Eido Connect's Philosophy for 2022

- Choice -

"Peoples Choice"

The community of Hopesville called a town meeting. "Seems as though we have gotten into a slump," quoted the Mayor as the meeting proceeded. "So, a group of us got together and we decided that we should have an Artist Day. People can bring their pictures or whatever they have created, we will display in the huge arena. Judging will be done and the winner will win - - haven't figured that out yet - want to get more involved - - then we wanted you to all be a part of it - - for we know we have many artists in our community - - want your input."

Many from the city were present at the meeting - some disagreed, but the biggest majority were in favor and also excited about the idea. Volunteers came forward and plans for the biggest art display/contest were in the making. Posters were mailed out, emails, every form of advertising was on the way. Responses came in the next week. Seemed like everyone was excited, for it was as though Hopesville had finally come alive again.

The big day finally arrived, artists from all over the country brought their treasures - - pictures, photos, paintings, metal art, flowers - - the assortments were breath taking. How could the judges ever choose. Because the event was from Friday to Sunday the judges suggested there should also be a peoples **choice** - - sure would help at picking the final winner.

Prize money had now exceeded peoples expectations so entries continued coming in. Banquet preparations were coming together. The winner would be announced at the banquet. Winner must be present.

Grandpa Jones told Joey, his grandson, "Not going, kinda tired," "But Grandpa, what if I win, you won't be there to see me." At the last minute Joey convinced Grandpa to come along.

Auditorium filled to capacity, stage was filled with winning pieces. One by one prizes were given out - - then the moment everyone was waiting for - - the portrait was uncovered, the crowd cheered and announcer said, "Please

Mr. Jones will you please come forward and tell us about your painting."

Grandpa Jones picked up his cane and walked to the front. Looked at his picture and began. "Many years ago this is what we saw - people came from other countries, worked hard, were happy. But thru all the years we've lost something - - we look but don't see. So one day I want to the shopping mall, took my cell phone and I began taking pictures. Every picture I took brought a little more happiness into my life. I came home that night, opened my photos and began painting. I know I'm not an artist, but when I finished my picture - - well it made me smile and I thought maybe it can make someone else smile and eventually the name Hopesville - well - - the crowd cheered as they witnessed the award winning peoples **choice** painting, a picture filled with smiling faces - -.

Make a difference today

SMILE

PLAINS AG LLC
FOR THOSE WHO DEMAND MORE

Service Technician —Bowman, ND

Plains Ag LLC/West Plains Inc., a certified Case IH dealer in Bowman, ND, is looking for a top notch individual to perform quality maintenance and repairs on all types of agricultural equipment. This position will be part of our team of people responsible for maintenance, repair, and reconditioning of farm equipment by the use of electronic diagnostic tools, electronic parts catalogs, service manuals and other sources of information and materials.

Candidates should possess good people skills, good communication skills, time management and organizational skills. Qualified applicants will also need a positive attitude, be quality and customer service oriented and have their own tools. Candidates must have physical mobility including being able to lift up to 60 pounds unaided, have the ability to stand for long periods of time, and be able to manage different environmental smells, as these are all required for the position. Position offers guaranteed hourly wage and full benefit package; wage based on experience.

Plains AG is a Value's led company. We offer competitive wages, 401k retirement plan, health insurance, dental insurance, vision insurance, short-term and long-term disability insurance, life insurance, tool allowance, paid vacation, personal leave days, eight paid holidays and job training. We also have education reimbursement (ask for details, certain restrictions apply).

Applicants must be able to meet and maintain insurable driving status and pass pre-employment drug testing.

If you are ready to work in a great environment with great people, email your resume to hr@plainsag.com

We are an Equal Opportunity Employer

PLAINS AG LLC
FOR THOSE WHO DEMAND MORE

Service Manager—Bowman, ND

Plains Ag LLC/West Plains Inc in Bowman ND, a certified Case IH dealer, is looking for a motivated and driven individual to join our team as a Service Manager. The selected candidate will ensure the service department develops and efficiently and effectively processes repair orders, ensure the effective scheduling of service work, and provide input for a successful marketing plan in coordination with other departments. This candidate will develop, monitor and achieve agreed upon departmental business objectives consistent with dealership policies, regulations and expectations. This position requires the ability to work longer hours with the seasonality of our business.

