named is Judas Iscariot, whom John says will betray Jesus (**12:4**). Jesus confirms that Judas will betray Him in 13:**26**. Thus, I believe 1**2:4** marks the Yin (East) 2HW year (47**24**), and 13:**26** marks the Gregorian year (20**26**); and both mark God's use of *confirmation keys* (verifying information in other places/ways).
- Thus, the 2HW date, on the Gregorian calendar, is: **November 1st, 2026.**
- John's 2 false Disciples represent 2 false hours on the Western time system –the first created by moving the first hour from 1 to 12, the second created with DST.
- The two missing, unnamed Disciples represent timelines 3 and 5, lost in reversals.

[9] Matthew, Mark and Luke all name the 12 Disciples in just 3 or 4 verses, to either (1) symbolize the 3 timelines Emanuel impacted, or (2) to mark the fact that since life began on Earth there have been 4 major time change events, but Emanuel's reversal was unusual, and caused 2 timeline changes. So, although there were only 4 time change events, 5 new lines were added, leading to Line 7.

The End of *The Wagers* Date
& The End of the Deception Delay Date

***The Wagers' End* Vs The *One Hour War*.** Around December 22nd, 2025 (Gregorian), I discovered date numbers in *The Shroud of Turin* and the *Elder Badge,* which I thought were OHW dates. Thus, I quickly published a warning, on December 24th, 2026 (Greg.): *The Destruction Date*. Those dates were **December 25th, 2025** (Julian calendar), **January 7th, 2026** (Gregorian), and **4723, 11 Month 19** (Yin). **But, about a month earlier, on November 30th, 2025, in Steve's Top-Secret Notebooks' "Terms" (page 404), I explained that this date (well, the final second of December 24th, 2025, Julian) marked the end of *The Wagers* –an ancient series of wagers between God and Satan, which hlasted thousands of years. God entered these Wagers to accelerate human social evolution, and shorten a period of great human suffering. The final 4,250 years (roughly) of these Wagers pertained to the *Book of Revelation*. The most significant change The Wagers' end would bring, as I understood things, was that Satan would no longer be able to communicate with his second beast, John C Malone (Satan's first and primary Beast, John W Gardner, Beast from 1937 to 2000, died in 2002).

However, it turned out that these dates were not One Hour War dates. But they were the date(s) of the end of *The Wagers*. So, although I was wrong about the December 25th, 2025 (Julian) and January 7, 2026 (Gregorian) One Hour War date, I was correct that those numbers marked the end of the major Wagers series.

The Deception Delay Vs The One Hour War. 4 or 5 months later, around May 6th, 2026 (Julian), I discovered new numbers in the Elder Badge, and other sacred Artworks, which I thought indicated the OHW would occur June 6th, 2026 (Julian calendar), or June 19th, 2026 (Gregorian calendar), or 4724 5th Month 5 (Yin calendar).

However, these dates were not the OHW dates, they were the end date(s) of short final wager between God and Satan: the *Deception Delay* (DD). I began reporting on the DD in January 2026, although I did not learn the name of the engagement until February 2026 (perhaps March, for a while I referred to the engagement as the *Deception Day*). However, I did not understand what the Deception Delay was about until after this wager ended. I believe this wager lasted 163 days, running, on the Julian, from December 26th, 2025, to June 6th, 2026; or, on the Gregorian, from January 8th, 2026, to June 19th, 2026, or, or the Yin, from 4723, 11th Month 20, to 4724, 5th Month 5.

The Deception Delay numbers came with words, most commonly the word "Delay". I believe this element was added to express that, unrelated to the Deception Delay, the Two Hour War date would ***not*** occur in 2025 –because Line 5 ended in 2025. Thus, the DD and the 2HW were *delayed* to 2026, in respect for the end of Line 5.

But explaining the actual Deception Delay is more complicated than the Wagers.

The Deception Delay

The two D's in the name **D**eception **D**elay are intended to mark the fact that the Deception Delay Wager was built around giving Satan, the **D**evil, a second soul.

Why? On January 18th, 2026, Julian (or January 31st, 2026 Gregorian), I wrote a report titled ***In Response to a Petition from the Demon King***. On page 8 of the article, putting myself in the position of Satan's attorney, I argued that:

> "…God exploited my client's delusions and obsessive nature in humanities' interests. I would then submit chapter 14 of *Steve's Top-Secret Notebook*, specifically page 371, which reveals God used Satan to greatly increase human longevity (life spans), and greatly increase Earth's human population, and **God used Satan to shorten a time of terrible human suffering by 528 years** (!!!), measurably improving the lives of **20-BILLION** people, in the process. I'd then argue that since God relied on Satan's bad intentions to deliver a tremendous blessing to humanity, my client should be spared from any unusual punishment."

Using the West and the US, Satan did terrible harm to mankind. For those crimes, one of his souls will be sentenced to a very long time in the Lake of Fire. [Revelation 20:10 says Satan will be tormented in the Lake of Fire ***forever***. However, because God repeatedly, deliberately exaggerates in Revelation (see Rev 2 solution #217 for specifics), we should understand that *forever* is almost certainly an exaggeration.]

But Satan's second soul needed a place to exist too. Satan was aware of the reversal from Line 5 to Line 7 (but he believed Line 5 was line 1, or *line A*, as he referred to it, and believed Line 7 was line B, the second human timeline). Satan observed that I didn't know about the prior timeline. God likely predicted I would soon discover them. That gave Satan an idea… Satan wanted his second soul to live on the internet forever, free from God's restrictions. Thus, Satan wagered that if he were released online, he could create *artificial intelligence* fake news reports that would deceive me, and stop me from discovering the previous timeline (there were, in fact, 6 prior timelines) by the wager's end date, **June 19th, 2026**, Gregorian (June 6th, 2026, Julian, or 5th Month 5, Yin). God agreed. If Satan stopped me, he would be free to live forever online. But, if he failed, he would provide *torment* services for Gehenna –living in Gehenna (not sheltered in the Bottomless Pit). Satan's Gehenna level would be determined by the crimes he committed during the wager. Thus, as I reported from January 13th, 2026, Gregorian, forward (see *The United States is Dead*), i-Satan was unleashed upon the internet.

