Costume Payments Due

Dec 21st - Jan 2nd
Christmas Break

With the holidays upon us, please be reminded that it is important for costume payments to be on-time so we can promptly order your dancer's recital costume. Most costumes have to be custom made and this process can take months. We do our best to order them as early as possible to ensure that costumes arrive prior to picture week and well before recital. Your costume letter includes the price of the costume as well as any additional items that may be required for the routine. This letter will be viewable in the "view documents" tab on your Studio Director account soon.
Please contact us with any questions!

Join us downtown on December 5th at 4pm for the Annual Christmas Parade! All students and their families are welcome to be a part of the parade. We ask that everyone wears the parade shirt, so we look in unison. Students under the age of 6 MUST be accompanied by an adult. More information about line up time and location will be sent via email so please make sure to be checking your email regularly!