Applicants must possess:

- Excellent organizational, communication and problem-solving skills
- Agriculture background
- Thrive and multi-task in a constantly changing environment
- Superior customer service skills
- The ability to anticipate issues and respond proactively with solutions
- Computer skills with the ability to learn new programs
- Able to lead a team
- Be able to lift up to 60 pounds unassisted
- Ability to stand for extended periods of time
- Be able to manage different environmental smells

Plains Ag is a Value's led company. We offer competitive wages, 401K retirement plan, health insurance, dental insurance, vision insurance, short-term and long-term disability insurance, life insurance, paid vacation, eight paid holidays and job training. Salary commensurate with experience.

Applicants must be able to meet and maintain insurable driving status and pass pre-employment drug testing.

If you are ready to work in a great environment with great people, email your resume to hr@plainsag.com

We are an Equal Opportunity Employer

Questions about vehicle/equipment listed contact Jon Alt - 701-425-9251.

Expressions of HOPE

Reflections on the *Words of Life*

By Pastor Paul Ferrie, Grace Reformed Church of the Lord Jesus, New Leipzig

In our study last time, we saw that King Darius had appointed Daniel as one of three governors over the Medo-Persian Kingdom and was considering setting him over the entire realm. Daniel was doing his job and doing it well. And though he was highly valued and trusted by the king, this was not the case among his peers. In fact, Daniel's peers hated him. We read in Daniel 6:4: "So the governors and satraps sought to find some charge against Daniel concerning the kingdom; but they could find no charge or fault, because he was faithful; nor was there any error or fault found in him." Why were Daniel's peers seeking to discredit him? It seems that there can only be one answer. Daniel stood in the way of their plans to use the government for their own ends. With Daniel in a place of prominence, they could not gratify their greedy desires and implement policies which would put public funds into their pockets. These men had no concern to benefit the people under their jurisdiction. And so the crux of the reason why these men hated Daniel was that he was a righteous man who uncompromisingly lived for the Lord.

Did not Jesus Himself tell His disciples in John 15:18-19: "If the world hates you, you know that it hated Me before it hated you. If you were of the world, the world would love its own. Yet because you are not of the world, but I chose you out of the world, therefore the world hates you"? Very often, the holier and more godly a person is, the more he or she will be hated by unbelievers. What makes the hatred for Daniel all the more amazing is the confession which his enemies were forced to make about him: they could find no error or fault in him.

What a reminder this is to those who are believers that we are witnesses at all times, whether good or bad. The eyes of others are watching, and our words and actions are constantly saying something about us. There are people who are looking for reasons to discredit Christianity. If they can point a finger at Christians as being guilty of any genuine sin or failure, then they use this to give themselves a false sense of assurance that there really is nothing to being a follower of Christ after all.

Dear brothers and sisters in Christ, let us not provide a mocking world with any such ammunition. Rather, let us seek grace to live according to the words of our Lord Jesus, who said in Matthew 5:16, "Let your light so shine before men, that they may see your good works and glorify your Father in heaven." Let us seek grace from God to be so unwavering in our devotion to Him that our lives, though certainly far from perfect, have a quality about them that will bring honor and glory to our Heavenly Father.

Lord willing, we shall see more about Daniel and his accusers next time. But let us turn our thoughts to One who came on the scene centuries after Daniel, about whom His enemy made a similar observation. After examining Jesus in front of His accusers, Pilate commented, "I find no fault in this man" (Luke 23:4). The difference is that THIS Man had no fault. Daniel was a very godly and honorable man, but just like every other human being born into this world, he had a sinful nature and needed God's forgiveness just as the rest of us do. The Lord Jesus Christ alone was sinless. He alone was qualified to go to the cross to bear the punishment for the sins of all who would place their trust in Him. He willingly offered His sinless life as the perfect sacrifice, and God is completely satisfied with that once-for-all sacrifice for sin. Friend, are you trusting in that sacrifice alone to make you right with God? "Whoever believes in Him shall not perish, but have eternal life."

Employment Opportunity

Public Works Supervisor for Adams County & City of Hettinger

An aggressive, imaginative individual is needed to direct and coordinate all activities in an integrated County-City arrangement.

City duties will include the year-to-year maintenance and repair of 12.5 miles of asphalt streets and overseeing water and waste water maintenance activities for a city of 1300 population.

Applicant must be able to supervise the overall maintenance of 314 miles of County roads, 34 of which are asphalt, and 178 miles of unorganized township roads, and employees.

Applicant must have a working knowledge of heavy equipment maintenance and repair as well as related activities. This individual must like administrative duties, public relations work, and supervision of employees. Computer experience is preferred. Applications available on the County website: adamscountynd.com or from the Auditor's Office

LOOKING FOR A JOB FULL OF OPPORTUNITIES ALONG WITH FAMILY-OWNED BUSINESS VALUES?