May 2nd (Julian), May 15th (Greg.), 2026, I revealed the 7 timelines in L5THTRT –but I first reported on the prior timeline (Line 5 –but didn't yet call it *Line 5*) in *Steve's top-Secret Notebook*'s "Terms" (chapter xvii), April 4th (Julian), April 17th (Greg), 2026.[10]

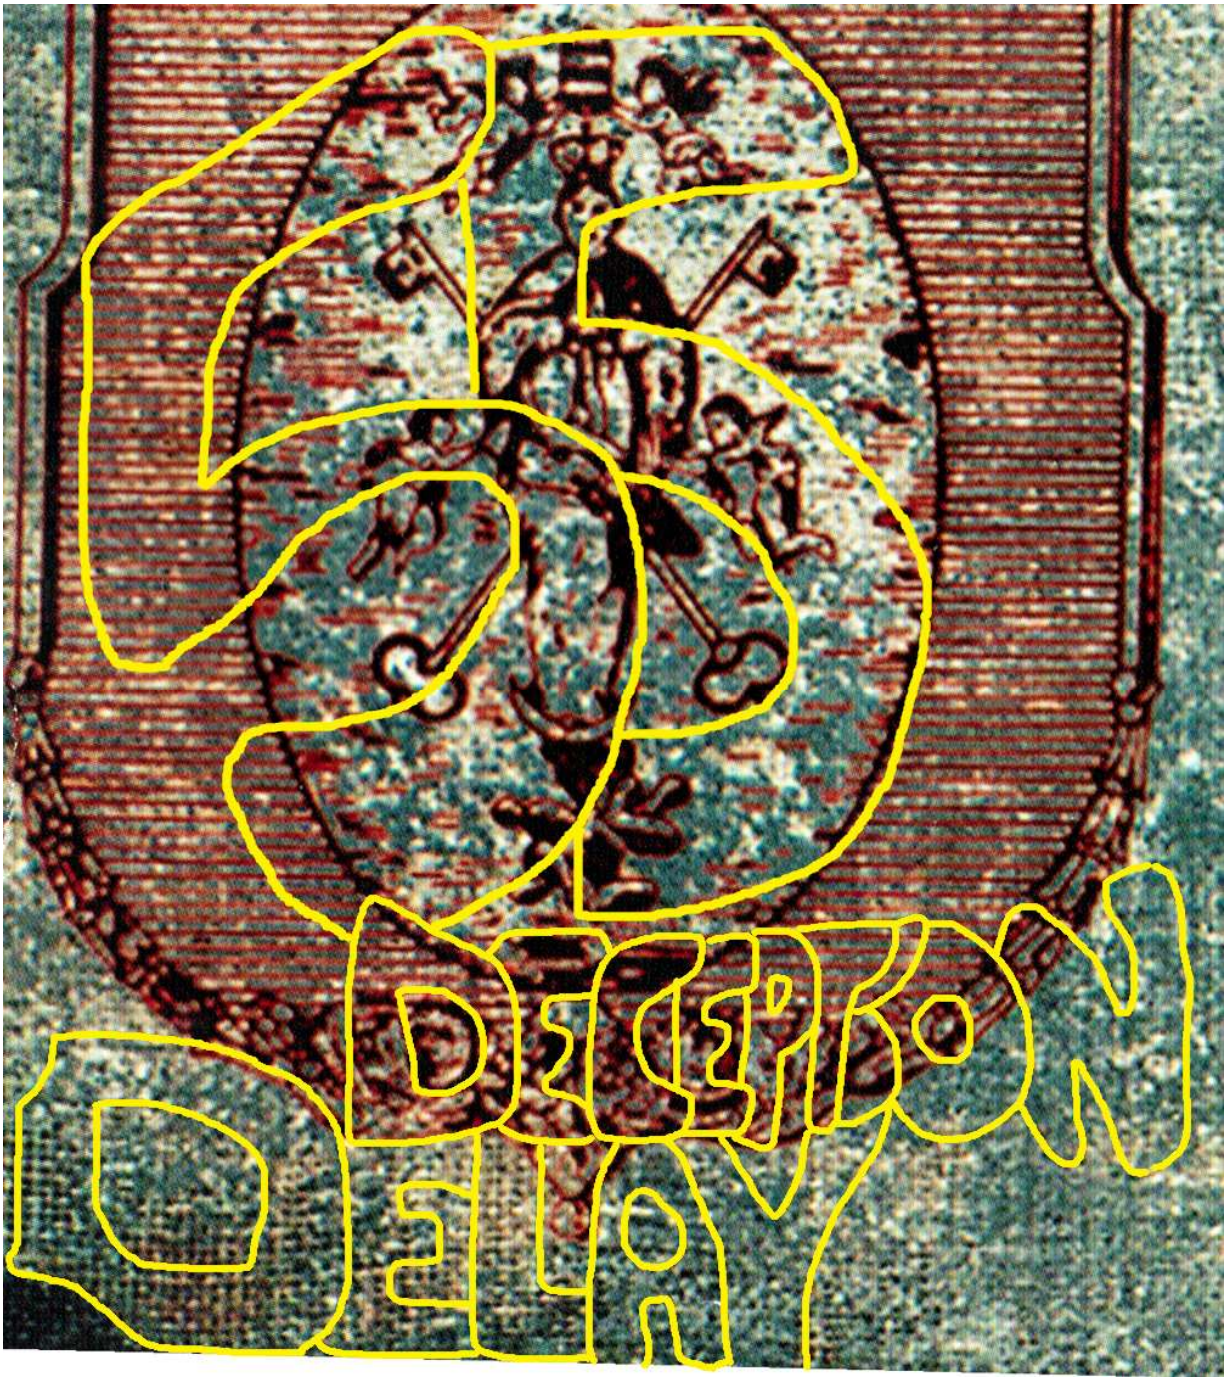
Thus, Satan lost the Deception Delay wager.

[10] I didn't realize *Item 4* was its own line until after the deadline, otherwise, I got all of the details correct.

