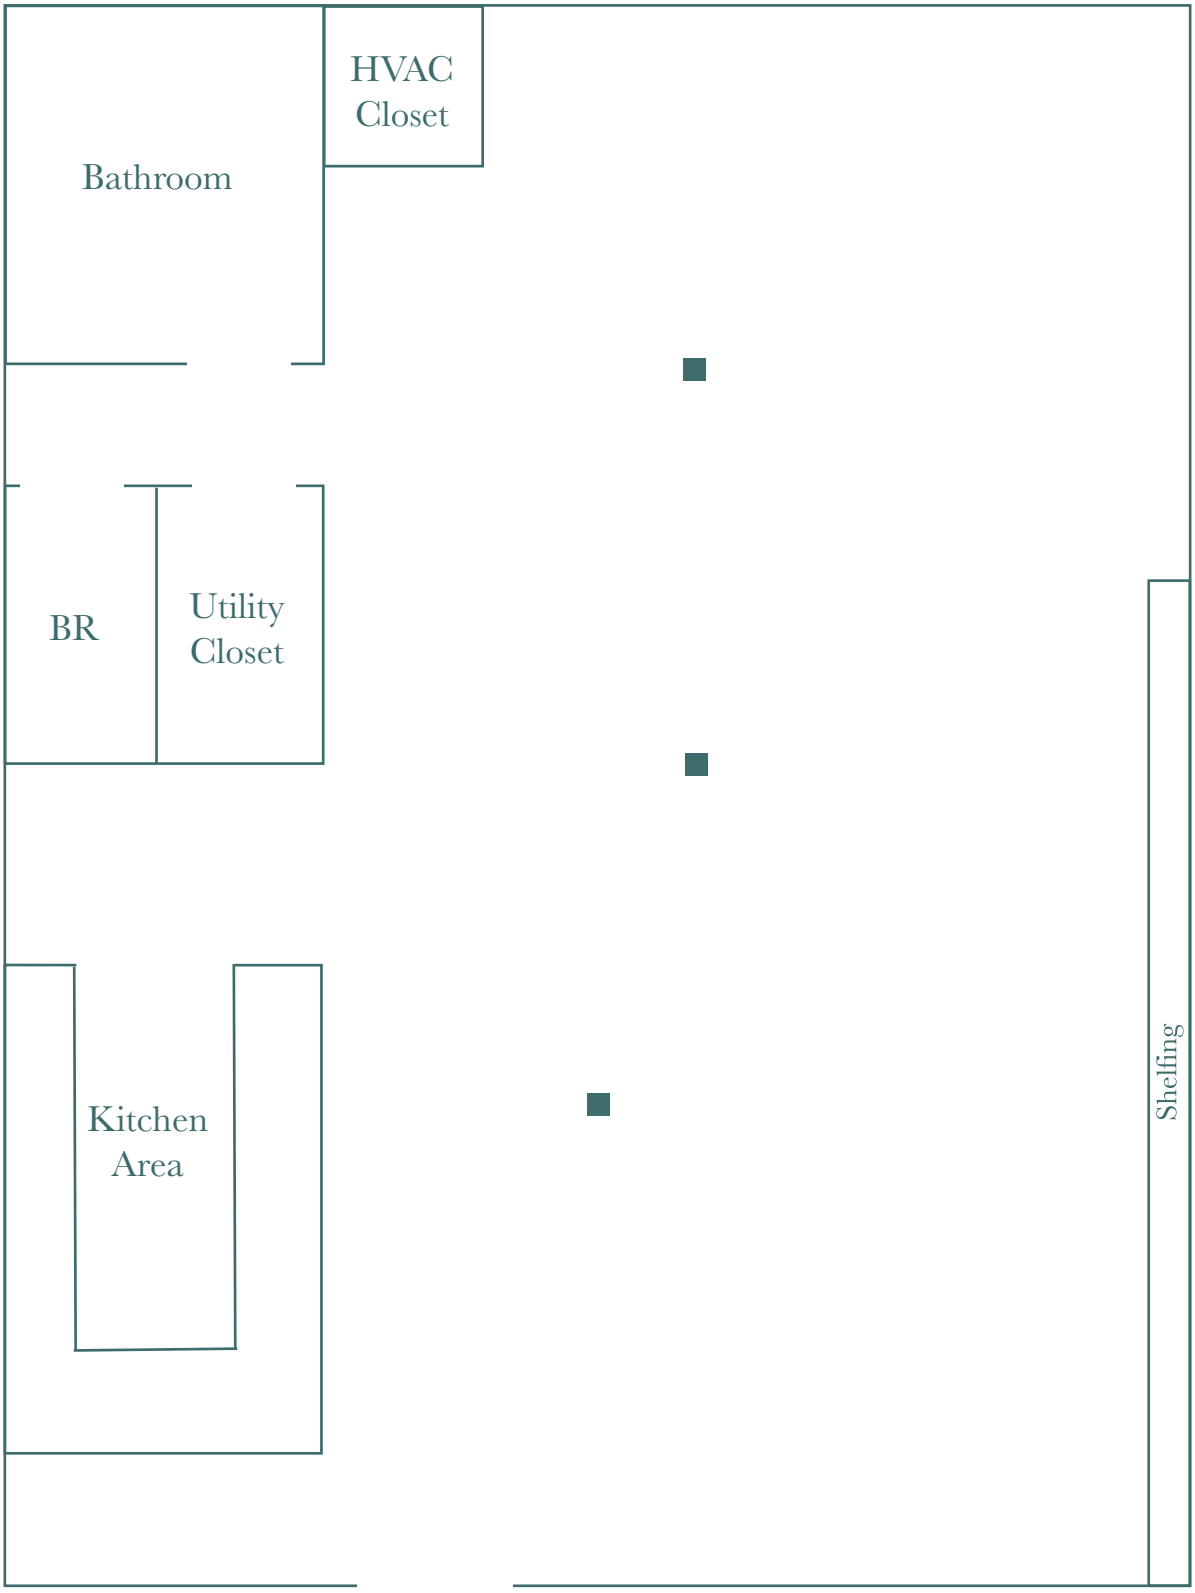
STORY

STORY RENTALS EVENT SPACE DETAILS

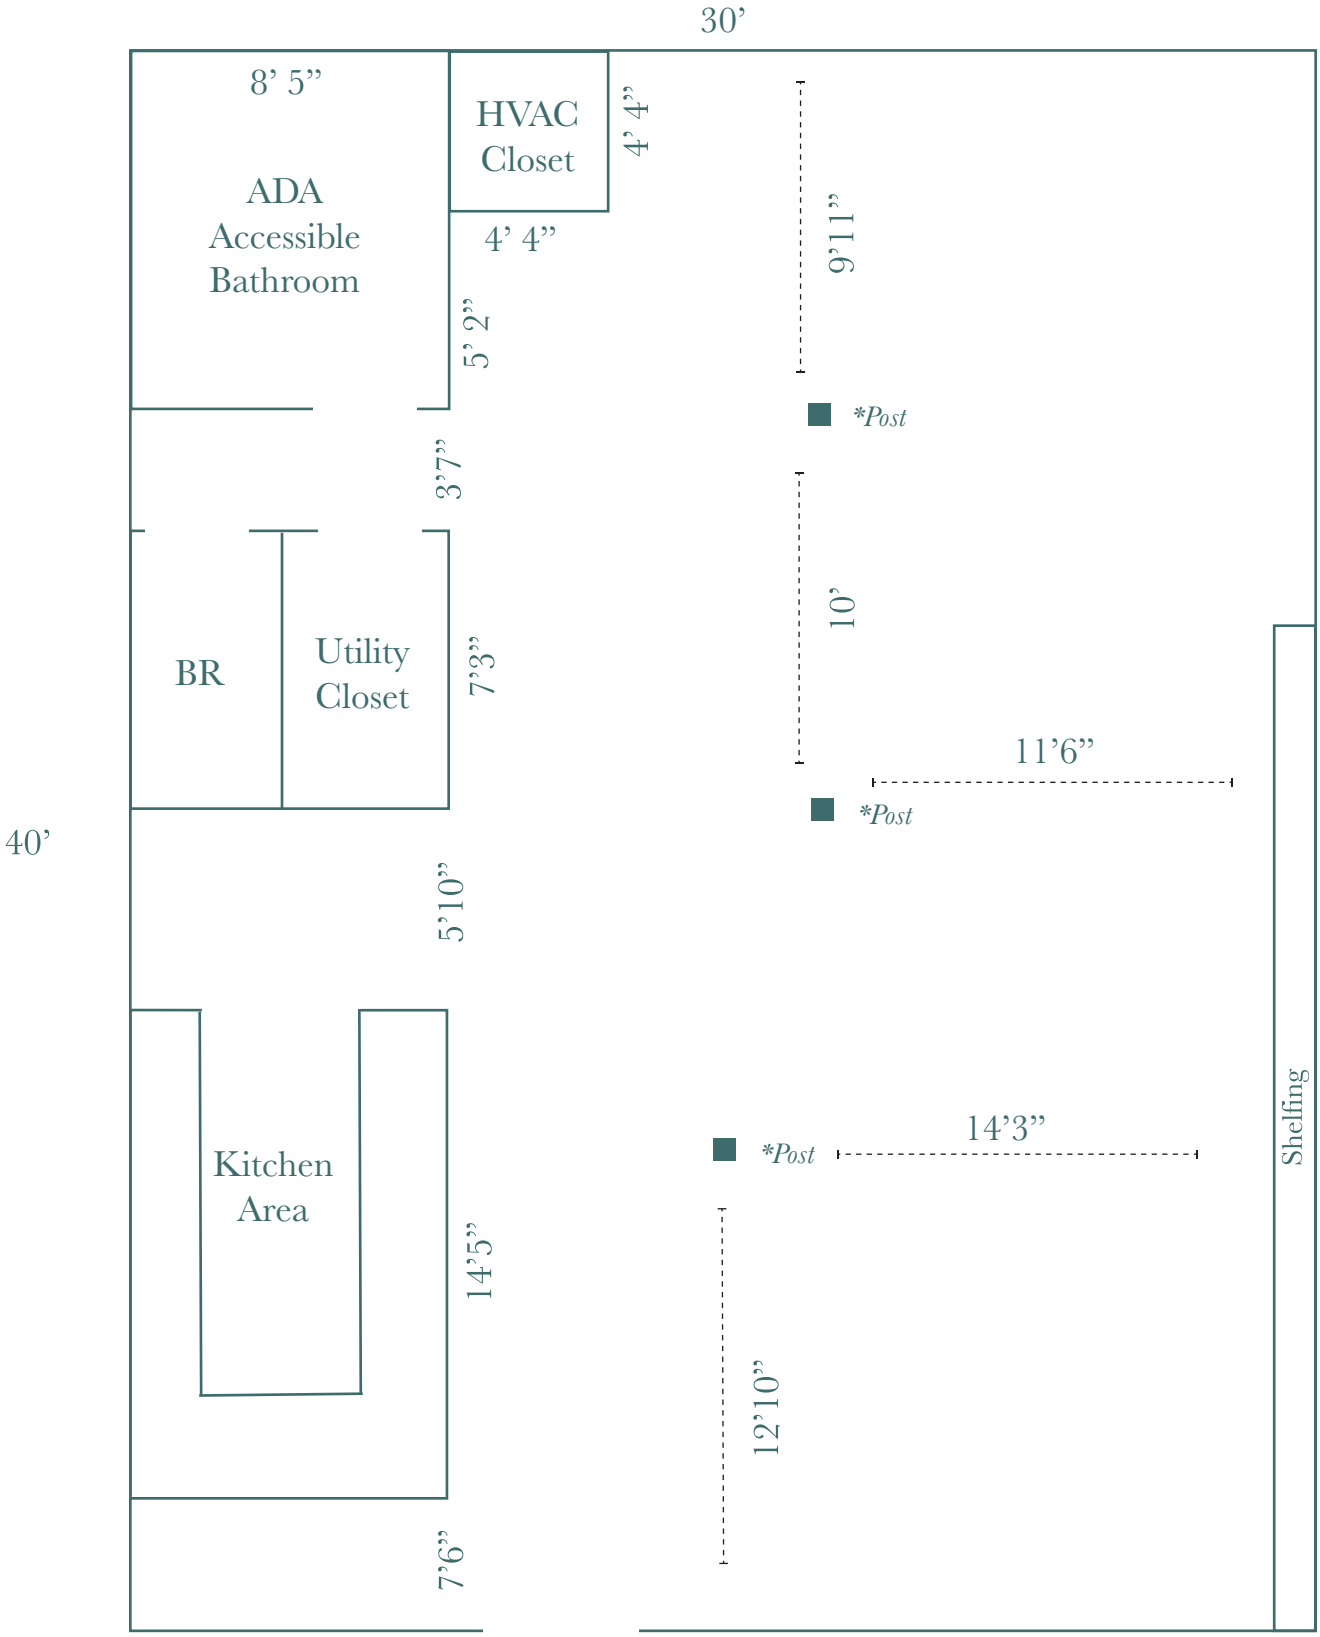
Story' guests are welcome to use anything in Story We've tried to account for everything here and to keep this document current, but if there is something you don't see you think we may have and don't see here, just ask!