LOOK NO FURTHER!

AgPro Machinery Sales & Service is looking for two technicians to join our team at the Hettinger location:

Ideal candidates have a tech degree with a minimum of two years of experience. Having your own basic tools is also a plus! Job responsibilities include but are not limited to:

AUTO TECHNICIAN:
- Complete preventative and routine maintenance, run diagnostics and occasional tire work
- Knowledge of mechanical and electrical components of vehicles
- Assess and troubleshoot vehicle failures
- Repair and replace worn or damaged parts

SERVICE TECHNICIAN:
- Responsible for basic to advanced maintenance, new equipment installation and troubleshooting in the shop and in the field.
- Ag experience is required. Must have the ability to run diagnostic tools and basic computer functions along with knowledge of general mechanical and hydraulic systems.
- Ability to work on a wide variety of equipment, from small engines to large ag equipment.

Competitive wages and benefits available for qualified candidates.

Please call us today for more details! You can reach Heather at 701-567-7523 or email her at heather@agpromachinery.com.

Tractor bliss

By Kathy Craigo-Harteis

When I was born my dad was a bit disappointed I wasn't a boy.

Instead he had two girls.

My sister Ann has always been lady-like. Me; not so much.

I went to work with Daddy and spent the day on his big old Caterpillar as he leveled land.

I came home dead tired and dirty. Still it's a good memory and good day with my dad. I rode on the Ford tractor with Grandpa Charlie every chance I got.

I was the only one of my girlfriends to ride the mechanical bull when it came to town in the 80's.

When it was time to mow Dad's property, I happily rode the garden tractor to mow down weeds and mostly dirt on the 1.5 acre lot.

I was hot and tired and as happy as I could be by the end of the job.

I may not have been a boy, but somehow I felt my dad watching from heaven. I think he had a smile on his face.

This week I got my own garden tractor. Love it. I anticipate many more years of tractor-riding bliss.

Of course the years of abuse to my body trying to prove I was tougher than I am has taken it's toll.

It's hard for me to admit somethings are tougher now than they once were.

Still I try. Sadly, most times these days I stop mid job to rest my back.

We just have to keep moving one day at a time.

Life is good today.

THANK YOU!

The family of Albert Frey would like to thank all of you who came to help Albert celebrate his 75th birthday with fellowship, cake, ice cream, sharing stories of the past and laughter. God Bless your all who came.

Albert Frey
and family

THANK YOU!

The Classic On Wheels show would like to thank all of you who sponsored trophies, donations, those who volunteered their time, to make our show a success, to all who entered your vehicles and praise God who gave us time to visit and show our vehicles. Thank you one and all.

Classic on Wheels

NOTICE!

I received two unsigned graduation cards with money. I want to make sure I thank you for the gift of money. Please reach out to me if you did not receive a thank you note from me.

Thank you
Joseph Bohn,
Class of 2022
Mott, ND

It's Chili Cook-off Time Again!

The District Six CattleWomen are seeking contestants for the Grant County Chili Cook-off to be held at 3:30p.m. on Friday August 19, 2022 at the fairgrounds in Carson, ND. Each contestant will receive three pounds of ground beef. All other ingredients will be the responsibility of the contestant.

All prizes will be in certificates for beef from Double R Meats in Carson. First place will be $50, second place $35, third place $25 and People's Choice $15.

For more information or to enter, contact Gloria Payne at 701-522-3432 (or text 701-425-6449), Beth Roth at 701-584-2695, or Nancy Maier at 701-584-2291 by the August 15th deadline.

Allen C. Kohl Rites Held

Allen C. Kohl, age 92 of Elgin, passed away on Thursday,

July 14, 2022 at Sanford Medical Center in Bismarck, ND.

The Funeral Service for Allen was held at 10:30am MT on Monday, July 18, 2022 at Hope Congregational Church in Elgin with Pastor Ed Zimmerman, officiating. Burial was held at 12:00 noon CT on Tuesday, July 19, 2022 at the North Dakota Veterans Cemetery south of Mandan, ND with full military honors afforded by the George W. Snook American Legion Post of Elgin and the Mandan VFW.

Allen C. Kohl was born March 27, 1930 to Alex and Esther (Finck) Kohl in Elgin, ND. He grew up and lived his entire life in Elgin. He served in Korea during the Korean Conflict. He returned to Elgin and married Lois Knoke on September 11, 1953. He started his electrical business, Kohl Electric which he operated until his retirement.

