

HONOR * SERVICE * COMMITMENT

There are just a few core values of men and women who make up our Nations armed services. Throughout the ages, these individuals swore an oath to protect and defend our Constitution and the freedoms we enjoy as Americans. At home, on the seas, in the air or on some foreign shore, our military have secured the inalienable rights of life, liberty and the pursuit of happiness for the people around the globe.

The city of Kempner is proud to offer the opportunity to honor the selfless service of these individuals through the establishment of a Veteran's Memorial located in the Sylvia Tucker Memorial Park. You have the opportunity to purchase an engraved bench to recognize the dedicated service of a family member, friend or yourself. This personalized bench will be an ongoing project throughout a designated area in the park as a permanent display of recognition for our True American Heroes.
