Greetings! I am a pastor with more than four decades of experience preaching, teaching, leading, and shepherding. I'm passionate about equipping saints, strengthening the family, and advancing the gospel through the local church.

My roles have included Lead Pastor, Associate Pastor, Interim Pastor, and National Bible Instructor in Colorado, Florida, and Texas. I also served as Executive Coach for a national pro-life organization. In recent years, I have been coming alongside pastorless churches via supply preaching and interim pastor service. Currently, I feel God's call to serve the local church as a Lead or Interim Pastor in North Texas.
