MAYOR'S REPORT

1. The city council will need a motion for John Crawford & Associates to apply for a CDBG Housing Grant, for the City of Christopher.

2. I have received a letter from the N.L.R.B. This is normal to start contract negotiations.

3. I signed the contract with Melrose Pyrotechnics for Christopher's 2021 Fourth of July celebration.

4. May 2021 council meeting we will seat the new council and officers. I would like to thank the people of Christopher for their trust in me as Mayor. Electing me as Mayor is the highest privilege anyone could ask for in their life. The election is over and now it is time for our community to join together. Our future is hard, but our spirits are bright. God bless this community.

5. The U.S. House of Representatives has announced a grant program for community projects called CPF program. Our engineer has applied for money to update our sewer lagoon, and other projects. This request is applied through Congressman Mike Bost's office.
