  History on the voters right act

  Why to vote
    - how your vote counts as a felon https://campaignlegal.org/restoreyourvote

      With the help of this website, you will no longer have to wonder whether you have the right to vote and will no longer have to ask, "can I restore my right to vote?" If you are a United States citizen, you can answer the key questions below about your conviction(s) and determine if you are eligible to vote right now, or eligible to go through the process to restore your right to vote.

How to vote

For Felons

- In Maine and Vermont, felons never lose their right to vote, even while they are incarcerated.
- In 16 states and the District of Columbia, felons lose their voting rights only while incarcerated, and receive automatic restoration upon release.

- In 21 states, felons lose their voting rights during incarceration, and for a period of time after, typically while on parole and/or probation. Voting rights are automatically restored after this time period. Former felons may also have to pay any outstanding fines, fees or restitution before their rights are restored as well.
- In 11 states felons lose their voting rights indefinitely for some crimes, or require a governor's pardon in order for voting rights to be restored, face an additional waiting period after completion of sentence (including parole and probation) or require additional action before voting rights can be restored.
