2026 Sponsorship Levels

Our sponsors are integral to making this event a success. We use sponsor funds to pay for advertising, printing, purchasing new trees each year and more. The Festival of Trees is one of our major fundraisers each year. Quota promotes our sponsors on-line on our website and social media pages, mentions at our events, in print advertising and poster advertisements.

This highly anticipated holiday fundraiser supports Estes Park Quota, a 501(c)3 nonprofit organization dedicated to serving the local community with philanthropic gifts and services. The emphasis is on community support for the Loan Closet, hearing and speech devices for impaired individuals, disadvantaged women and children, providing education scholarships, and services to seniors.
