To date we have sold 71 community Memberships this year. These memberships help to improve the playground and fundraise for activities. We had a few volunteers help to seal the pickle ball court this year and plan on doing a second court next summer as well. Thank You to the volunteers that set up pickleball weds. It was well used! We have purchased a fridge for the kitchen to use when people are renting the kitchen. A new slide was installed on the pirate ship. Our Toilet Seater champs this year included Paul Spilchen, Linda Gliem, Carmen Salkeld, and Bev Kreway. Congrats it wasn't easy we had a tie so had to do a chip off at Spilchen and Paul was the chipping king! I have received permission from Good Spirit Golf resort for a cross country ski trail. The potluck dinners from now on will be bring your own plate and utensils as we are unable to buy plastic cutlery from now on. Hope everyone has a great rest of the year!!!
