Good Spirit Acres Community Association Meeting Minutes

Aug. 22, 2023

Attendance – Denise, Darlene, Loretta, Kathleen, Sherry, Gilda

1.Gilda - reports that 72 memberships sold to date

2.Denise brought up that meeting minutes should be sent to Deb, to be posted on the website so members that don't attend and others know what is being discussed. Also at meetings we need to make motions for decisions to be made to spend money, so we don't have unexpected bills to pay.

Discussion was had and agreed to make motions, and send minutes to deb to be posted on the website.

3.Toilet Seater Tournament Planning:

Tournament date Sept 10,2023

Golf is a shotgun start at 1Pm, and signup date is Sept 9.

Posters have been hung at Golf Course, Store, and SunShadows

People are to enter as an individual and teams will be made up ahead of time (randomly drawn).

Approx time for golf is 2-3 hrs, and then potluck to follow....

closest to pin discussion was had and decided that \$20 for kp for men, and \$20 Kp for women will be prizes. Have closest to pin on hole 8.

Sherry made a motion to have \$20 for Kp for Men, and \$20 Kp for women for the tournament.

Seconded by Loretta.....Carried

Potluck supper is to follow at 5 Pm

-discussion was held regarding cutlery and plates and the decision was that the potluck is to bring your own cutlery and plates. And People have to bring their own cup. The decision was that we would trial it this year. We will have a few plates and forks there in case someone forgets or doesn't bring their own. Set up will be at 10 am Sat 9th.

4.Games Cupboard;

The padlock was not locking so sprayed with lock spray and then the lock locked, and no one was able to open it, so Kathleen ordered a new lock and bolt cutted the old lock off. New lock will be replaced as soon as it arrives.

Also the pickleball racquets are getting used a lot and need to replace 4 racquets. There are aluminium racquets that we may replace with as teh wood racquets are hitting the pavement and breaking right away.

Darlene made a motion to buy 4 racquets and replace them,

Seconded by Gilda.....Carried

5.Discussion on painting new wall built for rink

Gilda is going to talk to Kevin regarding painting the wall, she wasn't sure if Kevin was going to look after painting the wall or not, so no design was made on painting the wall.

Gidla called Kevin and he said it didn't need to be painted as treated wood and should be left for a year. So maybe discuss painting it in the spring.

6. Bank Balance is 5711.51 the only bill that is outstanding is for sand for the playground and spreading sand by Dale.