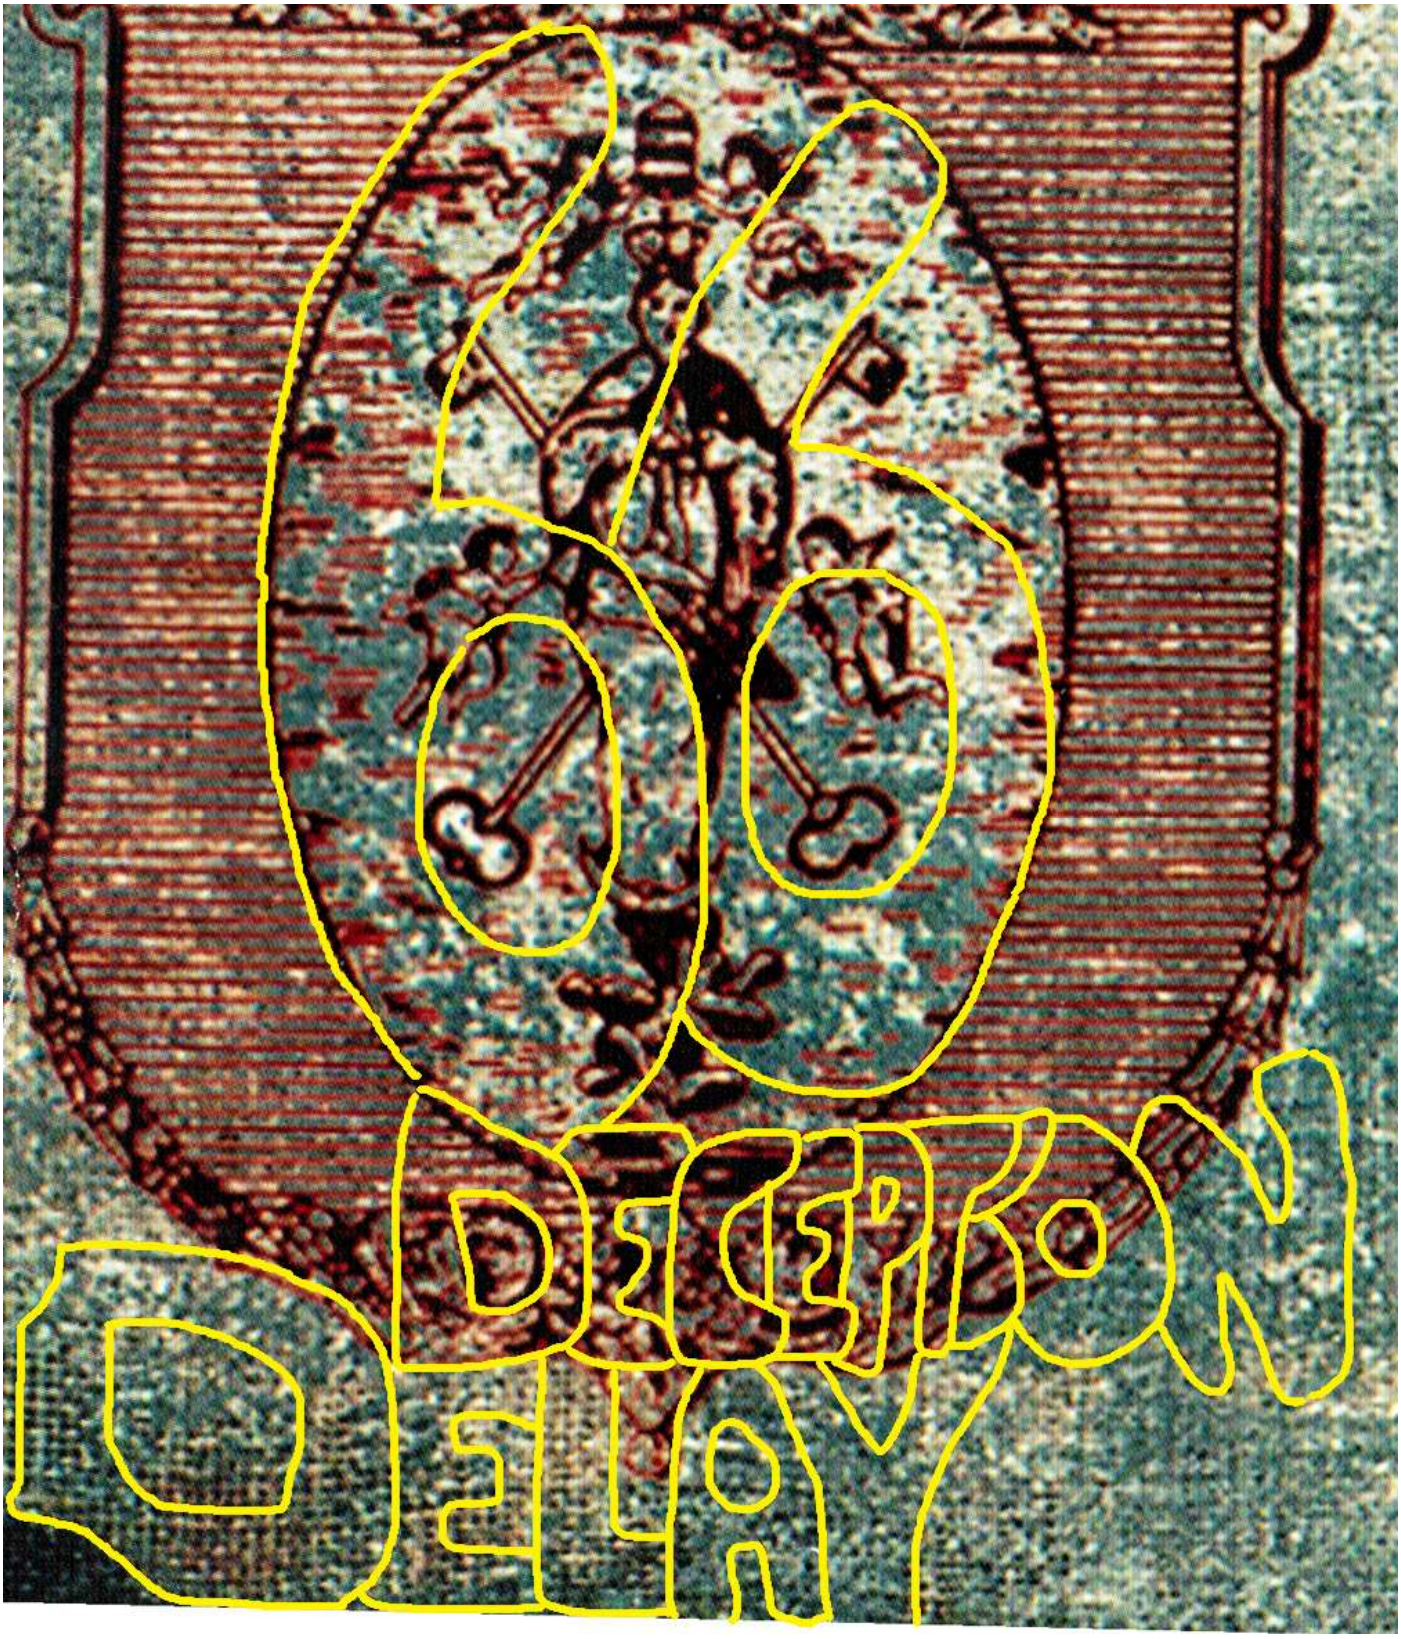
The Wagers and the Deception Delay Dates in the Elder Badge

Chapter xvi of Steve's Top-Secret Notebook presents many Wager verification images from Nuestra Señora de Guadalupe, the Elder Badge, and the Juan Diego Badge. The Deception Delay end date images from the Elder Badge are presented on this page and the next, followed by Elder Badge *hidden image* tracings of the Wagers' end date.