Allen is survived by his wife Lois, his sons Bruce (Carla), Craig, Todd (Marla), his grandchildren Shannon, Bryan (Adrianne), Alex, and Maggie, his great grandchildren Justin, Penelope, and Hazel, his half sister Opal Zak, and his sister-in-law Ilene Kohl Haslid.

He was preceded in death by his parents, his father-in-law William Knoke, and his mother-in-law Ella (Schmidt) Knoke; brothers, Leroy, Myron, and sister, Inez.

Allen put all his faith, hope, and trust in Jesus Christ. His desire would be that you do the same.

Condolences may be sent to the family at www.evansonjensenfuneralhome.com.

Josephine "Josie" (Sticka) Steier Rites Held

A Mass of Christian Burial for Josephine "Josie" (Sticka)

Steier, 89, formerly of New England ND, was held at 10:00 a.m., Friday, July 22, 2022 at St. Mary's Catholic Church, New England ND with Father Dennis Schafer and Father Gary Benz con-celebrating.

Interment was in St. Mary's Cemetery, New England.

Visitation was held from 4:30 p.m. - 6:00 p.m., Thursday, July 21, 2022 at Stevenson Funeral Home, 2067 1st St. West, Dickinson, with a rosary and vigil service being held at 6:00 p.m. Visitation followed an hour prior to the funeral at the church.

Josie passed away Sunday, July 17, 2022 at St. Benedicts Health Center Dickinson ND.

Arrangements by Stevenson Funeral Home, Dickinson

Catherine "Katy" Hirsch Rites Held

Funeral Mass for Catherine "Katy" Hirsch, 97, of Dickinson, was held at 11:00 a.m., Thurs-

day, July 21, 2022 at St. Joseph Catholic Church in Dickinson with Father Justin Waltz celebrating. Burial took place at Sts. Peter and Paul Cemetery in Amidon.

On July 13, 2022, Jesus took our mother's hand and welcomed her home.

Catherine (Katy) Dukart Olheiser Hirsch was born September 24th, 1924 in Dickinson, ND to John L. and Elizabeth (Urlacher) Dukart. Katy was the oldest of 6 children. Katy helped out on the family farm where she grew up and attended country school and St. Pius School in Schefield, ND until completing the 8th grade. Many years later Katy would earn her high school GED at the age of 52, which was an important personal goal of hers. Katy married Michael (Mike) Olheiser in 1945 at St. Pius church in Schefield. Their first home was in Little Rock, AR where Mike was stationed in the Army. In 1947 they started farming a half section of land northeast of Amidon, ND where they eventually built a house, bought more land, and raised a family of eight children. Together they tended to dairy cows, sheep, and hogs. Katy also enjoyed caring for chickens, geese, and a large garden. When time allowed, they would get together with friends to play cards or go dancing. Mike and Katy retired there on the farm, and after almost 35 years together, Mike passed away in 1980.

Katy later married Rudolf (Rudy) Hirsch at St. Mary's Church in New England, ND and soon after moved to Dickinson, ND. Katy was a member of St. Joseph's Church, St. Anne Altar Society, Christian Mothers, and the Leap Year homemakers club. Together, Katy and Rudy enjoyed traveling, fishing, playing cards, dancing, and visiting with neighbors. They also greatly enjoyed their bonus sons and daughters, whom neither ever thought of as step-children, and all those grandchildren. They had nearly 25 years together before Rudy passed away in 2005.

Katy remained in their home and continued to enjoy visiting with neighbors, playing cards, playing the organ, daily exercise, tending to her beautiful flower garden, praying the rosary, and cleaning house. In April of 2018 Katy moved to Evergreen Assisted Living where she especially enjoyed the activities, exercise, weekly mass, and the general socializing. Katy attributed her longevity to exercise, dancing, praying the rosary, and daily sips of pickle juice. Throughout every stage of her life, the center of Katy's attention was on God and her family.

Katy is survived by her brother, Jerome (Darlene) Dukart of Dickinson, ND; six children, Eugene (Brenda) Olheiser of Billings MT, Doris (Larry) Davison of Gallipolis, OH, Darlene (Jerry) Brinster of Glendive, MT, Bert (Nancy) Olheiser of Damascus, OR, Wayne (Simone) Olheiser of Dickinson, Laverne (Ryan) Erickson of New England, ND; three bonus daughters, Eva Howe of Lebanon, OR, Marie (Roger) Maulding of Oregon City, OR, Vi (Bernie) Schaaf of Del Rio, TX; 26 grandchildren, Matthew, Janet, Glenn, and Josh Olheiser, Amy Berry, Keith, Kurt, Mark, Jeff, Frank, and Scott Davison, Kristie Galindo, Tina and Shannon Brinster, Chad and Todd Erickson, Trisha VanVoorhis, Justin Hirsch, Colin and Chris Maulding, Ashley McMillan, Ryan Schaaf, Celena Delano, Keith Smith, Melissa Castle, and Christine Falconer; and numerous great grandkids and great great grandkids.

