It's a new year. We hope that you had a restful break and are ready to start fresh in the new year. Here at OANHHS we are looking forward to everything that is going on in this new semester. This is a great time to reflect and plan for a great semester ahead.

As many of you plan to select and invite new members, now would be a great time to join [NASSP for a webinar for a review of Honor Society selection procedures to help you conduct your upcoming selection process.](#)

Spotlight on Projects

One way to your chapter can help your community is by pairing with your local blood institute to host a blood drive. This can be a great way to give back as every 2 seconds someone in the US needs blood and just one donation can save up to 3 lives!