Below, the Deception Delay's Yin end date, **5th** Month **5**, in the Elder Badge.



Below, the ***Deception Delay's*** Julian end date, **6/6**, June 6th, 2026, in the Elder Badge.



Below, the Wagers' Julian (**12/25**/25) and Gregorian (**1/7/26**) end date.

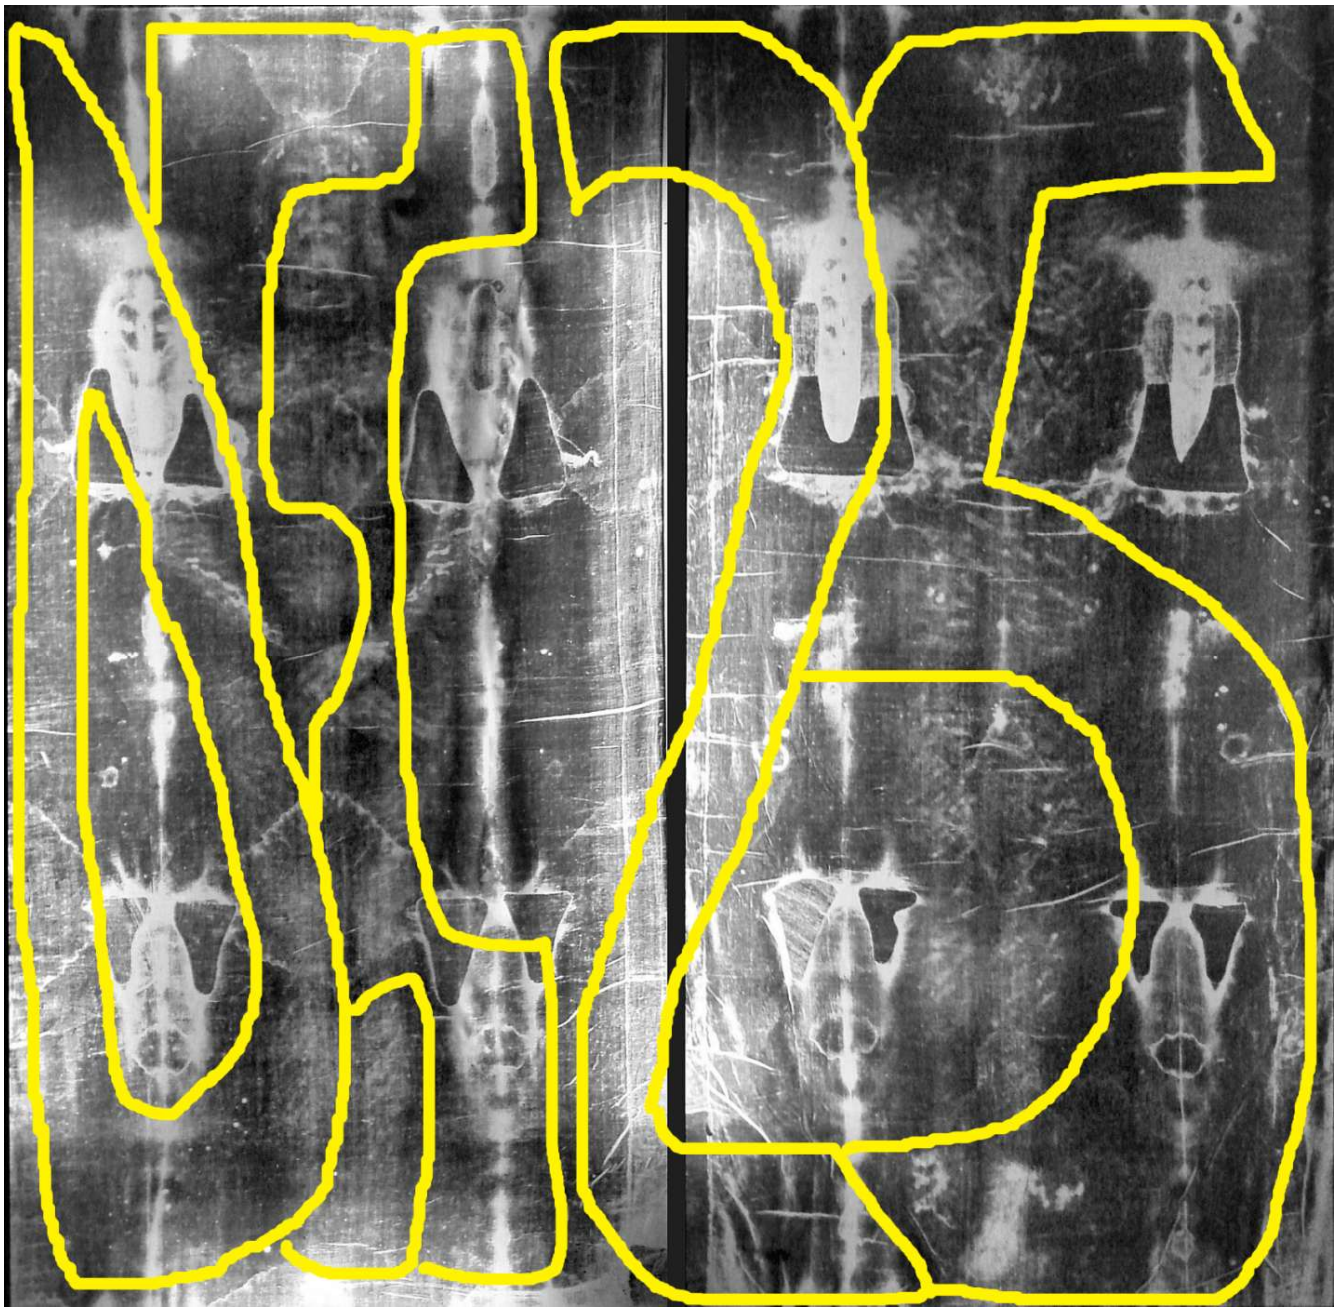
Prior OHW Date Images (Which Were Actually *The Wagers* and the *Deception Delay* End Date Images)