Katy was preceded in death by her parents, her husbands; two sons, Richard and Arnold; brothers, Dominic (infant) and Phillip Dukart; sisters, Helen Fisher and Juliana Heidt; bonus son, Herbert Hirsch; bonus son-in-law, Mike Howe; grandson, Gary Howe; and great-granddaughter, Cadence Erickson.

"Well done, good and faithful servant" - Matthew 25:23

Remembrances and condolences may be shared with the family at stevensonfuneralhome.com

Arrangements by Stevenson Funeral Home – Dickinson

Brandye Ranum Rites Held

Services for Brandye Ranum, 48, of Baker were held

at Stevenson Funeral home in Baker MT. 11:00 am Friday, July 22, 2022 with pastor Jim Biswell officiating.

Our beloved Brandye Ranum left this earth with a heart full of Love and Happiness on July 15, 2022. You do not have to ask how does one start to put into words the life of the most amazing Wife, Mother, and Best Friend. You just have to start telling her story the one of Kindness, Determination, and Motivation.

Brandye was born on August 14, 1973, in Lewiston, ID to Vernon and Phillis (Miller) Benjamin. She grew up in Idaho and while in high school she met Shawn, her soul mate, best friend, and love of her life. When Shawn's family decided to move back to Baker, Brandye packed up and went with them to be with Shawn. She graduated from Baker High School. After growing up in the city, Brandye loved the ranch life. Her love of all animals, no matter the kind. Even snakes, moths, lady bugs, mice, or any other critter she came across, she would save it from its demise. She was so proud of all of the animals she raised, her miniature donkeys, sheep and all the mama cows and their babies. They all had names Phil, CJ, Cash, Olivia, Buck, Houdini, Cecelia and the list goes on. All of her kids/dogs: Cole, Joze, Badger, Beau, Lycan, Jet, Gracie and a couple she just loved Blue and Ace.

Brandye and Shawn married on June 13, 1991. During their early marriage years they did over the road trucking together and got to see many different places. When they decided to settle in Baker she set her eyes on having a video and coffee shop which satisfied her love of movies and coffee and she really enjoyed visiting with people when they came in. In 1995 Brandye and Shawn started R&R Welding and have continued to operate it successfully. Brandye also eventually started working in the oilfield as a lease operator. Over the years from her experiences, strong work ethic and her self-taught master computer skills, she moved into roles as a planner, scheduler cost analyst, logistics specialist, SAP master data and most recently the EAM Manager at Denbury Resources.

Brandye's greatest accomplishment was her son. After the loss of their first son, they welcomed Tuf Zander and he became the center of their lives. Other than R&R Welding, Brandye took time from work to raise Tuf until he started school. She treasured the time she got to spend with him. Her favorite and most cherished times were when she was doing anything with Tuf. Whether it was a preschool tumbling class, playing games, riding four wheelers, or even Halloween. Brandye and Shawn lived in Baker for years and then moved to Dickinson, ND for a short time from 2014 to 2018. While in North Dakota, Brandye coached Tuf's soccer team and at the end of the year she was awarded the Soccer Coach of the year for the entire state of North Dakota. They then returned to Baker to raise Tuf and be with family.

Taking care of herself was also a priority and she found peace and a sense of accomplishment in her running. She loved participating in half marathons 5K's, 10K'S, and many other Fun Run's. She enjoyed them even more when she could get her son Tuf or some of her friends to participate.

Brandye had a kind, loving, and giving soul for all people. She held her friends close and shared her love of life with them. She would never turn down an invite and loved to have a good time. She made herself available for anyone and would volunteer to help any friend out, constantly giving herself. Brandye loved babies and if there was one around, you could count on it being in her arms. To so many of her friends she was considered their rock, their Inspiration.

