Greenville Area Dog Club

Registration and Release of Liability

A session consists of eight weeks of classes with each class lasting approximately 45 minutes to one hour. In joining the Greenville Area Dog Club, Inc (GADC) classes as a student, I hereby assume all risks and responsibilities for the accidents and damage to my property, others, or myself that result from my actions or those of my dog. No member or instructor of the GADC, Inc. shall be held liable for injury and or damage to my person or property, whether due to uncontrolled dogs or negligence of any student, member or instructor of the GADC. I understand all dogs registered in classes must be current on vaccinations. **Vaccinations: We require Parvo/Distemper and Rabies. Bordetella (Kennel Cough) is suggested but not required. All vaccines must be given by a veterinarian, no owner or breeder vaccines are accepted. The vaccination paper work you submit with your registration must be on the veterinarian's letterhead showing the dog's name, owner's name and the date the vaccines were given or the date they are due. To be guaranteed a spot in a class you must first submit this filled out registration form, vaccination record and payment.** **Children:** A parent or guardian must be present for children ages 9-17 to train their dog. If it is the opinion of the class instructor or the Director of Training that the child is not capable of handling his/her dog in class, a parent/guardian will train the dog for the rest of the session. **Aggressive Dog Policy**: If your dog lunges, growls, and barks in an aggressive manner towards people and other dogs, please seek out a professionally trained behaviorist. Greenville Area Dog Club's instructors are experienced in training obedience, rally, agility or conformation. Our instructors are not professionally trained behaviorists. We would be glad to give you a list of resources to help you and your dog.