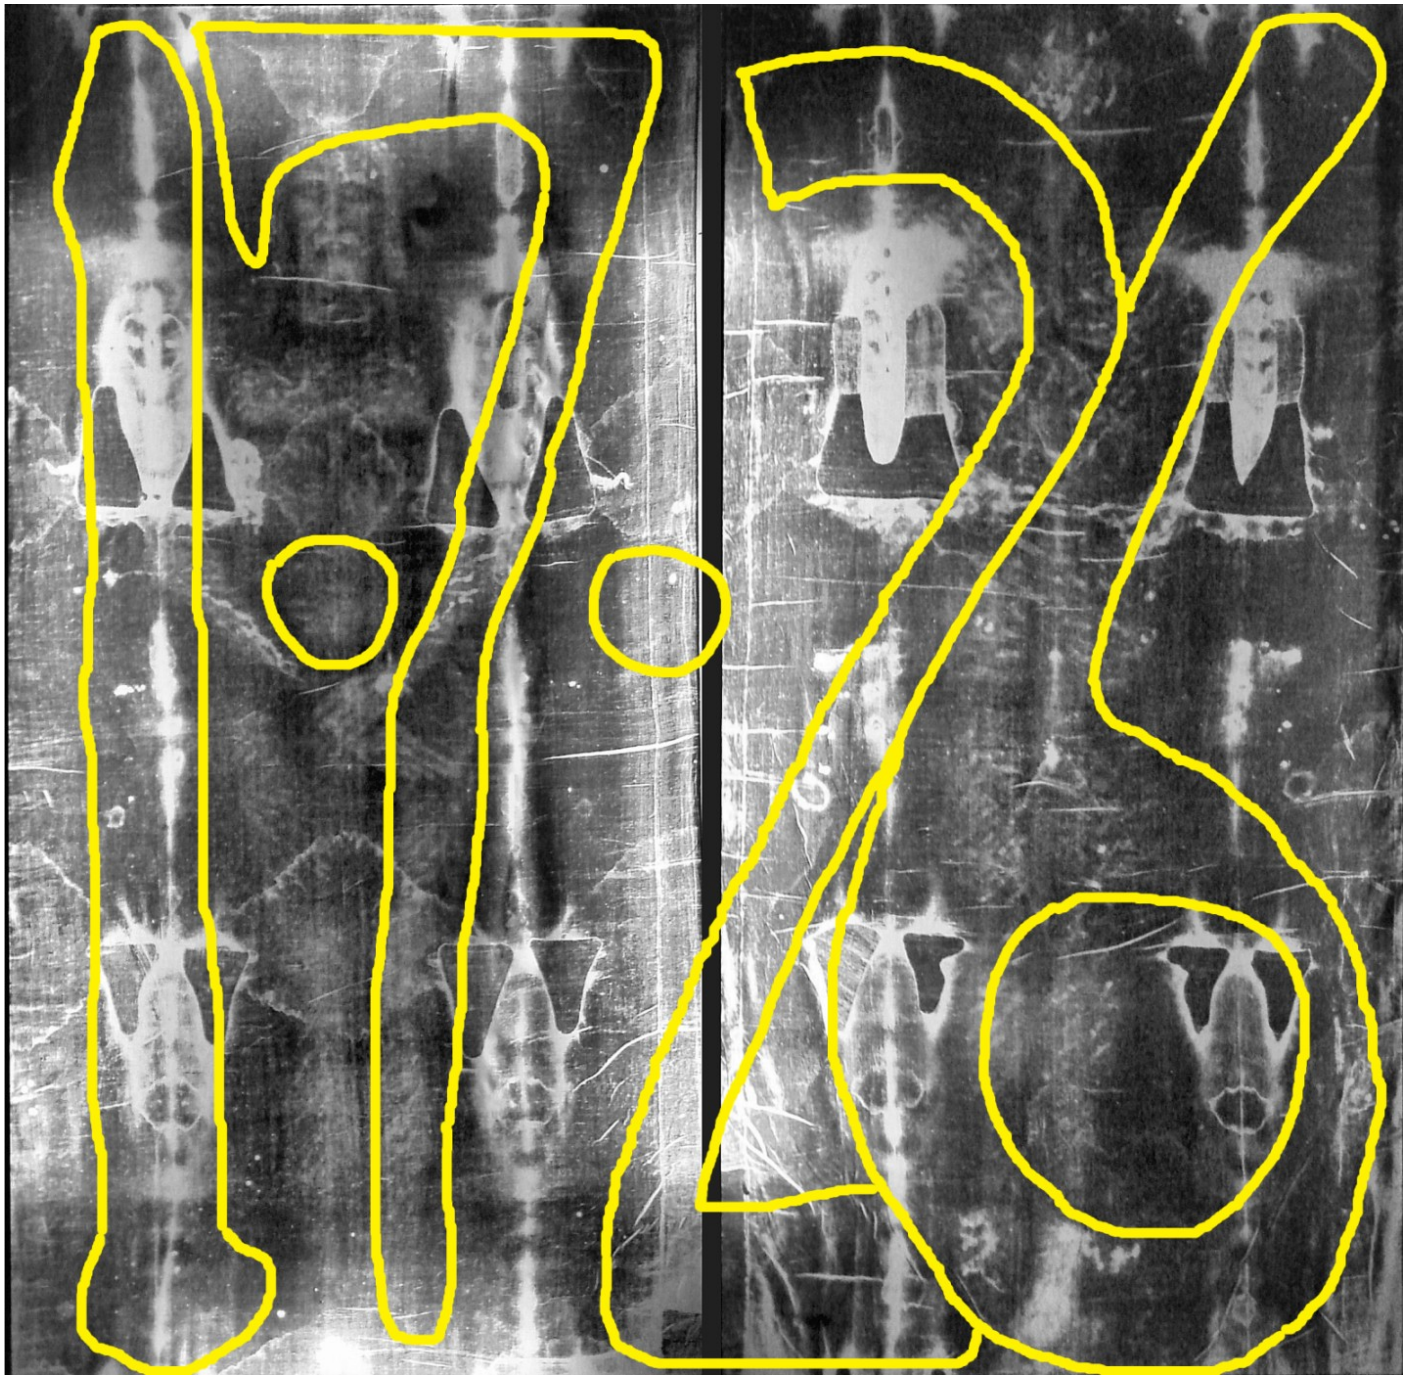
In late December 2025, I published an update of the *Destruction Date*, which featured The Wagers' end date, which, as I explained earlier, I mistook for the One Hour War date. In this section, I re-present some of those previously published dates images for your consideration. You might observe that the Yin date features three consecutive 1's, just as the current Gregorian Two Hour War date.