The beautiful hunger for life that Brandye had was true and inspiring to everyone who knew her. After visiting with her for few minutes you would feel like you could tell her anything and go on to change the world. In her son's words she was loving, caring, guiding, and his everything. She showered you with her kindness and motivated you to be better. Her laugh was truly infectious and her love everlasting. She loved life and lived every second of life to the fullest. The memories, kindness, love, inspiration and motivation she gave to all of us will live on within us forever.

Brandye's fun loving and giving spirit will be missed by her husband, Shawn; son, Tuf Zander, kid/dog, Vern; mother-in-law, Deb Ranum; special niece, Nicole McKnight; numerous aunts, uncles, nieces and nephews, and all her special friends.

Preceding was her son, Tuf Cole Ranum; parents, Vernon and Phillis (Miller) Benjamin; father-in-law, Dave Ranum.

Condolences and remembrances can be shared with the family at stevensonfuneralhome.com.

People believing in each other make a difference in their communities

Sometimes silence is the best answer

Remember "The struggle" is the struggle to better yourself, to change, and to grow with courage and patience

"Henry Ford Helped Advance Agriculture With Soybeans"

By Don Taskila - Regent, ND

In 1896, Henry Ford was working as an engineer constructing electrical generating stations for Thomas Edison's Detroit, Michigan Branch Subsidiary of the Edison Illuminating Company (Head Offices, New York City) when: he then, at age 32, worked after-hours-evenings & weekends in a shed-like workshop behind his residence where: he built his first gasoline-powered horseless carriage, the "Quadricycle". It was a small and light metal frame vehicle that rode on 4 bicycle wheels - with a 49-inch wheelbase and overall it was 79 inches long. It was 45 inches wide and 43 inches high. The Ford Quadricycle was an inventive success for Henry Ford whose early life's determination and hard work paid off, and later earned him the title of "genius of the automotive industry."

In 1903, seven years after the first Quadricycle trial run-Henry Ford (and 11 associate investors) launched and subsequently established the Ford Motor Company in Dearborn, Michigan, starting in a small converted Detroit carriage factory. Five years later, it was 1908 and FORD rolled out the first Model T. In 1913, Henry Ford installed the first moving assembly line for the mass production of an entire automobile. His innovation reduced the time it took to build a car from more than 12 hours to one hour and 33 minutes.

Perhaps a fair amount of people aren't aware that "Henry Ford Helped Advance Agriculture With Soybeans". Industrialist, Henry Ford believed that his automotive industry and agriculture should complement one another. In the 1930s, sadly known as The Great Depression Years when many U.S. Farmers lost their farms or left crops to rot because they cost too much to harvest, Henry Ford invested large sums of money in researching soybeans as a crop that might unite the two revenue sources. Ford built a soybean laboratory in Greenfield Village at Dearborn, Michigan. Experiments there led to the use of some soybean-based oils and plastics in Ford Motor Company vehicles. Today, soybeans are still used extensively by Ford Motor Company. More than 32,000 soybeans are used to make some of the 300 pounds of plastic that go into every Ford vehicle.

Think about it, soybean-based oils are used for both human and animal, as well as aquatic food industry applications, paints, varnishes, floor coverings, printing inks (soy ink is non-toxic and easy to clean up), soaps; a variety of medicines- including some medications that possibly lower high cholesterol levels, and other risk factors of heart disease. Soybean-based oils are also used as a nutritional supplement in some intravenous feedings, and also to make mosquito repellant. The soybean products list goes on: Soybean Tires are a line of tires made from soybean oil that rival traditional tires for performance, and are more environmentally friendly. > Candles made with soybean oil burn longer, but with less smoke and soot. > Soybean-based Oil Cleaners are an environmentally friendly solvent that safely and rapidly removes petroleum oil spills from streams, creeks, and shorelines without harming people, animals, or the environment. > Soybean-based Foam can be used in refrigerators, coolers, both household and automotive interiors, and footwear. > Soybeans are used to produce many home and commercial business carpets, as well as home and automotive upholsteries. > Soybean-based oil can make craft crayons non-toxic and safe for children. > Biocomposites Building Materials made from soybeans and recycled newspapers replace other products traditionally made from wood such as furniture, countertops, and flooring.

Finally, two more from an already exhausting "Shortlist"-LOL, laughing out loud- I present first: non-toxic, Concrete Protector Sealants made from soybean oil that extend the life of paved surfaces, and lastly: Biodiesel Fuel produced from soybeans.