BUILDING LAYOUT



BUILDING LAYOUT

Story is roughly 1200square feet



SEATING

Tables and chairs can be configured to guest preference either by asking for a certain layout prior to the event or by moving them themselves. Everything is easy to move - in fact one person can move everything except the couches which need two people to keep from dragging them across the floor. We ask that all furitnure be picked UP to move and never drug.

Tables

•6 white 4-6 top tables W 49 1/4" x 29 1/2"
•3 square wooden top tables 29 1/2" x 29 1/2"
•6 bistro tables 24 in diameter
•1 coffee table

Seating

•12 wooden chairs
+ 6 additional available upon request
•24 white chairs
•2 velvet blue couches (4 seats)

reference

One extension
cord

Three trash cans,
plenty of trashbags
always stocked

Speakers

Story has two bluetooth speakers guests can use that pair to each other for providing music during your event. Guests should come with their own device such as a phone to play their desired playlist or station.

Projector Screen

Connect to our projector and play presentations or movies on the big screen - to connect you will need a computer or device with a HDMI port or an HDMI adapter.

Parking

15 spots on Story's property

Some are alongside the building along Gee Street and a few are behind the building accessible from Matthews Avenue.

*Empty lot across the street - we know the owner and have been given verbal permission that it won't be an issue for the foreseeable future. Please note we do not own this property and cannot guarantee anything regarding its continued use but we have a great relationship with property owner and expect that to continue. We ask you to treat it with the utmost respect so that our guests can continue to use it.