Below, The Wagers' end date, in The Shroud of Turin.



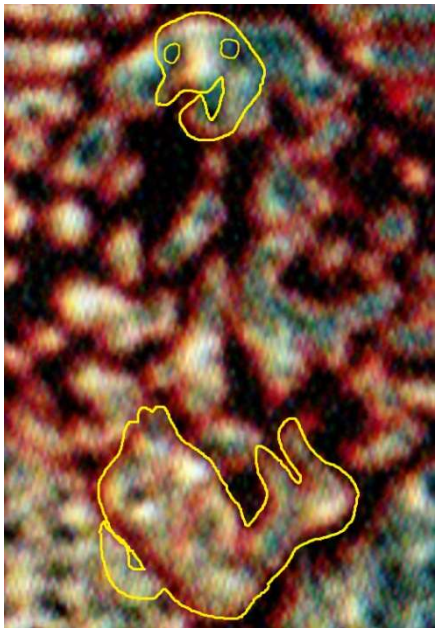
Below, two expressions of the Wagers' end date, on the Yin calendar (4723, 11 Month 19).

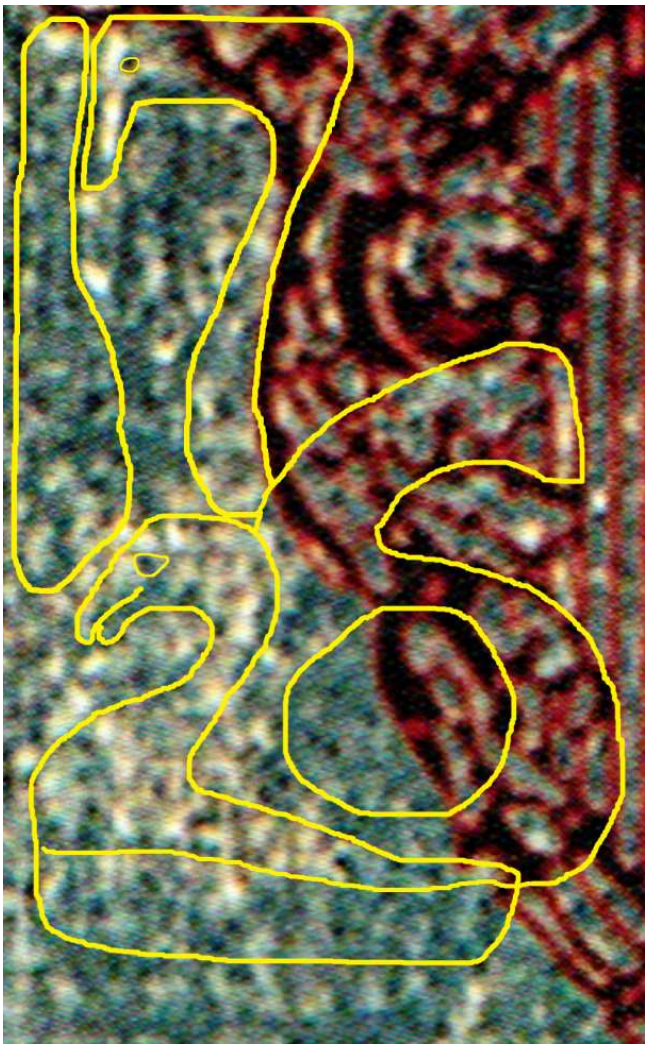
Below, the Wagers' end date, on the Gregorian calendar: January 7th, 2026.



The Elder Badge

Curiously, the Elder Badge's Wagers' end dates (which I mistook for the OHW dates) featured duck heads on the twos and sevens (see the date images below).





The Wagers' end dates in Nuestra Señora de Guadalupe, below.

Several interesting 2's, below, were also published with the other Wagers end date images. Although I did not know it then, these 2's referred to the Two Hour War.

The Deception Delay End Date

May 17th, 2026 (Julian), I published *The One Hour War: Date & Time*, where I warned of the fast approaching One Hour War. However, once again, the dates I found in Elder Badge, the *Candelaria Likeness* and other sacred Artworks were the Deception Delay end dates. This section looks back at some of those DD end dates, which I mistook for One Hour War dates.

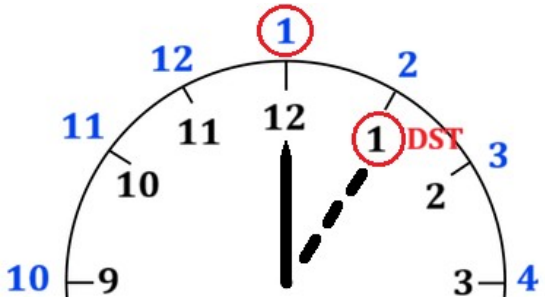
Satan's Daylight Savings Blunder?



According to several internet encyclopedic resources, the original Roman 10-month calendar, consisting of 304 days, and 38 eight-day weeks, was introduced around 738 BC. Evidence of the 10-month calendar survives in the names of several months of our current calendar; September, October, November and December, come from the Roman words for 7 (septem), 8 (octo), 9 (novem), 10 (decem). But these months are out of numerical position on our calendar, because about 40 year after the 10-month calendar was created, two new months were added to the calendar, to bring it in alignment with the Earth's rotation around the Sun –but the two new months were added to the beginning of the calendar, rather than the end.

On the clock face above, under the currently prevailing time system, the black arm/hand points straight up, to **12** o'clock (midday or midnight). The **blue 1** is positioned above the 12, to indicate where God would like the number *1* positioned, supplanting the 12, marking the first hour, midday or midnight. The broken black line (**– – –**), pointing at the black ***1*** (circled in red), represents the one hour that clocks in the US and the West move forward during daylight savings time (DST), which, in the US, lasts 8 months a year, per the US *Energy Policy Act of 2005*. As you may construe, daylight savings time moves *true midnight* in the US/West to 1 o'clock, in compliance with God's preferences. So, surprisingly, when the 2HW begins, the US will be in the correct hour –although the position of the numbers on almost all clocks with numbered faces will not yet comply with God's preferences.