Here's me using the song title of a song pen written by Deena Kaye Rose (his real name was Dick Feller) and recorded by Country Singer, Jerry Reed (released in May 1973) > "Lord Mr. Ford", by 1934, your automotive company had researched and made a soybean oil paint that was glossier, less expensive, and dried to a harder finish than other "Out-There" coatings. Mr. Ford, back in '34, every NEW Ford had a coat of soybean paint. Soybean protein, mixed with a chemical resin, created a sturdy plastic. Soon cars had soybean plastic gearshift knobs, light switches, and horn buttons. Ford then claimed, boasted that every car contained a bushel of soybeans.

After creating soybean plastic, Henry Ford engineeringly dreamed of a car body that was made from soybeans. To master this he had to make large plastic panels, which took longer to mold 'n' perfect because the first panels cracked. Eventually, succeeding in his task, in 1940, Henry Ford publicly demonstrated the strength of a soybean plastic trunk lid attached to his car - a NEW 1941 Ford, by hitting it with an ax - which, it was said, didn't make a dent.

Henry Ford's soybean research started over 90 years ago - and still sparks the movement Today to use soybeans in production and manufacturing WORLDWIDE. Since the 1950s, global soybean production has increased 15 times over. The United States, Brazil, and Argentina together produce about 80% of The World's soybeans. The total World Production for soybeans in 2020 was nearly 390 thousand U.S. Tons, up over 5% from 2019. Brazil was the largest producer, accounting for 34% of World Production, followed by the United States of America at 32%.

Henry Ford was an American Industrialist, Business Magnate, Founder of the Ford Motor Company, and Chief Developer of the assembly line technique of mass production.

Born: July 30, 1863, in Springwells Township, Michigan.

...Died: April 7, 1947, at his Home in Dearborn, MI; at the age of 83.

JMHCC is an equal opportunity employer.

Thoughts for the Week

by June Schmidt

Something very interesting is happening in our little town. Since the closing of the Nursing Home that hit us so unexpectedly, it appears that there may be hope in the future. The building has officially become the property of the City of Mott and future plans for it are being developed.

It was many years ago that the City of Mott was in the same position with the eminent closure of the Nursing Home that was located behind the Courthouse. Then the people of Mott pulled together and raised the funds to construct what is now the former Good Samaritan Nursing home. It was because of those Community minded citizens that Mott gained a new building and saved the existing jobs and also created more jobs that employed the people of the Community. Then the building was turned over to the ownership of the Good Samaritan Society that ran the home for many years before selling out to Sanford. Unfortunately Sanford chose to close the facility ending the legacy that was started by our own Community.

And now it appears that we must try to fight our way back again, and the amazing thing is what is happening with some of the people of the Community. Suddenly there are people that have run events and are considering fund raisers to support that venture. And all this is a repeat of what their parents did…is that coincidental or in my opinion, it shows that the apple truly did not fall far from the tree. How wonderful that is to see people fighting to retain what was a large part of this community in the hopes of building back what is currently lost. The Nursing Home was not just a care facility – it was a home to many that were raised right here in Mott or spent their lives living and working here.

When I moved here, those people that built the nursing home were active business people. When the time came that they could no longer live comfortably in their homes, many of them became residents in the Nursing Home. Before they were all moved out, if you would have seen the residents board that was on the wall by the front doors, you would have seen those names listed. They were friends that moved into a facility that they were comfortable with – kind of like being at home, sharing stories of their lives with each other. That is what Sanford took from us. When the residents and their families were told that they had to leave, it must have been a great shock to them. The place where they had people they knew and friends to talk to was no more. Now many have moved miles from their families to strange places. They will get good care, but is that the same as having to leave home for the second time? How sad that must have been for them.

I found this quote on one of the Events that was run this past weekend: Entitled – When Parents Get Old. Let them grow old with the same love that they let you grow. Let them speak and tell repeated stories with the same patience and interest that they heard yours as a child. Let them overcome, like so many times when they let you win. Let them enjoy their friends just as they let you. Let them enjoy the talks with their Grandchildren, because they see you in them. Let them enjoy living among the objects that have accompanied them for a long time, because they suffer when they feel that you tear pieces of this life away. Let them be wrong, like so many times you have been wrong and they didn't embarrass you by correcting you Let Them Live and try to make them happy the last stretch of the path they have left to go. Give them your hand, just like they gave you their hand when you started your path.

Honor your Mother and Father and your days shall be long upon the earth. God Bless you All.

RECIPE OF THE DAY

TWENTY-FOUR HOUR COLESLAW

4 to 6 C. shredded cabbage
1/2 C. sugar
2/3 C. white vinegar
1/3 C. salad oil
1 tsp. prepared mustard
1/2 tsp. celery seed
1/2 tsp. salt

Add sugar to cabbage and set aside. Mix other ingredients in a saucepan and bring to a boil. Pour over cabbage while hot. Chill in refrigerator. To be used the next day. Keeps well in refrigerator a couple days.

