Park Brighton

Management has alot to do why I'm still living at Park Brighton. You can't beat the team of Anita, Carmen Victor and Joce. Anita has built Park Brighton into a community that the residents feel at home. A current resident saw me walking one morning this week and said "I might want to use the gym thursday as it is ~~very~~ going to be very hot." What a nice thing for the resident to say to me. I could not think of living elsewhere. Park Brighton is my home. Thank you Park Brighton for making me a part of your home such a caring ~~team~~ management.