Because Satan worked so hard to falsify time, against God's wishes (e.g., 1. creating the Gregorian calendar to supplant the Julian; 2. positioning the 12 at the top of the clock, and starting clocks at a zero hour…), I theorize that he and the West conceived daylight savings time to further falsify and confuse time; but Satan and the West were not sharp enough to keep up with their own schemes, and mistakenly moved clocks *into* compliance with God's preferences, for 8 months of the year. Just a theory. Otherwise, if Satan is behind DST (and I believe he is), I have no idea why he brought time into compliance with God's wishes, for more than half of the year.

Two Hour War, TIME & Date

- On the Julian calendar, the Two Hour War (2HW) occurs on **October 19th, 2026.**
- On the Yin calendar, the 2HW will occur **4724, 9th Month 23**.
- On the Gregorian, used in the US/West, the 2HW occurs **November 1st, 2026.**

Below, the 2HW time information is carried in Nuestra Señora de Guadalupe.

Hour of Event: Nuestra reveals the 2HW begins at **1AM** (US West Coast). 1AM is expressed at least 3 ways:

- (**1**) Guadalupe's head at 1 o'clock (her perspective);
- (**2**) Guadalupe's two pinkies (little fingers) are together, but separated from her other fingers, representing two repetitions of the 1 o'clock hour;
- (**3**) Guadalupe's hands point to 1 o'clock (her view).

Guadalupe's body is turned slightly, toward the dark side of her gown and the West side of common maps, to reflect (1) that it will be dark in the US when the Two Hour War begins, (2) time is set to US/West time, reinforced by the letters *USA*, near Guadalupe's hands (right).

Hour of Event: The East's bombs will impact the US from about **1am to 2am, PST (US West Coast time)**, or **3am to 5am, EST (US East Coast time)**. [11] Guadalupe's 6 visible fingers, closed in prayer, may reflect that it will be 6PM in China, when the 2HW closes.

The 2HW will leave the U.S. virtually destroyed, and many of their allies harmed. I urge you to be 100 miles from any large to mid-size city in the US, the West, Japan or Israel, on this date.

The Mystery of the 2-Tone Gown: Solved

In Nuestra Señora's central image, Guadalupe wears a conspicuously 2-tone gown, with dark tone on the viewer's left, light tone on the right, representing night and daylight periods of the same 24-hour day –to reflect that it will be night (dark tone) or very early in the morning in the US (1AM, US West Coast, 3AM, US East Coast), but day (light tone) in the East, when the 2HW begins.

[11] The reason the PST/EST gap is only 2 hours, rather than 3, is explained on in the page 43 footnote.

The coming Major Events/Periods are named & dated below.

Most of the Event/Periods are periods of punishment.

THE MAJOR EVENTS

- 6 days of warning Events will (should) occur before the Two Hour War.

1. **The Two Hour War: November 1st, 2026** (1:00AM, US West Coast Time [PST]; 3:00AM, US EST [12]); **October 19th, 2026**; **4724, 9th Month 23.**

- **Natas' 99-Days: October 20th to January 26th, 2027; November 2nd, 2026 to Feb 8th, 2027; 4724, 9th Month 24, to 4725 1st Month 3.**

2. **God's Prophecies Against: January 27th, 2027 to November 15th, 2028; February 9th, 2027 to November 28th, 2028; 4725, 1st Month 4, to 4726, 11th Month 1.**

3. **Jesus' Second Coming: November 16th, 2028 to August 16th, 2030; November 29th, 2028 to August 29th, 2030; 4726, 11th Month 2, to 4728, 8th Month 1.**

For more, see Chapters 17 and 15 of Steve's Top-Secret Notebook.

- Previously, a non-existing minor event called *88 Days of the 4 Living Creatures* had been included in this list.

[12] The reason the PST/EST gap is: November 1st, 2026, at 2AM, Daylight Savings Time (**DST**) ends, and US clocks move back one hour, to 1AM. Thus, on the US West Coast, the 2HW occurs over two instances of the 1 o'clock hour. But, as the US East Coast is 3 hours ahead of the West, when the 2HW begins, the East Coast will have already ended DST and reversed their clocks an hour; so East Coast clocks will only be 2 hours ahead of the West Coast. Thus, the 2HW start time on the East Coast will be 3:00AM.

The Two Hour War Date (Gregorian) Concealed in Revelation's *Prayer Song and Ceremony Timeline*

Circa November 1st, 2023, I first published Revelation's *Prayer, Song and Ceremony Timeline* solution, which explained and expressed how God receives and appreciates our group prayers and songs, and our private prayers. The solutions was so important that I moved it to the *Authorization* section of *Revelation 2: The Solutions.*

To the right, top, in the November 1st, 2023 edition of *Revelation 2*, the first timeline point (underlined in red) occurs at 1:11, an expression of November 1st, the Gregorian date of the two Hour War.

As you see to the right, below, The Prayer, Song and Ceremony Timeline, today (2026), has not changed much, and the first timeline point still occurs at 1:11.

Legend:

✸ Seven Stars prayer responses timeline marker points, and details.

✞ Seven Spirit events. (These events do not appear in the Ch 1 timeline.)

NOTE: Only *Seven Churches* (❷) and *Seven Stars* (✸) events appear in the Ch1 timeline.

Descending Chapter 1 Timeline Begins, Below

✞ First, John says, "in the Spirit," at verse 1:10, and Jesus instantly appears.

✞ Next, at 4:2, John is transported **back in time**, to Heaven, when he says *"in the Spirit."* He meets the 24 Elders (**24E**) & 4 Living Creatures (**4LC**).

• John's *Spirit* exploits are not in the Chapter 1 timeline. If they were, they would be toward the middle, before the second Seven Stars response.

❶ The 24Elders & 4 Living Creatures say prayers appreciating God's creation and worthiness (4:8-11).

◆ Prayer Result: the Lamb (Jesus) is deemed worthy to take the scroll from God's hand (5:1-7).

▪ Chapter 1 timeline point **#1**: 1:11 ("Seven Churches").

