Chapter M2
October 2019

by Dale Yager

October—well that in itself starts to set the tone as the riding season is coming to an end. Not really! Before I get into October I must remind us of what we did this past month. For this past month I need to thank Ken Weglarz and Karen Newhall for hosting the main meal of the progressive dinner and Bob and Diane Redding for hosting the dessert portion as well as planning the route and leading the ride. Also, thanks to Michelle for the appetizers that she made. I wished we had more to participate but ask anyone that did, what a great day it was! The route was great, the food was fantastic and the weather perfect.

Also in September, quite a few of us went to Fuddruckers in Greenville, SC to visit SC Chapter E for their gathering. They are a great group of people there as well.

Thanks to Veteran Frank Pizzardi we went on the Veterans of Valor ride that supported the Honor-Air flight. On this ride was Frank Pizzardi, Bob Topper, Jerry Boykin, Marvin Decker, Bill McGill and myself. Another great ride and some new roads that none of us had ever been on before.

The following weekend after our gathering Bob Topper led us to Juke Box Junction over some of the same roads we traveled for the Veterans ride then over the Mountain via 215. Again such a nice ride. Along for the ride this time were new members David and Nancy Skerry each on their own bikes. They live in Lake Lure and endured a long day of great riding.

I need to thank all that came to work for our Chapter at Wings Over the Smokies registration: Frank Pizzardi, Jerry and Rusti Boykin, Bob and Diane Redding, Jim Seacord, and Charles Weinhagen. Thanks to Rusti for our Chapter give-away basket. M2 got a taste of his first WOS with us. While there we met our next new member Neil Schwab from Brevard.

The Friday night ice cream ride over 276 to Jack the Dipper turned out to be a wet one. Within 5 miles of Jack the Dipper we got soaked. Nothing like being wet, sitting in an air conditioned building, eating ice cream. You should try it some time. Actually, this was the first time I got soaked this year.

Regarding WOS, thanks to all that sold and bought raffle tickets this year. The winner of the Hartco seat was Jeff Myers, the voucher for the California side car trailer was Bill Buckner and the Grand prize bike? I can't tell you her name as when they drew the ticket they did not announce the name but rather called their phone and she was right there to take the call. Kinda cool!

They did announce that in 2020, WOS will be right back at the Haywood County fairgrounds. The location for Wing Ding 42 in 2020 has been announced as Springfield, Missouri on June 30th to July 4th. Sounds like a road trip in the works.

So what's coming up you ask? Don't forget our regular monthly Cooks night out this Thursday. After our next gathering will be a trip to Maggie Valley to the Wheels through Time museum. Never been there? A must see! https://wheelsthroughtime.com/

We will have our final ice cream ride October 25th and yes Bob Topper can find an ice cream shop open this late in the season.

Also make plans to join us for friendship at our annual bon fire on November 2nd around 7:00PM at the Yager residence. This is not a ride but more of a social event where people bring a snack or dessert to share and tell their stories. Got a story you need to get out, here is your chance.

Starting at the October gathering we will be taking Chapter clothing orders. See the attached flyer for pricing and sizing. Don't have one yet? Now is your chance. Need a second one or got mustard on the one you have? Now is the time to order.

ASSISTANT CHAPTER DIRECTORS
CHAPTER COUPLE OF THE YEAR

We had some great rides in September, including the Progressive Dinner Ride which was the best ride because of the fantastic food waiting at all three stops. Most of our Chapter was on the ride and fun was had by all from what I saw, and it was great getting to spend time sharing stories and knowledge with each other. We have a awesome group of people in our Chapter and I really enjoyed our time together.

There's been a lot of amazing rides this year because of the planning and effort of some really dedicated people that want to see everyone have a great time riding, enjoying good food or ice cream, and events. The base ball games have been fun and brought back some memories from younger years. Getting out and riding through some beautiful country is something I look forward to doing with everyone in October, hopefully the best riding weather this year.

Diane had the privilege of caring for M2 this month. We got to go on some rides with him, but sadly we didn't get him to a barber shop so his hair has gotten a little long. I guess you could say it has made him look more like a true biker with no responsibilities. He likes his new biker look and plans to spend the rest of his life just enjoying the rides he goes on. Do I see a beard and mustache in his future? Only time will tell.

LETS RIDE!!!!!

Clyde brought the COY Plaque and Tammy & Robin Ferguson from Chapter I got to take it home this time!

REFLECTIONS OF THE MEMBERSHIP ENHANCEMENT COORDINATOR

What is going on? October 1st, high 80's, chance of 90's? Maybe some 70's in a week or two? Riding season coming to an end? How? The way the weather is going I might be able to wear my riding jacket comfortably by Thanksgiving! Forget the jacket with an insulated lining and I have electric liners that have not been used in the past three years.

The only thing that should end a riding season in the area we live in is road conditions and that may be periodic with the chance to ride again in a few days. Cool, brisk air to me means comfortable riding. That's what I am looking forward to.

On another note, do you like to take a chance on winning something? Well, when you come to the Chapter gathering for October wear something that denotes the season or upcoming Holiday (Halloween) and get in on a special drawing. No need for masks or extremes (unless you want to), just something.

Til then pray for better riding weather so we can all enjoy some cool, clear air!

See you soon,

Ken Weglarz

WHAT IF?

I am going to call this article "What If?". And you ask why, here's why. The other night Dianne and I had a situation with her niece, Jennifer, from Raleigh. Recently her father, who lives in South Carolina, was traveling by himself and was in a motorcycle accident near Franklin NC. Jennifer received a phone call, not one that anyone of us would like to receive; the person on the other end stated that her dad was injured and was flown to Mission Hospital and that that they needed information concerning his care .

Jennifer did not know what to do nor had any knowledge of what her father wanted. The hospital personnel did what was necessary to make him comfortable and care for his injuries, until Jennifer was able to speak to them in person. Also she had to deal with the insurance company, at first she did not know what company her Dad was insured with. The only way she found out was to drive to Franklin and take what information he had in the bike, like name of company, insurance card and registration.

Okay that was the What If. Now to reality, does a family member, or trusted friend have this information such as what kind of care you want, what's the name of your insurance company, what to do with your motorcycle, this is important information that we need to share with our loved ones, to avoid a similar incident happening to you or me.