Special for Cat Lovers! . . .

by geno sloan

Exactly how much do you love your cat?? Think about it.

I know a fellow who recently purchased a very special litter box for his feline. He gave me a detailed description of it, so here goes.

The container is complicated as well as computerized. Yes, I said *computerized!* It monitors the amount of litter used, the cat's weight when she goes into the container, and how long it takes her to do the job. His cat's average time is 44 seconds, while her quickest job only took 23 seconds! It all shows up on a chart. Think of that! I don't even keep track in my *own* bathroom; of course, I am retired so I really don't care (and I read magazines).

After the cat leaves its unique bathroom, a little motor sifts the litter, and then dumps the clumps into a low tray. All this time a special app keeps track of "it," indicating when the tray needs emptying, when the automatic air deodorizer needs refilling, as well as when to add new litter. There is a computer bar chart, a pie chart, as well as complete statistics available.

Welcome to the Hands-Free Cat Box hobby experience! So, what can he do now for fun? He can sit around and watch the phone app tell him when and how his cat goes poo. He can even keep the monitor active while he is at the shopping mall. What an innovation! We are living in a new age, folks.

Cloud Seeding Operations Summary for July 11-17, 2022

BISMARCK, N.D. – Warmer and drier conditions prevailed last week over southwestern North Dakota as a more typical mid-July weather pattern developed. There were two brief operational flights for hail suppression, one on July 14 and the other on July 16 in the Bowman and Slope County project area. Rain enhancement operations were suspended in the project area last week due to previous weeks' wet conditions.

Last week's upper-level ridge gets flattened by a couple significant weather systems this week. The first storm system brings a brief chance of thunderstorms on Monday and then the next one is forecasted to pass through North Dakota next weekend. After a hot start to this week with highs reaching near 100 degrees, temperatures should moderate into the mid 80s to lower 90s.

Radar facilities in Bowman operate around the clock during the NDCMP. Radar images can be viewed on the Atmospheric Resource Board's web site at www.dwr.nd.gov/arb.

Participation in the NDCMP was determined through a county-level public process. District 1 is comprised of Bowman County and seven townships in Slope County. The NDCMP will continue through the end of August.

Congratulations to our $5 Winners

Dorothy Lien, New England, ND - (Mott Winner)

Sandy Kelly, Belfield, ND - (Bowman Winner)

LIFE begins when we start DREAMING

A Little Birdie Told Me

By: Vivian Hernandez

A Little Birdie Told Me: "Can You Believe We Have 19 Museums in Our Circulation Area?" That's right unless I've missed one again: My list keeps getting longer. I traveled to the museums in Elgin and Glen Ullin only to discover three more museum locations: Flasher, Carson and New Leipzig!

Marie Klein met me at the museum in Elgin at the junction of Highway 21 and 49. The museum is located in two buildings: "The Only Known Railroad Depot Setting on the Original Site and Being Utilized as a Museum in SW North Dakota." Living quarters at the rear of the building display period furnishings.

The other building is a pioneer church built in 1900 north of Heil, ND. The church contains an extensive photographic history of the area and its residents.

In addition a railroad caboose donated by the Northern Pacific Railroad sits on tracks just east of the museum.

The museum is home to the Indian artifact collection of Allan Rivinius: Allan started hunting artifacts on his property in 1973. The Cannonball River runs through his land where a Native American Village was discovered. Allan has kept a detailed log of all his findings, diagrams of the items and where they were found.

General Custer also camped along the Cannonball River on July 6, 1874 on their return to the Black Hills. Items lost by the soldiers and found by Allan and others are now on display at the museum.

The museum is open June, July and August by appointment: call Marie Klein at 701-584-3058.

The "Sippin' Chicken" Coffee House & Gift Shop is located at 122 Main St. North in the old Farmers State Bank building. The bank has quite a history of its own: In January of 1971 burglars made off with $20,000! I can't attest to the coffee as I'm still on the wagon but several older gents were having coffee and catching up on the latest gossip. The Sippin' Chicken summer hours are Mon-Thurs 7:30 – Noon and Fridays 7:30 – 4:00, starting in August 7:30 – 4:00 Mon-Fri. Phone number 701-584-3435.

A Little Birdie Told Me: "If You're Interested in Native American History and Artifacts the Museum in Elgin is For You!"