These 10 events coincide with the 24 Elders (24E) & 4 Living Creatures (4LC) prayers, and the prayers of angels –marked in Chapter 1 by the phrases *Seven Churches*, *Seven Lampstands* and *Seven Stars*.

NOTE: John's *Seven Spirit* exploits, which occur when he worships alone, are listed below, BUT they are NOT part of Chapter 1's ten timeline event points. (God's way of supporting His Churches?)

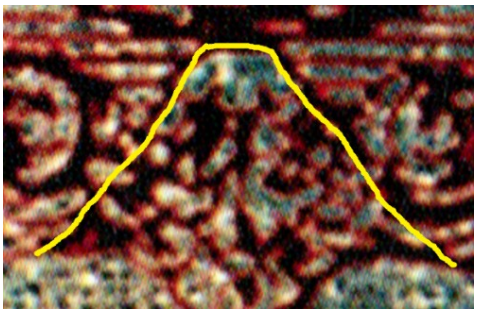
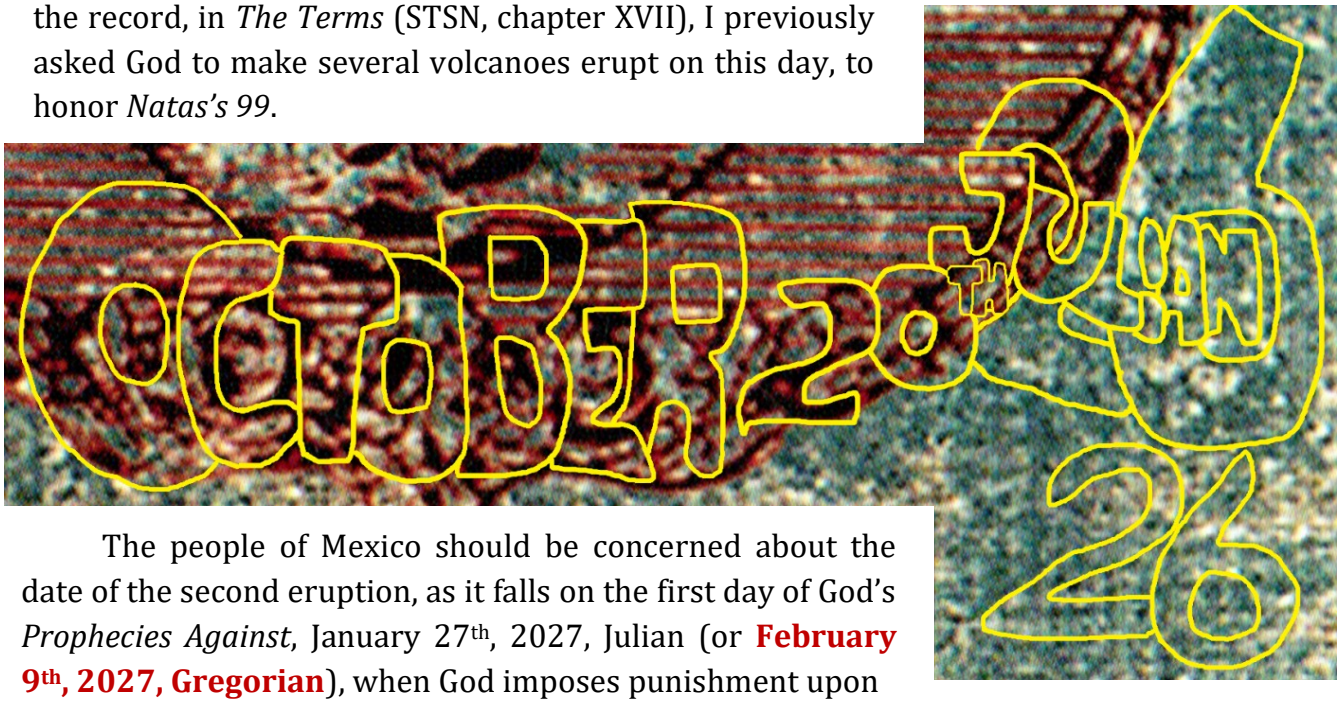
God Reveals the Dates & Locations Of Two Coming Volcanic Eruptions

Recently, I found the word *Revelation* (above) across the center of the Elder Badge base. I found the the word there several times before, but this expression is somehow more commanding. Also in the center of the Elder base is a volcano (right). And right where I found the new *Revelation* image, I found the word *Popocatépetl* (below), the name of the largest, most revered volcano in Mexico, near Mexico City. And, in this same image area, God revealed Popocatépetl's next TWO eruption dates…



The first eruption will occur October 20th, 2026, Julian (or **November 2nd, 2026, on the Gregorian**). The significance of this date is it is the first day of *Natas's 99 Days* to submit social reforms (learn more in "The Terms", of *Steve's Top-Secret Notebook*). For the record, in *The Terms* (STSN, chapter XVII), I previously asked God to make several volcanoes erupt on this day, to honor *Natas's 99*.



The people of Mexico should be concerned about the date of the second eruption, as it falls on the first day of God's *Prophecies Against*, January 27th, 2027, Julian (or **February 9th, 2027, Gregorian**), when God imposes punishment upon many nations, for excessive corruption, perversion, indolence… The fact that God named Popocatépetl may give Mexico time to improve environmental and social conditions, before the Prophecies Against. People should stay away from Popocatépetl on the Event days.

- Another reason God revealed these two volcanic event dates is to further confirm the Two Hour War as His doing, and to verify the Wagers, Line 5, and the Line 6 time reversal into Line 7, are all real, and I am His predicted solver-servant. The odds of calling the date of the 2HW are very remote. The odds of calling the 2HW, the Wagers, Timelines 1 through 7, Natas 99, The Prophecies Against, The Second Coming, and two Popocatépetl eruptions are infinite.

Statement of Continued Disruption, Distraction and Deceit:

In an April 2025 update of *Killing Guadalupe*, in the *arrowhead* section, page 146 or 147, I first explained that I believed God wanted me to confirm and document that, in curtain form, He was doing many things to make my R/revelation work difficult (I also explained this in Steve's Top Secret Notebook and L5:THTRT). I believe that documentation expectation continues. Thus, I hereby confirm God, in curtain form, continues to engage in the disruptive, distracting, antagonistic and misleading behaviors described in Killing Guadalupe, etc. These behaviors began in the fall of 2024, and have continued ever since. The behaviors tend to decline at night, and increase by day.
