Letter of Recommendation for Dr. Michael Wright

June 17, 2025

To Whom It May Concern,

It is with great appreciation that I recommend Dr. Michael Wright for any pastoral role your church may be considering.

Dr. Wright came to our church in March 2024 as a supply preacher after the unexpected departure of our pastor. Despite our small size (35 in worship) and being 36 miles from his home, Dr. Wright graciously accepted the call to serve as our part-time interim pastor. His deep care for our congregation and his excellent preaching and teaching quickly won the hearts of our people.

Over the past 15 months, Dr. Wright has provided steady, humble, and wise leadership. He guided us through a replanting and revitalization process, helping us secure a sending church, form a leadership team, update our bylaws, revise our governance and budget, and even reclaim our historical church name. Through it all, he preached faithfully each week, sought support from outside partners, and served with joy and love.

Dr. Wright is uniquely gifted for ministry in struggling or transitioning churches. He brings experience, maturity, and a heart for renewal. We are deeply thankful for his time with us and confident he will be a blessing wherever God leads him next.

Sincerely,

David Baty
Deacon, Northrich Church
