Board of Directors Meeting
July 8, 2007 - 5:00 p.m.

The IIA Board of Directors met for a called meeting July 8, 2007 with seven members present. President Ray Moody called the meeting to order and the Board approved minutes of the April 1 and May 17 meetings. Most of the meeting was devoted to MSBU petition progress reports and plans for moving the project forward.

Reports showed that about 68% of the required signatures had been gained to date. The Board authorized expenditure of funds to prepare and mail MSBU sheets with interested residents preparing the mailing. Martha Desposito distributed property owner lists to those wanting to help and Rod Powell listed strategies to get the information out and gain the support of additional owners.

Following a brief update on the causeway and on the gate, the meeting adjourned at 6:15 p.m.
