The Bristol SOUP RUN Trust

www.bristolsoupruntrust.org.uk | admin@bristolsoupruntrist.org.uk

The Bristol Soup Run Trust provides emergency meals, basic essentials, and vital human connection to those experiencing homelessness and poverty in our city.

Twenty-Four teams of volunteers are dedicated to providing critical homeless outreach services 365 nights of the years. Some teams are affiliated with a place of worship, community group, or workplace, while others are independent teams. These teams run on varying schedules - most once or twice a month. The same locations are visited at the same time each night, offering consistency to those who rely on our support

Three easy ways to Share the Care:

In Person: Host a collection box at your school, workplace, or place of worship.

Online Wishlist: Order directly from our Amazon Wishlist and have items delivered straight to us.

Donate Funds: Give what you can at so our team can buy the exact essentials running low that week.
